

Fifth Message Sent to Congress by the President

Brief and To the Point—Asks Immediate Action—Divided into Three Workable Plans.

From Tuesday's Daily
Another brief and forceful message, his fifth to the congress since he took office March 4th, was transmitted to the government's law-making body this morning by President Roosevelt. Pointing out the great need, he asks for prompt action and predicted that by mid-summer at the latest machinery could be put in action to give 500,000 or more idle men work on government and state projects at livable wages. The plan is divided into three component parts that includes:

- 1—Enrollment of workers for jobs on emergency government work, accepting those whose services will not be required in the ordinary channels of employment as factories and industries begin expanding their forces during the coming weeks;
 - 2—The voting of financial grants to states to be expended on public work projects of their own;
 - 3—Laying of the groundwork for a broad federal program including reforestation, flood control, etc.
- In his brief message, President Roosevelt called the attention of the lawmakers to conditions in the Ohio valley, where right now floods are menacing life and property.

Rotary Club Has a Fine Surprise Program Given

Dramatic Skit Provided by Members of Club and School Students as Well as Orchestra.

The larger part of the membership of the Rotary club had a most pleasant surprise given them Tuesday afternoon when they assembled for the usual weekly session. This feature had been arranged by L. D. Hiatt, the leader of the meeting. A dramatic skit entitled "Wright was Wrong," had been prepared by Mr. Hiatt and which gave a glimpse into the teaching of business ethics, a part of the Rotary teachings. This was presented by a group comprising Carl Ofe, Robert Walling, L. S. Devoe, Miss Gertrude Valley and Francis Libershal, being well presented and a real entertaining feature.

In addition to this first surprise the Rotary members themselves presented their orchestra in its initial appearance as one of the musical organizations of the community. This was composed of E. H. Schulhof, George Jaeger, Searl S. Davis, L. D. Hiatt and E. H. Wescott, a group of well known musicians and who made a distinct hit in their contribution to the program of the day.

The club secretary also read a letter received from the district governor of Rotary and in which he congratulated the club on the fine showing they had made in their attendance and in the advancement of all lines of Rotary work.

It was one of the most entertaining meetings in several months and the spirit of surprise that entered into it made it doubly pleasing to all of the members.

W. C. T. U. MEETS

The members of the W. C. T. U. held a pleasant meeting on Monday afternoon at the home of Mrs. C. C. Wescott and with a pleasing number of the ladies present to observe "Union Signal Day."

The program opened with a dialogue, "Teachers Discuss the Situation," given by Mrs. W. L. Propst and Mrs. Zella Trout, a review of the proposal to change the prohibition law.

Miss Bernice Arn read a selection, "How Mother Gained the Victory," a well presented offering.

Mrs. C. C. Wescott gave a very pleasing and appreciative poem, "Backward, Turn Backward."

A dialogue was then given on the program of the day, "The Union Signal Broadcast," by Mrs. O. C. Hudson and Mrs. Robert B. Hayes.

Miss Leona Melsinger, one of the talented musicians of the city was heard in a very beautiful piano selection, "Beautiful Vision," that reflected the greatest credit on this young musician.

Mrs. Hayes at the close of the program gave a vocal solo, "Read the Union Signal," Mrs. O. C. Hudson being the accompanist.

The afternoon was closed with the serving of refreshments by the hostess and which provided an appropriate close.

The report that work by former Mayor Walker of New York on his autobiography has been delayed does not come as a surprise. The mayor has a reputation for being late.

PLATTS. WINS SEMI-FINALS

The semi-finals in the Cass county town team basketball tournament at Eagle, were completed last night and the finals will be staged tonight when the Plattsmouth and Eagle teams are pitted against each other.

The Plattsmouth team had as their opponent, Elmwood and had but little trouble in the eliminating of this team which had on the previous night staged a gruelling game with Greenwood. Elmwood made but four field goals during the contest. The score was 22 to 11 at the finish of the game.

The opening quarter was close and Plattsmouth led 6 to 5, but in the second period they held Elmwood to one point and advanced to 10 to 6 at the half. The third quarter saw the Plattsmouth team sweep into a commanding lead as Donat commenced a bombardment of the basket. The box score of the game was as follows:

Plattsmouth—		FG	FT	PF	TP
Knoflick, f	-----	0	0	0	0
Galloway, f	-----	1	0	1	2
Hartford, f	-----	1	1	1	3
Spangler, f	-----	0	0	0	0
Donat, c	-----	5	0	2	10
Forbes, g	-----	0	1	0	1
McCrary, g	-----	3	0	1	6
		10	2	5	22

Elmwood—

FG	FT	PF	TP	
Kuehn, f	-----	1	2	4
Ledger, f	-----	1	0	2
Boyd, f	-----	0	0	1
A. Brockmann, c	-----	1	1	3
Blessing, g	-----	1	0	2
E. Brockman, g	-----	0	0	0
Hoffman, g	-----	0	0	1
		4	3	11

The Eagle-Alvo game was a rough and tumble battle and in which both team strove valiantly for the victory but Eagle proved the winner by the score of 22 to 10, to enter the finals this evening.

In the consolation games, Weeping Water polished off Nehawka by the score of 26 to 13, while Greenwood took Louisville by the score of 20 to 14.

Legislature Slashes State Funds 18 Million

Appropriation Bill for 1933-34 Cost of Running State Government Placed at \$25,000,000.

The state legislature has placed its approval on the appropriation bill for the coming two years, slashing \$18,000,000 from the cost of two years ago.

The 1931-32 appropriation amounted to \$43,000,000, while the present legislature has prepared a bill that will allow only \$25,000,000, going ten per cent deeper in appropriation cuts than even the recommendation of Governor Bryan.

In making the cuts the state university, normal schools, state aid to fair and the salary list of the state were the chief objects of the trimming program of the solons. The state university was one of the largest single institutions to be slashed in expense, altho the ax was applied in almost every department of the state government.

FRANCE HAS A CHANGE OF HEART AS WAR SCARE SEEN

The war threat, hovering over Europe, is getting France's goat, and a possibility that she will back up on her repudiation of war debt payments to the United States is seen in the dispatches from abroad today.

Possibly France foresees the time when she may again want aid from an outside nation and would find it hard to get with the record of her defaultation written on the pages of history.

BURIAL OF ZANGARA

Raiford, Fla.—In a brief service, Giuseppe Zangara, the assassin who was electrocuted for the murder of Mayor Cermak of Chicago, was buried in "Gopher hill," the small cemetery at the state prison farm here. A rumbling truck carried the body from the prison hospital to the burial ground, where the rough pine casket was lowered into the grave by six guards.
