Cogan Charges that Towl Ignored Him in Work

Omaha Fire Chief Testifies Regarding Friction with the Fire Commissioner.

Omaha.—Fire Chief Cogan, on the witness stand late Thursday at the city council investigation of inefficiency and dissension in the department, asserted that shortly after Roy W. Towl became fire commissioner he (Cogan) called a meeting of officers so they might get acquainted with Towl, and then added the charge that Towl "spent all the time at the meeting ribbing me up the back."

"He didn't talk about anything else," Cogan asserted.

Attorney T. J. Sheehan, jr., asked Cogan if Towl had come to his (the chief's) office and had ignored him, in front of the men. Cogan said Towl had ignored him in front of the officers.

"Did Mr. Towl go to the fire barns and take the men into his confidence without consulting the captains?" asked Sheehan.

"He has," said Cogan.

Cogan, answering a question, asserted that the officers and men had co-operated with him.

Mrs. Clarence Urban, widow of the inspector who was lost in the Millard fire, came into the chamber at this point and was put on the stand while Cogan was temporarily excused. She said her husband told her years ago that Towl had issued an order for his demotion, but that it had been rescinded when Cogan refused to approve the demotion. Cogan denied there was a dissatisfied element in the department or that any officer had ever countermanded an order given by another officer.

Underwriters are "trouble makers" whose interference "often results in disorganizing the department," Cogan testified.—State Journal.

VISITING IN OMAHA

Miss Dorothy Brink has been visiting in Omaha at the L. R. Feller home during the past week. She resided with the Feller family while taking X-ray technician training at one of the Omaha hospitals a few years ago.

ROUGH to your finger

means . . .
ROUGH IN YOUR STOMACH

It's easy to say they're all alike—easy to prove they are NOT.
Dissolve a genuine Bayer Aspirin tablet in water, pour it off, feel the fine powder that coats the glass.
Do this with some other tablet; see what coarse particles are left! They feel as sharp as sand, even to your finger. How must they affect those delicate membranes which line your throat—your stomach?
For immediate relief from headaches, colds, sore throat, neuralgia or neuritis, lumbago, rheumatism, there's nothing like Bayer Aspirin. It cannot depress the heart.

MURDOCK ITEMS

Harold W. Tool and wife were spending a few days in Lincoln last week, where they were both visiting and looking after some business matters.

Lyle Horton was looking after some business matters in Elmwood on last Wednesday and as well as visiting with the home folks while there.

Clifford Reise and wife, of Lincoln, and J. S. Robertson and wife, of Lincoln, were visiting for a few days recently at the home of Mr. and Mrs. A. J. Tool.

Mathew Thimgan and son, Victor, who have been chopping wood for the past few days, completed their work on last Wednesday, getting enough fuel for the remainder of the winter and as well for the summer. They will turn their attention to other work now.

This Will Save You Money

I have added recently a very fine stock of groceries which I was able to purchase at a very low figure and so am passing on to the public the advantages of that purchase in the form of prices that are the very lowest. Come in and look over the stock and save money by buying all your grocery needs here.—John Ostbloom.

Identified Their Man

The day before the attempted robbery of the Murdock Mercantile Co. store, of which Henry Amgwert is the manager, the man, O'Hare and a companion were loafing about town during the afternoon and spent some time at the horse shoe court, being known to a number of the people of Murdock and holding conversations with Eddie Craig, Freddie Wendt, F. A. Melvin and Henry Amgwert. A man named Hackathorne was arrested at Osceola, Iowa, last Tuesday and upon receiving word that he was being held there, Deputy Sheriff Jarvis Lancaster drove to the Iowa city, taking with him the above named gentlemen all of whom identified Hackathorne as the companion of O'Hare on the afternoon before the robbery. He was accordingly brought back to Plattsmouth to face charges of breaking and entering. He first admitted being a companion of O'Hare on the afternoon visit to Murdock but denied he had participated in or had anything to do with the robbery. On being arraigned Thursday before the county judge, he entered a plea of guilty and was bound over to the district court. On Saturday he was brought before Judge Begley and renewed his plea of guilty, receiving a sentence of five years in the state reformatory for his part in the ill-fated robbery. Again, with apologies to Luckies, we repeat: "Crime doesn't pay."

Eddie Craig Good Natured

While Eddie Craig was at Osceola, Iowa, to identify the robbery suspect, Hackathorne, someone pinned a number of verses and also a forget-me-not on the door of Eddie's barber shop. He is a good sport, however, and only smiled at the witticisms aimed at him.

