HOLD SPLENDID MEETING

River-view club held its regular meeting on Tuesday at the home of Mrs. H. W. Hull. Most of the members were present as well as several visitors. After the business meeting our leaders gave a very interesting demonstration on the art of bread making. Several kinds of rolls were made and whole wheat bread. A thorough study was made on "The Cost of Home-made Bread Compared to That of Baker's Bread." Different grades of flour, methods of milling, methods of making home made dry or liquid yeasts.

hostess served a delicious lunch as well as samples of the different rolls made in the lesson.

The next meeting will be at the home of Mrs. Henry Kuhns, Tuesday, April 25th.

REPORTER.

SUNNY SIDE 4-H GARDEN CLUB

The Sunny Sid 4-H Garden club held its second meeting at the leader's home March 27th, with seventeen members present.

The meeting was full of pep and all are planning on fine gardens. This is the second year's work. Our motto "Make the Best Better."

DOUBLE SURPRISE

On last Tuesday evening several of the friends and neighbors of Mrs. Greeley Bell, remembering the day as a birthday anniversary, came to help celebrate the occasion.

A most enjoyable time was had, the evening being spent in playing pinochle and dancing. At an appropriate time lunch was served, having been brought by the thoughtful friends.

On Wednesday evening several other friends staged another surprise, this time being a celebration for Mrs. Bell and Albertus Campbell, whose birthday fell on the following day. Again a splendid time was had by all present, and the birthday cakes brought were a splendid help to the evening's entertainment.

VISIT AT LEGISLATURE

Lee Nickles and sister, Miss Etta, have returned from Lincoln where they enjoyed a visit with their brother, George E. Nickles, member of the legislature from Cass county. They had the pleasure of seeing the lawmakers in action and to enjoy looking in on the session as a large number of important measures were being discussed.

 10:00 a. m. English services. The Lord's supper will be administered in English. An offering will be taken.

HAS A CURIOSITY

Mr. and Mrs. Grant Hackenberg were in the city Saturday and had with them an unusual curiosity in the shape of a soft shell duck egg. The soft shell eggs are found frequently but this one differed from the usual in that it had a long rope like attachment which was also of the soft texture of the egg. The egg was shown to a great many and attracted a great deal of attention from those who had the opportunity of seeing it.

'Dusty' Rhodes Named P. H. S. Football Captain

Selection Made Last Evening at Athletic Night Held by Lettermen of the School.

From Wednesday's Daily

Last evening was athletic night at the Plattsmouth high school, the lettermen of both the football and basketball squads as well as a few invited guests and faculty members being present to enjoy the occasion. The event was made much more pleasant for the members of the squad by the fact that their coach, Fred A. Rothert, had been elected for the ensuing year and would be on hand to guide the teams in the coming year.

The earlier part of the evening was spent in games of all kinds, the groups being divided into basketball and volley ball teams and some hot competition was shown on the court during the course of the evening.

Several wrestling and boxing matches were staged by the members and which showed real talent in this line among the young men of the school.

The lettermen of the athletic department were then called upon to name the football captain for the 1933 season and selected for this place, Lawrence Rhodes, a member of the present junior class. The new captain served as a substitute back during the last year season and is one of the promising players for the team next fall.

The evening was closed by the serving of refreshments which had been provided by the committee and Sam Arn, Bob Hirz and Bob Rummel served as the committee to see that the jolly group had plenty and this was attested as the committee had a surplus at the close of the feast.

POLICE PUT OUT FIRE

Last night while Officer Dave Pickrel was making the rounds of the alleys on the south side of Main street, he saw a light some distance away that resembled a car light. The officer hastened to investigate the light and discovered a small rubbish fire. Someone had been burning rubbish and during the night the embers had been whipped into a blaze by the wind and if they had not been noticed by the officer, might have resulted in causing considerable trouble or even a serious fire.

The vigilance of the police in patrolling the alleys at night has saved many a robbery and serves to give the merchants and store owners a feeling of security that all is well in the business section of the city.

W. C. T. C. MEETS

The W. C. T. U. met on Monday afternoon at the home of Mrs. Ralph Anderson and a pleasing number of the ladies were in attendance at the interesting session.

The devotional period was occupied by Mrs. C. R. Troop, who took as her message the "Sermon on the Mount."

Miss Olive Gass gave the address of Senator Borah, taking up the defense of the prohibition cause in congress and in opposition to the proposed repeal and legalized beer.

Miss Beatrice Arn gave two delightful readings, "A Message" and "When Mother Sang to Me," the accompaniment being played by Mrs. E. C. Giles.

John Kenneth Bestor, one of the youthful entertainers of the city, gave two humorous readings, "Emily Johnson" and "The Crooked Mouth Family," presented in the pleasing manner of this young man.

Mrs. W. L. Propst presented the message of the national president of the W. C. T. U., Mrs. Ella Boole, "We Will Fight Every Step of the Way," a ringing message to the union.

Miss Frances Clويد gave two pleasing piano numbers, "Prelude in A Minor" and "Dance of the Nones."

With the conclusion of the program refreshments were served by Mrs. Anderson to add to the enjoyment of all of the members of the group.

Victor Sturm, well known young man of Nehawka, was in the city Monday afternoon for a few hours visiting with friends and looking after some business matters.
