MARRIED IN CALIFORNIA

The many friends of Mrs. Jean Askew, daughter of Mr. and Mrs. E. Askew residing near Weeping Water, Nebraska, will be surprised to learn of her marriage Oct. 1st to Mr. P. L. Nelson of Oakland, Calif.

Miss Jean, accompanied her niece Miss Wilma Abel home last May where she had a brief visit with Wilma's parents, Mr. and Mrs. Branson Abel of Oakland. Then since she has been employed up till a few days preceding the wedding.

The wedding, a very quiet one was solemnized Sunday, Oct. 1st, at 2 p. m. by Rev. Stephens, pastor of the Methodist church, at the home of Mr. and Mrs. B. Abel. Only a few intimate relatives and friends were present.

Mrs. Abel, a sister of the bride, acted as bridesmaid and Mr. Abel as best man, dressed in a suitable attire for the occasion with a bouquet of white gardenias.

The bride wore a beautiful gown of blue velvet with corsage bouquet of rosebuds. The groom was dressed in a business suit of gray.

A 6 o'clock wedding dinner was served at the home, consisting of roast turkey and everything that goes with it to complete the dinner, not forgetting the beautiful wedding cake.

The table and home was decorated with asters and the couples present all wearing a bouquet of white gardenias.

Mr. Nelson was not a stranger to Miss Jean as they had known each other for almost twelve years. They will reside in Oakland where the groom is employed. On account of his employment their honeymoon vacation is only a brief one, being spent nearby.

Those here join the many friends and relatives there in wishing this highly esteemed couple a long and happy wedded life.

WILL APPEAL AWARD

The board of appraisers, D. Ray Frans, W. G. Boedeker and John F. Wehrlein, who appraised the land belonging to the Merritt Sand & Gravel Co., Saturday, have filed their return in the county court. The appraisers set the amount of damages to be recovered as \$1,650 for the land condemned for road purposes by the state of Nebraska. The sand and gravel company have given notice of the appeal from the award, claiming that the special kind of sand found there makes the land more than usually valuable.

The appraisers will look over the Stull farm on Wednesday and estimate the damage there in the construction of highway No. 75 through a part of the Stull farm and hence through the Merritt property.

IN MEMORY TO HUMPHREY MURPHY

"Farewell," you vanished from our sight,
'Tis hard to take the burden up
Where you have laid it down.
You brightened all the joys of life
And softened every frown.
But O, 'tis good to think of you
When we are troubled sore.
Thanks be to God, that such have been,
Although you are no more.

Oh friend of mine bound for the light,
They watch you from the other side.
All joy and blessing go with you
Who go to God. Farewell.
Adieu. —A Friend.

PROCESSING TAX ON MILK

Washington.—Secretary Wallace called a hearing for Oct. 16 to determine rates of a processing tax on milk and its products and competing products to provide funds to finance a comprehensive production control program for the dairy industry. Wallace said he has reason to believe that if the tax on milk and its products, including butter and cheese, were based on the usual formula for determining processing tax rates that the levy would be so high that it would have the effect of retarding consumption and would result in an increase of the surplus. Under the farm act when a tax at a lower figure than the difference between current average farm prices and "parity" prices based on prewar prices is desired, a hearing must be called.