Visited Friends Here

Max Walker, former barber for Emil Kuehn, and who worked here for some time, cultivating a large acquaintance and many friends here, in company with the wife and kiddies, arrived in Murdock on Wednesday from their home in St. Paul, Nebr., and spent a short time visiting with the many friends here. They were guests at the home of Mr. and Mrs. John Eppings.

Entertained Their Friends

On last Tuesday evening at the home of Mr. and Mrs. Frank Zoz, there were gathered a large number of their friends who enjoyed the evening at cards and other games and were entertained with a very delightful luncheon. Those who were so pleasantly entertained were loud in their praises of Mr. and Mrs. Zoz and the children as entertainers.

Have Pleasant Afternoon

On last Sunday afternoon a number of the friends of Mr. and Mrs. Paul Kupke gathered at their pleasant country home, where they very pleasantly spent the afternoon in celebrating the passing of the fifth wedding anniversary of this popular couple. After a very splendid afternoon the friends departed extending the wish for many happy and prosperous years for this couple.

Many Attend Meeting

A large number of the people of Murdock were in attendance at the Ministerial association meeting held at the Christian church in Elmwood on last Sunday, at which L. Neitzel made the principal address. Mr. and Mrs. Neitzel, Rev. Knosp and family, G. Bauer and family and Mr. and Mrs. Mellinger, of Lincoln, who were visiting here, made up the party of Murdock people who were present. The address of Mr. Neitzel is published elsewhere in this department.

Ladies Aid Celebrate Event

The Ladies Aid of the Murdock church having secured permission to celebrate the anniversary of the wedding of Mr. and Mrs. Neitzel at the meeting of the society which was held on last Thursday at the Neitzel home, arranged a special program in commemoration of the event that included reminiscences of the early history of Murdock which were greatly enjoyed by all those in attendance.

Hold Interesting Meetings

Under the direction of Rev. Knosp, the pastor of the Murdock and Louisville church, a very worthwhile revival has been in progress during the past two weeks. On Thursday evening the Rev. Otto Englebrizen, of the Nehawka church was present and delivered a very fine address.

Board Attends School Meet

The members of the Board of Education were present in a body at the gathering of school officials held at Weeping Water, where the matter of teachers' salaries and also the expenses connected with the conduct of the schools was considered. Among those who were in attendance were members of boards from all towns, with the single exception of Elmwood. Those from Murdock were Frank Melvin, Gust Ruge, Charles and Frank Buell, Leo Rikli and Herman Kupke.

In Retrospect

The following address was delivered by L. Neitzel before the meeting of the Ministerial association held at the Christian church in Elmwood at last Sunday:

"On February 19, 1878, a new firm was incorporated at South Bend, Indiana. The members of the firm were Jesus Christ, L. Neitzel and Lydia Neitzel, nee Hoehn. The duration of this pact was left to the senior partner, unless one of the firm should become unfaithful. The purpose of this organization was to extend the Kingdom of God and to 'make the world a little better every day.' The capital stock was furnished by the party of the first part, which was 'Love; love that is stronger than death.' The other two partners furnished what they had—Heart, Soul, Mind, Strength, Will. A family altar was established, and the firm was ready for business.

"For four years the business was carried on in South Bend, Ind., when it was transferred to Nebraska; as this promised to be a better field to operate in, because of greater opportunities. No mistake was made, as time and results have proven! The business has been carried on uninterrupted to this day. It was a success from the start; perfect harmony has prevailed all these years and the bonds of love bind the members closer together than ever. The capital stock has been increased and is above par today. No strike nor failure is on record, and 100% dividends have been paid regularly. As we look back over the years, we can see that our efforts have not been in vain. We have left a good many bright spots in our wake.

"Today we celebrate our fifty-fifth anniversary. The time seems very short. Wife and I are still in active service, working like from the beginning to extend the Kingdom of God and to 'brighten the corner where we are.' The years have brought clouds and sunshine. We have had our ups and downs, but Jesus Christ has never failed us. He is the same yesterday, today and forever. We have never regretted to have entered into the service with our King; our only regrets are that we have not always been faithful, which has caused us many sad hours, but our Lord has always been very kind to us. Knowing our limitations and frailty, he would abundantly pardon our mistakes, which were

only of the head, and not of the heart. We have tried, with His help, to be a blessing. How well we have succeeded, the records will show. But we have the consciousness that we have done some good in the world.

