

Red Sox Win an Extra Inning Battle Sunday

Retire the Miller-Knuth Team of Omaha by Score of 6 to 5 in Eleven Inning Game.

The Red Sox team of this city in a hard fought eleven inning baseball game Sunday, were able to hold the Miller-Knuth team of Omaha, the locals winning by the score of 6 to 5.

The Red Sox were leading after the fourth inning when an unlucky bobbie in the ninth inning allowed the visitors to score the tying run and forcing the contest into the extra innings.

The Miller-Knuth team had the excellent pitching of Axburg to depend upon and who accounted for the greater part of the outs of his team, receiving ragged support in the opening portion of the game and which added to the scoring of Plattsmouth.

The Red Sox, owing to the illness of Sylvester had the services of Kizler, of Pacific Junction, former all state basketball center and one of the promising young ball players of that state. He pitched a nice game and was the man to score the winning run of his game.

The visitors were the first to score, starting in the opening inning and registering a man, while the Sox came back in their half of the second to score Krejci and Stone on hits.

The Sox added to their lead in the third with three runs while Keiner of the visitors scored a home run. Keiner held the record for extra base hitting as he acquired a home run in the eighth inning.

The Red Sox were held scoreless after the third inning, while the home run of Keiner in the eighth brought the score to 5 to 4 for the locals and as the first of the ninth opened two hits and an error at third base allowed Greise of the visitors to tally the run that tied the old ball game up.

Both teams battled hard for the necessary run to break the tie in the tenth frame and in the first of the eleventh the visitors had a good chance but an out at third cut their chances and they were held scoreless.

In the Red Sox half of the eleventh Miller was given a walk but was forced at second by Hirz, Kizler was safe on an error on Greise at second base, and Schlieske hit, forcing Hirz at third base. Spidell won the contest with a sharp single to center and on which Kizler was able to score.

The tabulated score of the game was as follows:

Death Comes While Mr. Nolting Engaged Around Home—Sufferer From Heart Trouble.

Sunday morning at 8 o'clock while Fred W. Nolting, 64, well known resident of this community, was engaged in some small tasks around the farm home, he was stricken with an attack of heart trouble and from which he passed away a few moments later.

Mr. Nolting had been in poor health for many months and was for some time in an Omaha hospital under treatment, but in the last few months had been home and apparently doing just as well as possible. The malady is one that has claimed all of the brothers and sisters over a period of years.

Fred W. Nolting was born July 10, 1869, at the family homestead west of this city and where he grew to manhood, being engaged in farming for his lifetime. He was married on December 9, 1897, to Miss Wilhelm Steppatt. The family continued to make their home on the farm west of Plattsmouth until in 1911 when they moved to the present home south of this city on the Rock Bluffs road and where they have since resided.

Mr. Nolting is survived by the widow, two daughters, Mrs. Grace Heitzhausen, of Billings, Montana, and Mrs. Ella Spangler of Murray. Mr. Nolting was a member of the St. Paul's church here for a number of years but later affiliated with the First Presbyterian church of which he was a member until the end. He was a member also of the local lodge of the Sons of Herman.

The passing of this good man removes a well known and honored figure in the life of the community and one who will be greatly missed by the large circle of friends and acquaintances that he has made in his lifetime spent here. In their loss the family will have the depth sympathy of the old friends and neighbors.

Plattsmouth Ladies in Wreck on West Coast

Two of the Daughters of Judge and Mrs. Allen J. Beeson Injured Near Long Beach.

From Tuesday's Daily Judge and Mrs. Allen J. Beeson, who are visiting here for a few days, received a message today of an auto accident in which two of their daughters, Mrs. Grace Snow and Mr. and Mrs. Robert M. Snow, were injured. Mr. and Mrs. Snow with Mrs. Grace Snow were motoring some ten miles from Long Beach and passing a large ranch when a car was driven out of the ranch on the highway and apparently a driver that was unable to control the car. Seeing the approaching car with the Snows in it, the driver had become confused and instead of applying the brakes as should have been done, he evidently stepped on the gas and crashed into the car of Mr. Snow. In the impact the door of the Snow coupe was opened and Mrs. Grace Snow thrown out on the paving and for some distance and the ranch car plowed into the coupe, almost demolishing it. Mr. and Mrs. Snow were bruised and suffered minor injuries in the wreck but the injuries of Mrs. Grace Snow were more severe and she was taken to the hospital where an examination was made for possible skull fractures. It was thought that an operation might be necessary to prevent a blood clot but as the accident occurred Friday and no further word has been received it is thought that this was not found necessary.

Mrs. R. H. Snow was formerly Miss Helen Beeson, youngest daughter of the Beeson family.

Showers Bring Relief in Eastern Nebraska

Storm Tuesday afternoon Varies in Many Sections of Cass County—Almost an Inch Here.

The long drouth and extreme hot weather that has gripped this part of the west for the past sixty days, was broken Tuesday afternoon when the much desired rain came in the shape of showers over a wide area in eastern Nebraska and western Iowa.

The rainfall here was .90 of an inch, the heaviest rain that has fallen since in early May and proved a great relief to vegetation of all kinds and gardens and lawns were greatly benefited in the city.

The farmers south and in the territory from here to Cedar Creek report a good rainfall that has been most beneficial to the corn which was getting in very critical condition as the drouth was taking toll of the subsoil moisture.

Residents of the Murray locality report that the rainfall was generous there, the rain being heavy in many places and at the George M. Melsinger farm was one of the heaviest for many months. West and northwest of Murray the rain was also heavy and of immense value to the growing crops.

In the vicinity of Murdock two inches was reported as having fallen. Only a slight sprinkle at Alvo with over an inch and a half at Eagle. Weeping Water also had a fine rain and at Greenwood the storm was heavy with much wind and some fall, over an inch and a half of rain falling in that section.

Nebraska City had some three inches of rain and Shenandoah, Iowa, reported over four inches falling in a short time and almost reaching cloudburst proportions.
