'Germany' Topic of Rotary Meeting on Tuesday

Otto A. Wurl, Council Bluffs, Is the Speaker and Tells of His Recent Trip Abroad.

The Rotary club at their luncheon on Tuesday had the opportunity of greeting a former Plattsmouth resident, their guest speaker, Mr. Otto A. Wurl of Council Bluffs, who most entertainingly told of his visit abroad the past summer and particularly of his journey through Germany.

Mr. Wurl is the physical director of the Council Bluffs city schools and one of his chief missions in the journey to Germany was to attend the world wide trunfest which was held at Stuttgart in August. This event was one of the greatest interest to all physical culture teachers and trainers and there were representatives from all countries present during the turn fest to enjoy it.

The speaker did not discuss the political or governmental situation in the new Germany but confined his remarks largely to the country as a whole which in the late summer was presenting a scene of beauty and charm, particularly in the country districts and along the Rhine.

In his journey to Europe he was accompanied by his son, Otto Jr., who is a great student of English literature and enjoyed a visit through the Shakespeare country of England with the father.

The members of the club also had the pleasure of a delightful piano number given by Rev. G. A. Pahl, of the St. Paul's church, who was a guest of the afternoon.

VISITS AT BELLEVUE

Mrs. D. C. Morgan was at Bellevue Sunday where she spent the day with old time friends and attended the church services while there. Mrs. Morgan also met a former pupil, who was there visiting from Illinois, the lady having studied at the Bellevue school under Mrs. Morgan back in 1886.

Mr. and Mrs. John S. Chappel, of near Cedar Creek, were visitors in the city Saturday for a few hours to look after some business and while here they were callers at the Journal to renew their subscription.