"When this firm will be dissolved, depends on Jesus Christ. We are both getting into the years when we cannot do much more, because of infirmity, on account of age. But we still enjoy our work as much as ever. Our prayer is:

'Abide with me, fast falls the eventide;
The darkness deepens, Lord with me abide!
Where other helpers fail, and comforts flee,
Help of the Helpless, O, abide with me.'

MILWAUKEE MILK SUPPLY LESSENS; STRIKE TIGHTENS

Milwaukee, Wis., Feb. 21.—Confusion continued at creamery, condenser and cheese factory and there were disorders on highways of at least six counties as striking dairy farmers tightened their control over milk supplies of eastern Wisconsin today.

For the first time since the beginning of the Wisconsin co-operative milk pool strike a week ago, there was a marked diminution in the flow of milk into Milwaukee. Distributors reported that their shortages ranged up to 30 per cent. The supply was still more than adequate for household needs but there was not so much milk for ice cream and other products.

Throughout the Fox river valley region, where the strike began and where it is most effective, there were disorders on highways. Pickets dumped milk into the snow and kept the cheese factories closed. There was a marked stiffening in resistance to strike violence today. Both public officials and aroused farmers who do not care to strike were more inclined to challenge pickets.

Tension grew in Outagamie county, where Sheriff Martin Verhagen took to the roads with 25 deputies. They broke up disorderly groups of pickets and at North Medina successfully defended the Charles Schneider cheese factory when belligerent strikers surrounded it.

DERN HOLDS AN OPEN MIND

Salt Lake City.—Former Governor Dern, named by President-elect Roosevelt as his secretary of war, will enter the office "with an open mind," he said. "I deem it a high honor to be a member of the president's cabinet," said Mr. Dern. "It offers a great opportunity for service." While he has been known primarily for his outspoken views on state's rights with reference to public lands and water, it was pointed out his experience in this direction may stand him in good stead as secretary of war. The former governor is without military experience, except as commander in chief of the Utah national guard during his eight years as chief executive.

Mrs. Roosevelt Reveals Details of Inaugural Dress

Crystal Velvet, in Shade Named for Incoming First Lady, Will Be Worn at Ceremony.

New York.—In a gown of crystal velvet, in a grayish blue shade that has been named "Eleanor blue" after her, Mrs. Franklin D. Roosevelt will attend the inauguration of her husband.

Mrs. Roosevelt said she had ordered her inauguration costume and several other gowns to be made by a New York store.

"I did it all in a half a day," she said, "and I think I have enough to last me for most of the next year." The inauguration gown is to be made with long sleeves and a collar high in the back.

Sentiment Goes With Buckle.

"It has a belt," she said, "and on the belt I shall wear a jeweled buckle that was given me many years ago by Franklin's godmother, Miss Eleanor Blodgett, now dead."

Her coat, she said, would be of dark blue uncrushable velvet, and she will wear a plain dark blue straw hat and dark blue kid shoes.

"They'll have to have low heels," she said, "for I shall be standing most of the day, I expect."

To the inaugural ball the night of March 4 Mrs. Roosevelt will wear a white brocade gown she has worn to formal dinner parties in New York several times this winter.

Material "Old and Rare."

"I am wearing it to the inaugural ball," she said, "because Franklin's aunt, Mrs. D. D. Forbes, gave me the material. She brought it from China, where she lived for many years. The material is very old and rare."

Her daughter, Mrs. Curtis Hall, will wear to the inaugural ball a gown of the same material, Mrs. Roosevelt said.

"Only she will wear a colored scarf with hers," she added.

Mrs. Hall also will wear blue on inauguration day, her mother said—a dark blue cloth coat over a silk dress of lighter blue.

Mrs. Roosevelt said she had ordered for herself, in addition to the inauguration gown, a black afternoon gown and two evening gowns.

She's Fond of Blue.

"The evening gowns are blue," she said, "because I like blue and because I think it is economical always to wear the same color, although in different shades."

"I chose one model because it had detachable sleeves and can be worn either in the afternoon or evening."

Mrs. Roosevelt said probably only two of her four grandchildren would be taken to Washington for the inauguration.

"Anna's children, Buzzy and Sistic, are probably old enough so they'll remember it," she said, "although I doubt Buzzy will remember very much. But of course James' and Elliott's babies wouldn't."

