

Nehawka

Misses Virginia Pollard and sister, Miss Polly, were over to Omaha on last Thursday where they were visiting with friends.

Walter J. Wunderlich of the Bank of Nehawka was a visitor in Omaha last Monday, where he was looking after some business in which his bank was interested.

George Troop and Mrs. Kenneth McCarthy and the little daughter of Mr. and Mrs. Troop, Phyllis, were over to Omaha on Monday to visit Mrs. George Troop, who is convalescing at the hospital there.

The football team of the Nehawka high school will go to Dunbar Friday, where they will battle with the team of that school. The boys have an air of confidence that portends the winning of this important game on their schedule.

Arthur Trunkenbolz, son of George Trunkenbolz, of Lincoln, was a visitor in Nehawka on last Monday and was looking after some business here connected with the transfer of managers of the bulk and service station which the Trunkenbolz company operates.

Ladies the Best Players

Mr. and Mrs. Albert Anderson entertained a number of their friends at a very fine supper at their home at which Frank Leman and wife and Mr. and Mrs. Robert Chapman were the guests. After a very fine supper and the ladies had had time to clear away the dishes, they engaged in a social game of pinochle, the gents playing against the ladies. And what do you suppose, the ladies won every game, showing they know as much about playing cards as they do about preparing and serving a delicious repast. Hats off to you, ladies!

Visited at the Hospital

Mrs. J. J. Pollard, who has been at the hospital in Omaha, where she is receiving treatment, is reported as showing good improvement, but it is deemed best that she remain there for some time yet. She was visited Sunday by her husband, daughter and son-in-law, J. J. Pollard and Mr. and Mrs. Taft Pollard and they found the wife and mother feeling greatly encouraged over her improving condition and glad to have the pleasure of their visit.

Attended Football Game

Raymond C. Pollard, Sterling Ross and Bernell Adams made up a party of football fans who went to Lincoln on Armistice day to root for the Nebraska Cornhuskers and help cheer them on to a well earned victory over the team from the Sunflower state and the Big Six championship as well. They have great faith in the team from Nebraska winning over any team against which they may be pitted and say Coach Bible has built up a fine grid machine.

Superintendent Stimbert of the Nehawka schools, with his troop of Boy Scouts were also over to take in the game and all Lincoln and the crowd from outstate were convinced that this gentlemanly group of Boy Scouts and school boys from Nehawka were enthusiastic supporters of the team representing their home state.

Nebraska meets Pittsburg Saturday of this week on the eastern school's gridiron and despite the fact that some of their best men will be out of the lineup on account of injuries, may be expected to hold the eastern team that is rated so highly. Last year's game between these two teams resulted in a tie, being the only team

Pittsburg failed to win during their regular playing season. As a result of their fine record the Pitt team was selected to play in the Rose Bowl tournament at Los Angeles on New Year's day. According to the wishes of Pittsburg, the game this coming Saturday will not be broadcast, much to the disappointment of Nebraska fans who had hoped to listen to the play-by-play account of the game.

Entertained Her Little Friends

Little Mary Ann Summers, who is a member of the Camp Fire Girls and an enthusiastic worker in that organization which does so much to teach girls the things that will stand them in good stead all along life's pathway, entertained the members of the camp at her home in Lincoln on last Monday at a delightful supper.

Not Enough to Hold School

The chicken pox and whooping cough epidemics which have made deep inroads on school attendance, especially in the lower grades, so cut the attendance in the room taught by Miss Rainey that there were not enough pupils present two days last week to hold classes. However, with the opening of school Monday, there were five present and enough to hold school.

Enjoyed Visit of Son

The Rev. E. S. Pangborn, pastor of the Methodist churches at Weeping Water and Nehawka, and his good wife were enjoying a visit last week from their son who makes his home in Kansas. The son had been working rather steadily and his company gave him a vacation with pay and also provided him with expense money to visit the parents and attend the Kansas-Nebraska football game last Saturday. After spending a few days with the parents, Rev. Pangborn took the son to Lincoln, where the latter attended the game, but the father had to hasten home to prepare for the task of ministering to the Weeping Water and Nehawka churches the following day.

