

Nehawka

Clovis Day, of Plattsmouth, was a visitor in Nehawka for a time last Monday, looking after some business matters.

Mrs. Edna Shumacher, who has been very sick for the past few days, is at this time reported as much improved and able to be about again.

R. C. Bailey and wife and their son, Edward Bailey, of Waterloo, were guests for the day last Sunday at the home of Mr. and Mrs. W. O. Troop.

Mr. and Mrs. Stuart Rough were visiting for a portion of the day last Sunday in Omaha, driving over in their car for the day and stopping for a short time in Plattsmouth.

Mr. and Mrs. Arno Wessell, who have been visiting here for some time past, departed on Monday for their home in Des Moines, after having enjoyed their short vacation to the fullest extent.

Max Raines, of Weeping Water, at the meeting of the Four H clubs at Bellevue won the swimming contest, although but fourteen years of age. He is an excellent swimmer and an all around athlete.

Miss P. C. Cunningham, of Norfolk, has been enjoying a visit at the homes of Albert Anderson and J. H. Steffens for the past week and on last Friday evening, they, with a party of friends, enjoyed a picnic supper.

The Pleasant Hill Neighborhood club held a very pleasant picnic and swim at the Graham Mills a short distance north of Nebraska City on last Sunday, at which there was a large gathering of the members and their friends.

Miss Lannie McReynolds departed for the west last week and will assist on the ranch of her brother, Elmer McReynolds, near Alliance. This is where the McReynolds brothers are interested in farming, the farm being managed by Elmer.

Mrs. James McVey, who has been at a hospital in Omaha for some time past, where she has been receiving treatment and under observation prior to undergoing an operation last week, was able to return home last Sunday and is making fair progress towards recovery of her health.

Will H. Kruger, who has been at the Veterans' hospital at Lincoln for some time, receiving treatment, returned home for a period of rest and recuperation, after which he will return to the institution for further treatment. Mr. Kruger is feeling a great deal better as a result of his treatment.

Mrs. Alice Plybon and Mrs. Chester Plybon entertained last week at a very nice shower, which they were giving in honor of Mr. and Mrs. Harold Plybon. Mr. Plybon and Miss Blauvina Bobbitt were married on June 6th. A splendid time was had and many beautiful and worthwhile gifts were presented as tokens of the high esteem in which this young couple are held.

Mr. and Mrs. J. G. Wunderlich were guests for a short time on last Sunday at the home of Mr. and Mrs. J. W. Rhuga, southwest of Weeping Water, where they drove for a few hours in the afternoon. Returning, they were surprised to have their daughter, Mrs. C. A. Rosencrans as a visitor, as she had been in attendance at a meeting of the American Red Cross in Union, after which she had driven over for a short visit with her parents.

All Enjoy Visit

James M. Dunbar and wife and their son, James and wife, of Auburn, were visiting in Nehawka for a short time on last Sunday, when all departed for Lincoln, where they were guests for the remainder of the day at the home of Carroll D. Quinton and family. Speaking of the crops, Mr. Dunbar said that there was an appreciable difference between the crops of Cass county and those of the vicinity of Auburn, as there were signs of deterioration in Nemaha county and that good moisture was badly needed.

At the beautiful country home of Mr. and Mrs. John W. Murdock was held last Sunday a very pleasant gathering of the Wessell family in this section, there being more than fifty of the relatives who had come together to renew associations and to enjoy a good time.

The families of the Wessells and Schlichtemeiers were present and a splendid time was had, with a wonderful dinner in which all contributed and which all enjoyed. Among others, Arno Wessell and family, of Des Moines, were present, who had been visiting here for some time from their home in Iowa and as well the family of Dr. Miller. Mrs. Miller was formerly Miss Velma Wessell, they making their home at San Diego.

They have held their meeting at both Beatrice and Lincoln in the past and will meet at a midway location this year and also arrange for the meeting of the coming year at the same time.

Hold Family Meet Sunday

At the home of Mr. and Mrs. Ben Olive was held last Sunday a gathering of the Sheldon family, at which time all enjoyed the occasion very pleasantly.

It is the practice of this family to get together once a year to enjoy the recounting of incidents which have interested the members of the family and renew associations and prepare for the coming meeting, and this was without exception most thoroughly enjoyed by all. There were there from Nehawka and vicinity, Conant Wolph and family, Mrs. Gertrude Wolph and daughter, Miss Evelyn, Joseph Anderson and family, George Sheldon and family, Mrs. Frank P. Birthday Surprise.

Frank M. Massie of Mt. Pleasant precinct was surprised Sunday by a group of relatives who called on him to help him celebrate his 79th birthday. While the birthday did not occur until Monday the 31st, Sunday proved a very convenient time.