Anna Eleanor Hall is nearly 6 and her brother is going on 3.—Kansas City Star.

HOLIDAY GROUP ORGANIZED

Scottsbluff, Neb.—A Scottsbluff county unit of the Farmers Holiday association was organized here Thursday night at a meeting of more than 500 farmers. Plans were discussed for staying a number of pending farm mortgage foreclosures.

Mrs. L. A. Pearson of Sidney and Harry Lux of Lincoln, militant association organizers, addressed the session with charges of alleged dishonest and unfair practices by bankers and business men, and urged cooperation of all farmers in the movement.

Carl Holquist of Chappell, Deuel county holiday official, also spoke. Plans in particular were laid for the sale of farm equipment and stock of Peter Swanson, Mitchell farmer, which will be auctioned off under a writ of replevin March 11. Swanson called off a sale on his farm last week after more than 1,000 farmers gathered at his place.

A. A. Wright of Mitchell was elected chairman and Mrs. A. A. Wright secretary of the county organization. Six persons were named on a "committee of action."

FELLING CHERRY TREE CAUSES MAN'S DEATH

Cleveland, O., Feb. 22.—Chopping down a cherry tree on Washington's birthday anniversary brought death today to Lloyd Kelley, 27. Kelley ran when the tree started to fall, but stumbled into a ditch and was struck by a branch. His neck was broken.

WRANGLE OVER RIVER LAND

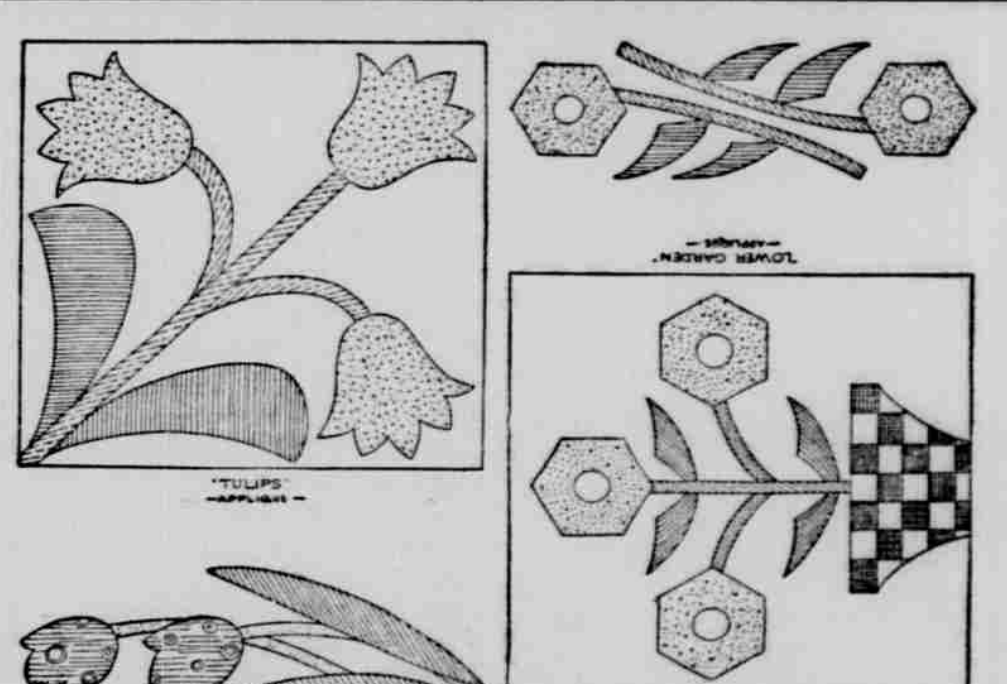

Missouri Valley, Ia.—Three men are held in jail at Logan, Ia., and Sheriff Cross and four of his deputies here face similar action in a Nebraska court as a result of a dispute over land near the Missouri river at Mondamin, Ia. The land is within the original Nebraska boundaries but on the Iowa side of the present river course. The situation is a sequel to an action brought last fall to evict three men from their river bottom farms.

Those held in jail at Logan are John McIntosh, L. J. Layton and Fred Peterson. They had been using land added to adjoining farms of Francis Remington and C. Neilsen of Mondamin, when the river changed its course. Remington and Neilsen claimed the land under Iowa laws governing accreted lands. The set-