Change in Management

Taft Pollard, who has been manager of the Trunkenbolz Oil company interests in Nehawka, has purchased a number of trucks for the hauling of gravel and rock from the quarries and resigned his position with the oil company. The position has been filled by the transfer of Claude Lane, who held a similar position with the company in Union for a number of years. Mr. Lane was checked into the new position this week and is now in full charge of the company's business here.

The Pollard Quarries

The Pollard quarries, owned by Raymond C. Pollard, and which has been leased by the Tobin Quarries, Incorporated, last week began turning out stone and have been loading two to three cars per day during the first week of operation. The manager has assured some of the citizens of Nehawka that in a few days they will be loading six cars per day with an increased force of workmen. At present the force consists of some twelve or fifteen men, but more than double that number will be required soon. The location of this quarry insures a good sized payroll that will be doubly welcome during the winter months when general employment is usually at a standstill, and much of the money received from this source will find its way into the tills of the business houses of the community, being required to supply the everyday necessities of life. The short hour shifts provided under the NRA code insure

work to the greatest number possible in the supplying of this stone for use in river development work.

Celebrated Passing of Birthday

Last Sunday being the birth anniversary of Mrs. Frank M. Massie, one of the pioneer women of Nebraska and Cass county, she was tendered a very pleasant surprise party by the relatives and friends, of whom there are many in the community. Mr. and Mrs. Massie have been residents of the community for more than half a century and have always labored for the best interests and advancement of the country into which they came to make their home early in life. They have been rewarded by seeing this broad expanse developed from a sparsely settled country into one of productive farms and happy citizens. At the gathering to honor her birthday, Mrs. Massie received the congratulations of all and best wishes for continued good health and additional years of happiness and usefulness—both for herself and her husband, who have shared life's ups and downs together for so many years.

Make Visit to Omaha

The Nehawka woman's club, numbering some thirty-five with their president, Mrs. Nelson Berger, were over to Omaha on last Thursday where they visited at the Joslyn Memorial where they were conducted through the building by Mrs. Mary Pollard Hull, and were especially pleased with the room containing the Peak wood floor which cost \$2,500 to install. They remained for the musical in the afternoon and were told by Mrs. Joslyn that the soul of her departed husband was in the old family organ which was used in the recital.

Corn Show

Friday evening, November 3, the F. F. A. chapter of Nehawka, with the aid of the Agriculture Boys sponsored a corn show at the Nehawka Auditorium.

The auditorium was decorated with large stocks of corn and pumpkins. Several amusement and refreshment booths were also located in various parts of the room.

Bingo was the fascinating game of the evening, the booth being managed by Martin Jorgensen, Sterling Ross and Billy Pierce. Many were fortunate enough to secure useful prizes.

Of course there was a large crowd gathered around the refreshment stand all evening. The refreshments consisted of popcorn, apples, hamburgers, coffee, cider, pumpkin pie and whipped cream, which was served by the Sophomore home economics girls.

In the weed identification contest George Poulos and Marion Hoback, both Sophomore Ag boys, tied with the perfect score of 100. Mrs. Paul Murdoch in the women's division identified 16 weeds out of 20.

The judge of the corn show was Mr. Irwin Hutchinson of Waverly, Nebraska, who made the following decisions:

I	Single ear, any color.....24 classes
	1st—Oscar Brandt.
	2nd—Billy Pierce.
II	10 ear White.....3 classes
	1st—Eugene Hamilton.
	2nd—Louis Ross.
III	10 ear Yellow.....28 classes
	1st—Conrad Johnson.
	2nd—Parr Young.
IV	Wheat.....10 Classes
	1st—Martin Ross.
	2nd—Carl Balfour.
V	Oats.....7 classes
	1st—L. McVey.
	2nd—Oren Pollard.
VI	Barley.....5 classes
	1st—Oscar Brandt.
	2nd—Oren Pollard.

Ribbons were given for Classes I, II and III.

