Home State Bank of Humboldt Robbed This Morning

Three Men Enter Bank at Opening Hour and Stick Up the Officers and Several Customers.

From Wednesday's Daily The Home State bank of Humboldt, Richardson county, was stuck up and robbed this morning of \$1,500 in cash, the robbery occurring at the opening time of the bank.

The employees had arrived at the bank and placed the cash, \$1,500 in the drawers and on the counter for the day's business when the robbers struck.

Three of the bank employees and several customers were in the bank when three men entered and in a business like manner advanced to the counters and ordered the bank officials as well as the customers to retire to the rear of the bank compartment and lay down, the order being promptly complied with.

One of the men gathered up the money in sight and as the safe was not yet opened did not bother to force the opening of the safe. Two of the bank employees were taken in charge by the robbers and forced to accompany them, being taken to the edge of town where they were released.

The robbers were cool and business like in their work and in a few moments had committed the robbery and were on their way.

No trace of the robbers had been received altho the alarm was given at once following the robbery.

The description of the bandits is said to resemble those of the trio that robbed the Merchants National bank of Nebraska City last week.

This makes three bank holdups in the state within a week, the bank at Nebraska City last Wednesday and the Security State bank at Norfolk on Friday. The sum of \$5,000 was taken in the Nebraska City holdup and \$10,000 at Norfolk.

CHICAGO PROSPERS BY FAIR Chicago.—A Century of Progress— a 400 million dollar idea. This was the answer of the Chicago Association of Commerce to those who ask what value an inspiration can be.

For the fair, whose success has matched the courage of its promoters, has brought that amount, 400 millions, to Chicago in less than five months and has made this city one of the brightest spots on the American economic map.

The figure, released for the first time as the exposition nears its closing date, Nov. 12, was called "conservative" by Paul Kunning, trade promotion director of the association. He said: "The fair has brought millions of new money to Chicago. The money has been spent here by out of town visitors. We base our figure on conservative estimates of business leaders of the city and on careful surveys of our own experts."

ACQUIT FARMER OF KILLING Aberdeen, S. D.—Paul Lucas, farmer near Rudolph, was acquitted of a charge of manslaughter which grew out of the slaying of John Morrow, 11 years old, who was shot to death last July when Lukas fired a shotgun at intruders he believed were stealing his chickens. Judge Van Buren heard the case without a jury, the first instance on record here in which a major felony was tried under such circumstances. Judge Perry, in announcing his decision, declared "one would not be justified in shooting a mere trespasser, but I am unable to subscribe to any doctrine which would mean a farmer must stand by passively while his property is being stolen."

STILL UNDER THE CODE Washington.—A regulation issued by Hugh S. Johnson cut still further the classes of employers in towns under 2,500 who are exempt from all code rule. To protect dealers in lumber, building materials, specialties and supplies, and coal in larger communities from competition at the hands of dealers using high speed truck delivery from the villages, all firms engaged in these businesses remain under codes regardless of the size of their town.

RUMORS OF KINGLY MATING Bucharest, Rumania.—While King Carol of Rumania met with King Boris of Bulgaria at Ruse rumors circulated thru the capital that Boris' sister, the Princess Eudotia, was being mentioned in their conversation. It was recalled that there was much talk two years ago over the possibility of a Carol-Eudotia marriage. Prigress Eudotia is nearly 36 now.

OMAHA LAD FATALLY SHOT

Omaha.—Vernon Smith, 12, of Omaha, was shot and fatally wounded Tuesday night while he was exhibiting a revolver to John Shively, 14, a playmate.

Vernon died twenty minutes after he had shot himself in the neck. John told police that Vernon came to his home, beckoned him to come out and when John joined him pulled the revolver from his pocket. In displaying the gun Vernon turned the muzzle towards himself. John reached for the gun, he said, and as he touched it, the gun was discharged.

Entire Bond Issue at Omaha Found Forged

City Officials Express Belief That Total of Bogus Paper Will Be \$400,000.

Omaha.—City officials expressed the belief that an entire issue of Omaha street improvement bonds, totaling \$400,000 had been counterfeited. The full extent of the forgery will not become known until Nov. 1, when interest coupons are due to be presented for payment, city heads stated.

City Comptroller Stenicka believes the entire original issue of \$400,000 was counterfeited. The city, he added, will refuse to pay on the forged coupons. The original bonds were issued in 1925 and are in strong demand.

The forgery, city officials said, came to light when a representative of a South Dakota financial house who had sold bonds to a Chicago bond concern, told the Chicago firm the bonds were forgeries. The South Dakota man returned the money he had been paid and asked that the bonds be called in. Saturday it was learned that \$25,000 worth of the bogus bonds were in Omaha. These were being called in.

Officials said the coupons on the forged bonds were excellent copies of the originals, but that the signatures of Stenicka, City Clerk Hector, the late Mayor James Dahlman and former Secretary of State Marsh on the bonds themselves, are crude and easily discernible as forgeries to those familiar with the signatures of the men. At least \$22,000 worth of the bogus bonds appeared on the Chicago market and another bloc appeared in New York, officials said.

THE HAZEL McOWEN PLAYERS A winter of fine entertainment is assured the public because contracts have been arranged for the Hazel McOWen Players to show at the Platz Theatre every Friday night, starting Friday, Nov. 3rd. Mr. Moody, the leading man and manager, tells us that the present company is by far superior to any which has so far appeared under the McOWen banner. The company has been intact for two years and are up in plenty of mighty fine shows and vaudeville. Nine months were spent at the Grand theatre in Davenport, Iowa, last year and the same productions which extended their stay in that large city will be shown here.

There are 12 people in the company and the opening play will be "The Man I Love," which is a fast, breezy comedy drama and absolutely new to this territory. The Hazel McOWen Players need no introduction to the lovers of flesh shows as their plays have always been clean and highly entertaining. The years they have played this territory is sufficient proof that the above remarks may be depended upon. Hazel and Ralph head the cast, and the others are Earl and Joye seen several seasons with the Original McOWen Players. Cecil and Ruth Phelps are headliners in their respective lines, and Mr. Mr. Phelps is known as "That Different Comedian." Dwight Merriam is the pianist and entertainer who will show you what can be done when you have to do it all yourself. The Mack Brothers are two of the fastest dancers ever seen here, and while the company was laying off last week, they were engaged to head the vaudeville bill at the Orpheum in Lincoln. Fred McCord, the advertising representatives will be seen in character parts and specialties. Fritz and Williams make up the remaining members and have charge of the productions and vaudeville.

The price is only 10 and 25c and one lady will be admitted free with each paid adult ticket. Remember the date, Friday night, Nov. 3 at the Platz theatre.

Celebrated Double Event On the last day of October, 1909, Miss Lydia Sudduth and Carl Nickies were united in marriage and on the same date in 1916 their son, Arthur, was born. The two occasions falling on the same date on the calendar, a double celebration was held Tuesday evening, of the 24th wedding anniversary of the parents and the 17th birthday of the son. A very pleasant time was had with guests present from many places in the county, all joining in wishing a long and happy life to this couple and their son. Mr. and Mrs. Nickies and family have made their home west of this city for a number of years and are highly respected by all who know them.
