

Our Funeral Home

IN planning our funeral home, we desired to provide a place where the funeral service, and the necessary preliminaries to it, may be conducted with the greatest efficiency and comfort in the quiet, dignified atmosphere of a home.

WE believe that we have achieved this. The use of our mortuary is available to all our patrons, though we, of course, are willing to conduct the services from the church or residence when so desired.

Krejci Wildcats Win Opening Game from Fetzter Shoe Co. by Score of 26 to 21 Last Night

From Thursday's Daily

The opening game of the Kittenball league was held last evening at Athletic park, where a large group of the fans were in attendance to enjoy the exhibition of the popular form of baseball, staged by the Krejci Wildcats and the Fetzter Shoe Company.

The game started like a riot for the Fetzter team, but closed a victory for the Wildcats, by the score of 26 to 21, the Wildcats scoring thirteen runs in the last three innings, while the Fetzers could garner but three. Fast fielding in the last of the game by Ronne, Vanlandingham and Taylor held the Fetzter team down.

The game opened with plenty of fireworks when Armstrong, catcher for the Wildcats, connected with one of Dr. Pucilek's slants for a home run and Clarence Forbes followed with a double, but the rest of the inning was a washout.

The Fetzter team in their time at bat in the first had a bat fest that netted seven runs and eleven men faced Forbes, Wildcat hurler, in that inning.

The second was three to one divide with the Wildcats and in the third each team made four tallies to leave the score 12 to 9 as the fourth opened. The Wildcats in the fourth came back to score four runs and to take the lead for a few moments, but the Fetzers drove a strong attack that gave them six runs, and what looked like a safe lead.

The fifth inning saw the Wildcats accumulate six scores, while the fast work of the "Kats" infield held their opponents scoreless, Ryan, Schaffer and Hartford retiring in order.

The sixth was the inning that greased the way to victory for the Wildcats when seven runs crossed the plate and but two for the Fetzter team. The fast work of Ronne in this inning cut the Fetzter chances in two fast plays from third to second base.

Both teams fielded well in the last inning, the Fetzter team holding the Wildcats scoreless, while they tallied one run.

In the fielding honors, Galloway and Ptak of the Fetzter team showed well and Hartford at second played a nice steady game. The fielding of Ronne for the Wildcats was exceptionally good as four outs and three assists were to his credit. Donat also accounted for five outs and Vanlandingham, four.
