Red Sox Win from Peter Pan Team Sunday

Locals Turn Back Bakers by the Score of 14 to 10—Three Home Runs During Contest.

The fans were treated to what proved to be a hard fought struggle Sunday afternoon at the local Athletic park when the Red Sox won from the Peter Pan team of Omaha by the score of 14 to 10.

The game opened with the Sox taking a decided lead, they scoring two runs in the opening inning, one of these being a home run by Svoboda, while in the third frame they added three more to the scores, one of these being a circuit clout by Stone, hard hitting outfielder of the locals.

The visitors started a rally in the fifth when Sylvester, who had pitched a fine game, showed the effects of his recent illness and was hit hard and which with two walks netted the Peter Pans a total of six runs to make the score stand eight to six for the locals.

In the seventh inning Harry Newman, Sox shortstop, nailed one of Bryant's offerings for a home run, the third of the game. The Red Sox in the eighth inning proceeded to score five runs and stepping out in front with a lead that was large enough to permit their victory, as Kizzier held the bakers to four runs or a total of ten.

Bruce Wells, well known driver of the Peter Pan truck was the main stickler of the visitors with a triple in the fifth.

WARRING ON MUFFLERS

The police of the city are waging a war on the practice of trucks operating through the city with their cut outs open or without any mufflers, producing a great deal of noise and which has brought the city officials a storm of protest.

The trucks moving to and from the Omaha markets with cattle and stock, usually make their trips in the night and the roar of the trucks without mufflers along the avenues and streets has proven a disturbing factor to the residents along these highways and makes rest almost out of question in the rush of the heavy traffic.

The city council at their last meeting instructed the police to see that the trucks traveled with the mufflers closed or that they be brought in to tell the story to Judge Graves as to the why and wherefore of the noise.

ENJOY PLEASANT EVENING

From Tuesday's Daily
Last evening Mrs. Maude Fricke was hostess at a very pleasant informal evening in which she entertained the mothers of the Boy Scouts who have just returned from their "gypsy outing," as well as the boys themselves. The event was held at the C. C. Wescott home and the ladies enjoyed the evening in the interesting stories of the trip that were given by the Scouts and in describing the places they had visited. At an appropriate hour refreshments were served to add to the pleasure of the occasion. Those who were present were Mrs. C. A. Rosencrans and Billie, Mrs. Robert Reed and Warren, Mrs. Frank M. Bestor and John Kenneth, Mrs. E. A. Webb and James and Mrs. Fricke and Frederick.

Boy Scouts are Home from Southern Trip

Tour Cut Short by Death of Mother of One of the Boys, John Warren Stander.

Sunday afternoon the auto caravan of Boy Scouts that have been enjoying a three weeks tour of the east and south, returned home, the party having their trip curtailed several days by the fact of the death of Mrs. P. C. Stander of Louisville, mother of John Warren Stander, one of the members of the party.

The group had been camping in the vicinity of Atlanta when they received the message that had been sent to Rev. Robert Murphree, Louisville minister, the sponsor of the expedition. As soon as the message was received the party started on the homeward trip and made good time through Mississippi, Tennessee, Kentucky and north to Cairo, Illinois, near where they made their last stop. They drove continuously all day Saturday and Saturday night, crossing the Mississippi river at St. Louis and thence west across the state of Missouri, passing through Kansas City early Sunday morning and the only stop was a brief halt at Falls City, thence on to Plattsmouth and Louisville.

All of the members of the party felt saddened at the sad news that had called their associate back home. The party reached here at 3 o'clock Sunday afternoon and the Plattsmouth group, Billie Rosencrans, Jimmie Webb, Frederick Fricke, John Kenneth Bestor, and Warren Reed, were unloaded at the Texaco station in the south part of the city while the remaining members of the party of thirty-two continued on the Louisville where they reside.

The party had a fine time and all return feeling well and hearty and have had the pleasure of a fine tour of Washington and portions of the old south, their principal stop outside of Washington being at the camp near Atlanta.

REMOVING TO DES MOINES

Mr. and Mrs. A. S. Ghrist, who have made their home in this city for the past several years, are leaving this week for Des Moines, Iowa, where they will make their home in the future. Mr. Ghrist some time ago disposed of his furniture store in this city to George L. Farley and the family will return to Iowa where they resided prior to coming to this city. Mr. Ghrist has been an active figure in the community as a member of the civic bodies and also active in the Rotary club. PESTS DESTROY CROPS

Mr. and Mrs. Leland Briggs and two younger children and Redmond Albaugh, of Winner, South Dakota, arrived from their home Sunday and Mrs. Briggs and the children are visiting at the Glen Neil home at Wahoo, while the gentlemen are attending the Plymouth school being held at Omaha this week. The residents have battled the pests but without success and face a complete loss of crops.

Rev. Wichmann to Take Charge on West Coast

Pastor of St. Paul's Church in This City to Accept Call to Church at Pomona, California.