Mr. Massie has lived in Mt. Pleasant precinct since 1860, coming with his parents from southern Ohio, down the Ohio river, up the Mississippi and Missouri river to the town of Rock Bluffs where they left the steamboat and went by wagon drawn by oxen to the home on the prairie. Straggling bands of Indians and deer were not uncommon in those days of Cass county.

He has resided in this country for 73 years and became the possessor of the farm on which he lives in 1873.

The plans to surprise Mr. Massie were laid by Mrs. Will Gilmore of Nebraska City and Mrs. Phillip Tritsch, his daughter, of Cedar Creek. Refreshments were in abundance and a very enjoyable afternoon was spent.

Those present were: Mr. and Mrs. Albert Shellhorn, Louisville; Mr. and Mrs. Will Gilmore and son, Olaf, Nebraska City; Mr. and Mrs. Chester Stohman, Louisville; Mr. and Mrs. P. E. Tritsch, Louisville; Dr. and

Judging Teams Enter into World Competition

Three to Represent Nebraska in the Judging Contests at Regina During Present Week.

Three Nebraska judging teams are entered in international judging competition in Regina, Canada, during the present week. They include the University of Nebraska team and two former 4-H state and national champion teams from Valley county.

Prof. A. L. Frolik, instructor in agronomy at the agricultural college at Lincoln, left with his Nebraska university team Wednesday of last week. Included on the team are Roy Blazer, of uncan, Elver Hodges, of Lynch, and Gerald Mott, of Hastings.

In the junior and intermediate contests, County Agent Carl Dale, of Ord has two teams representing Valley county. Both have won state and national 4-H titles. The 1930 winners will compete in the intermediate contest. Team members are Bill Garnick and Harold Beon, Ord, and Elmer Heyne, West Point.

Dale's 1932 winners at Lincoln and Chicago in the 4-H divisions will represent Nebraska in the junior class at Regina. Valerian Clochon, Elyria; Bud Brickner and Charles Barnhart, Ord, are on the team.

Nebraska's representatives in the Canadian contest will win considerable prestige if they cop high honors, as teams from many countries are entered.

WANTS ALIMONY IN 'LUMP'

Omaha.—Lorraine L. McCord, divorced first wife of James McCord, scion of the former wholesale grocer's wealth, Hallack McCord, filed an amended petition in district court Monday asking that alimony of a definite "lump sum" be fixed by the court.

Mrs. McCord alleges alimony payments have ceased since May 1 of this year. She had made previous temporary agreement to accept from \$375 per month to \$250 per month. The "lump sum" demanded by Mrs. McCord is described as the family property in the wealthy west end residential district.

\$850,000,000 Security Issue is Quickly Taken

Seen as Another Indication of Improvement in Business—Issue Is Oversubscribed.

Washington, July 31.—Taking the first opportunity to join the government in its industrial recovery program, investors today sent in enough subscriptions to cover the \$50 million security issue offered for sale this morning by the treasury.

At the close of the day, Dean Acheson, the acting secretary, said the subscriptions indicated both the 500 million dollar bond issue and the 350 million dollar note issue had been oversubscribed.

The treasury offered the eight-year 3 1/2 per cent bonds in denominations as low as \$50 with the promise from Secretary Woodin and Acheson that every small investor who asked for 10 thousand dollars or less of the bonds would have his order filled. The treasury was undecided late today whether to close subscriptions at once.

Will Retire Bonds.

The sale of the securities was intended to give the treasury 400 million dollars in new money on August 15, when they will be issued. The notes will run for two years and carry 1 1/2 per cent interest.

The government will use the proceeds of the bond sale to retire 469 million dollars of maturing certificates which fall due on August 15 and in addition will issue enough bonds to take care of any of the 451 million dollars of certificates which mature September 15 that are offered for payment.

\$1,000,000,000 Cash Balance.

Officials said they had expected the bond and note issues to meet popular approval and pointed to the heavy subscriptions as another indication of improvement in the nation's business.

Acheson said the issues "were going over very well and both will be oversubscribed."

The sale of the securities is expected to enable the treasury to have a cash balance in the general fund on August 15 of more than one billion dollars to meet any expenditure that may arise in the recovery program.—World-Herald.

FLAYS WICKERSHAM REPORT

Chicago.—Charges that the Wickersham commission, in its study of law enforcement, had returned a report based on "misrepresentation, garbled statements and distortion of truth to the president of the United States" were made at the international association of chiefs of police in annual convention. The accusations were contained in a paper presented by A. J. Roche, commissioner of police of Buffalo, N. Y., member of a committee appointed to investigate the report of the Wickersham commission.

The Wickersham commission's report, Chief Roche declared, amounted to a "general indictment against policemen in particular and law enforcement agents in general."

"I am convinced," he said, "that the public indictment of policemen was unfair and has done no good." Chief Roche said one of the flaws of the Wickersham report was that it made a number of charges but offered no suggestions to bring about better law enforcement.
