TOO TOLERANT OF CRIME

Washington.—Tolerance of the American people was called by Judge Marcus Kavanaugh of Illinois the main ally of the criminal in the United States. Addressing the national anti-crime conference, the Cook county judge advocated reform of the courts, changing of prisons from "club houses" to real penal institutions, eradication of political influence over justice and "return to the old time reverence of almighty God" as the answer to the crime situation. He also expressed belief that where flogging of prisoners is permitted physical pain punishment is the greatest deterrent. A few hours before the first of the conference's committees to submit a report had recommended flogging for those convicted "of more serious crimes."

Judge Kavanaugh described the criminal lawyer as the most active ally of the bad man or woman, with "the verdicts of juries under the guidance of the criminal lawyer often a shame to the public."

GOVERNOR BRYAN HERE

From Tuesday's Daily Governor Charles W. Bryan was for a few hours today a visitor in the city, stopping here for the noonday luncheon while on a recreational auto trip through southeastern Nebraska. Governor Bryan had enjoyed a visit in Nemaha and Otoe counties and on the way back to Lincoln made the trip through Cass county.

The governor is feeling fine and has enjoyed very much the pleasure of being out after months of illness and has taken the opportunity of a few hours away from the exacting duties of his office to view the beauty of Nebraska in the glory of October.

From this city Governor Bryan motored to Louisville to view the state park at that place which has been greatly beautified the past summer by the young men of the C. C. C.

FACULTY PROGRAM

Plans for the program to be presented at the high school Tuesday evening of next week are rapidly nearing completion. A number of outstanding musical numbers are being prepared under the direction of Miss Williams including one of the largest chorus numbers ever presented at the high school. Trisch & Garnett have been busy for the past two weeks delving into the farthest recesses of their imagination for new ideas for their comedy number. The faculty play cast for "Ambition" a one act drama began rehearsals last week under the direction of Mr. Figley. A complete announcement of the program in detail, listing all of the numbers will be made later in the week.

HAS TONSILS REMOVED

From Tuesday's Daily This morning C. E. Ledgway, clerk of the district court, was operated on for the removal of his tonsils, the operation being performed at the office of a local physician. The genial clerk of the court will have to remain on the inactive list for the next few days until the throat is healed up and will permit him resuming his usual activity. He has been troubled from the tonsils for some time and it is hoped that the operation may give him the desired relief.

STILL QUITE POORLY

Hans Selver, veteran custodian of the court house, is still quite poorly at his home in this city, he having been suffering from a severe attack of the flu that has confined him to his home for the past week. During his illness the work at the court house is being handled by John Kopp and Sanford Short, they each working a part of the week at the county building.

CARD OF THANKS

We take this means of expressing to the many kind friends and neighbors, our deep and lasting appreciation of the many acts of kindness shown us. These deeds and the words of sympathy in the hour of our bereavement will long be remembered. We wish also to thank those who took part in the funeral and for the floral remembrances.—The Children of David Wallengren.

**Death of John
Schwartz, Former
Resident Here**

Passed away Sunday at U. S. Veterans' Hospital at Lincoln following Long Illness.

The death of John Schwartz, 36, former Plattsmouth resident and world war veteran, occurred Sunday afternoon at 3:30 at the U. S. Veterans' hospital at Lincoln, the death following a long illness from heart trouble and in which the patient has gradually been growing worse.

Mr. Schwartz was a son of Mr. and Mrs. Albert Schwartz, long time residents of this community and where he was born and grew to manhood. The deceased received his education in the schools of this city and when the world war was entered by the United States he enlisted in the services of his country, joining Co. C of the Fourth Nebraska national guard. He was sent south to New Mexico with his regiment which was later re-organized into the 127th field artillery. While in the service the health of Mr. Schwartz commenced to fall and steadily grew more severe, more severe.

The deceased following the war was engaged here in the local railroad shops for some time, but for the past ten years had made his home in Omaha. He is survived by the widow and two children, as well as the aged father and three sisters, Mrs. Josephine Byers, Glenwood, Mrs. Henry Lutz of this city and Mrs. Lena Chinpinsky of Omaha.

CELEBRATE ANNIVERSARY

Mr. and Mrs. H. J. Thiele, of Nehawka, were given a real surprise on last Saturday evening at their home, the event being in honor of the twenty-fifth wedding anniversary of this estimable couple. Mr. and Mrs. Thiele were married at Lincoln on October 14, 1908, and had planned on a very quiet observance of the occasion by motoring to Omaha with another couple, to enjoy a show. Mr. and Mrs. Thiele had hurried their work to be ready to leave early Sunday evening, but the friends delayed arriving on the scene, until at 7.45 some twenty cars appeared, driving in a row along the highway and turning in at the Thiele place, horns sounding and a general demonstration. This gave the guests of honor the realization that they were to enjoy a real surprise. The friends, some sixty-five in number with arms loaded with good things to eat, entered the home and shouted their greetings to the surprised host and hostess.

The evening was spent most delightfully in visiting and a general good time and it was one of the happy days in the life of Mr. and Mrs. Thiele to learn of the esteem of their friends and neighbors. As the guests entered the home a bouquet of roses was presented the happy bride and groom of twenty-five years ago, while during the evening one of the distinguished members of the party also presented a token as a remembrance of those who had originated the anniversary.

Late in the evening the luncheon was served of sandwiches and many varieties of cake with coffee to make complete a very delightful time.