Rev. O. G. Wichmann, pastor of the St. Paul's Evangelical church in this city for the past eight years, is to become pastor of the St. John's church at Pomona, California. The resignation of the popular local pastor has been announced to the members of the church here.

Rev. Wichmann came to this city eight years ago from a long service in the churches at Denver and through the mountain states and he has been an untiring worker in the church here since that time.

During the pastorate of Rev. Wichmann he has been a very successful and active junior church organization that has added much to the interest and life of the church and one that has brought many young people into the membership and life of the church. In all lines of church activity Rev. Wichmann has been a leader and developed the interest in the church and its work that has made the St. Paul's church one of the leaders in the religious life of the community.

With his extensive program of church work and activities the pastor has found time to be a factor in the community life at large, being interested in the Chamber of Commerce and other lines of civic activities and when called upon has served in many of the projects that have been undertaken in the city during the years that he has been here.

The departure of Rev. Wichmann from the city will be regretted by the very large number of friends that he has in all walks of life and his personality and untiring efforts will be greatly missed by the friends both in the church and in the community at large.

The pastor will remain here for some time yet, completing the arrangements for his removal to the west coast to take up the charge at Pomona. He has just recently returned from that city where he completed the arrangements for the acceptance of the call to the church.

The quarries were operating lightly for several weeks but it is hoped now that they will be operated at full capacity. The residents of Nehawka have been much interested in the report that other parties were looking into the rock supply in that section of the county and the promise of another quarry being operated there is apparently being considered.

Local Man Has Car Smashed by Cattle Truck

John Nottleman of South of This City Has Close Call from Injury in Accident Last Night.

From Wednesday's Daily
John Nottleman, well known farmer residing near Rock Bluffs, narrowly escaped injury early this morning when his car was sideswiped by a hit and run truck driver.

The collision occurred just south of the Platte river bridge on highway No. 75 when Mr. Nottleman was en route from Omaha where he had taken a son to a hospital for treatment.

The truck was coming from the south and at a good rate of speed and as it passed the car of Mr. Nottleman it tore off the fenders on the left side of the car and smashed all of the glass on that side of the car, strewn glass over the interior of the car, but fortunately not injuring the driver.

Mr. Nottleman drove the car on into the city and reported the collision to the night police and who called Sheriff Sylvester, who at once responded and with Mr. Nottleman started in pursuit of the truck, going clear to South Omaha where the assistance of the police was secured and a check made of the long line of cattle trucks awaiting to unload at the stock yards.

There was no sign of the truck that had caused the damage to be found at the yards and the driver apparently had decided to take cover for the present to avoid being apprehended.

Wildcats Take Second Place in National

Defeat American Legion Team by Score of 12 to 11 in Well Played Game Last Night.

From Wednesday's Daily
The Wildcats, who have been in a six way tie for the second place in the kittenball league, last evening moved up into undisputed hold on this position, the other teams to tie for third being the Red & White, Presbyterians and Petzer Co., while the Legion sank to fourth position.

The Wildcats met the Legion to win 12 to 11 in one of the best staged games that the loop has witnessed and which was free from argument, both teams playing some excellent ball.

While the Legion outdid the Wildcats, the smashing blows of the Cats came for extra bases and at times when it was possible to score heavily.

Both teams were scoreless in the opening inning, but in the second the Cats proceeded to ring up a total of five, Timm opening with a hit and Jack Forbes and Taylor were on the bases when Ronne connected with one of Reed's specials and put the ball far into the field for a home run.

With the score five to one against them the Legion in the third proceeded to take five scores as the result of a pass to Hutton, hits by Pat Reed, Fullerton, Westover, Wichmann and Taylor.

The Cats were not to be held, however, and in their half of the third brought in three more runs that gave them a lead that was never headed by the veterans, as the Cats added three more in the fourth.

With the score 12 to 9 in the opening of the seventh the veterans staged a rally that at one time threatened to tie up the game but the work of the Cats' outfield made outs of what seemed good for hits and the game was over.

The tabulated score of the game was as follows:

SEEKING FEDERAL AID

Nebraska City which has had a situation similar to this city on the matter of a city "dump," is to seek federal aid in eliminating this troublesome problem. The city commission of the Otoe county city is seeking the co-operation of the federal government to secure funds that would permit the erection of a municipal incinerator to dispose of the refuse. The "dump" at Nebraska City as here is located along the river front and has been the object of a great deal of criticism in the past years from those who reside near the scene as well as the general public that objects to the location in the front yard of the city waterfront. This question has also added gray hairs to the members of the Plattsmouth council and if federal aid would be possible it would allow the solving of the question for all time in the proper and sanitary method of disposing of refuse that now finds its way to the dump.

HERE FROM KANSAS

Miss Margaret Steinhouser, of Hiawatha, Kansas, is in the city as a house guest of Miss Constance Rea, expecting to enjoy a visit of a week in this city and vicinity.