The main feature of the evening was the 15 minute floor show "Harvest Moon" given at 8:30 and 9:30 by the Girls Glee club which included the following numbers:
 "School Day Sweethearts".....Glee Club
 "Fiddlers Fancies".....Marian Young and Betty Sumner
 "Dancing Darlings".....Robert Heebner and Mina Young
 "Yoo-Hoo".....Glee Club
 "Coppah Moon".....Glee Club
 "Harvest Moon".....Glee Club
 While the glee club was singing the last number the auditorium was darkened and a large orange moon formed the background of the stage which had a very pleasing effect.

A large crowd was in attendance and all reported having a good time.

From Wednesday's Daily
 Garland McClary, former high school football and basketball player, arrived here this morning and will enjoy a week or ten days visit with his brother, Maynard McClary, as well as the old school friends and associates. Garland will enjoy the last games of the high school football season while here.

NERVOUS HOLDUP GETS \$945

Omaha.—A nervous young holdup man Tuesday afternoon obtained \$945 from the Evans Model Laundry, located one block from police headquarters here. He disappeared thru a side entrance.

Brandishing a revolver as he entered the office, the man asked repeatedly: "Where's the money; where's the money?"

Miss Nita O'Connor, cashier, handed him the money box at his command while he kept M. M. Robertson, president of the firm, and several others, covered with his gun.

NEW STRIKE THREAT COMES

Detroit.—Threats of a general strike that would "tie up every shop in town" were heard in the wake of the recently-settled strike of tool and die makers in three Michigan cities. Jay J. Griffen, chairman of the joint strike committee of the Mechanics Education Society of America which called the strike, said that unless employers stop discrimination against former employees who walked out and put these men on the payroll as they agreed in the strike settlement, a general strike will be called in thirty-six to forty-eight hours.

POKER GAME WITH DOLLAR

London.—The Daily Mail said that British treasury officials believed President Roosevelt is playing a gigantic poker game with the dollar. Unable to find any trace of gold purchases by the president, the newspapers said, the British officials are inclined to think the president is bluffing and relying on the psychological effect of alleged gold purchases to depreciate the dollar.

BROTHERS RELEASED

Sedalia, Mo.—Three brothers were released from custody after being questioned in connection with the death of their brother, Ralph Murray, 27, one of a family of nineteen children, who died of a bullet wound here Sunday. They said Ralph killed himself in a fit of despondency over being unemployed.

Governor will Ask Eight Million More for Roads

Request for Federal Job Funds to Be Made at Capital Soon; Represented at CWA Meet.

Lincoln, Neb., Nov. 13.—Governor Bryan tonight said he will ask the new federal civil works administration for an allotment of approximately eight million dollars for additional road work in Nebraska. The governor will be represented at the CWA meeting in Washington Wednesday by State Tax Commissioner W. H. Smith and State Engineer Roy Cochran.

The Nebraska representatives will ask for an amount equal to its last emergency road allotment and will ask that it be used for road work, which would make a total of 16 million dollars which the state would have to build secondary roads.

Smith today accepted an invitation by Harry Hopkins, relief administrator, to head the new setup in Nebraska, but will defer notification of county committees until he returns from Washington with some definite information.

"We hope to make this fund available for road work," he said, "in connecting country districts with main highways. That would be virtually all hand and team labor, requiring little machinery and would be of most benefit to the people."

SURPRISE FRIEND

From Wednesday's Daily
 Last evening the lady members of the staff at the Nebraska Masonic Home joined in a very pleasant surprise for Mrs. John A. Libershal, formerly Miss Clara Goos and who was for several years engaged at the Home.

The ladies proceeded to the Libershal home, completely surprising the guest of honor, who after recovering from the "shock" of the surprise joined in the evening of merriment.

In honor of the occasion Mrs. Libershal was presented with a handsome gift from the friends as a token of the long association together at the Home.

Dainty refreshments concluded the evening and was much appreciated by the members of the jolly party.

MARRIED ON ARMISTICE DAY

County Judge A. H. Duxbury was called upon Armistice day to issue the necessary permit that would allow Mr. Henry F. Fielding and Mrs. Fona J. Newell, both of Omaha to wed. The Omaha parties requested the marriage be performed by Judge Duxbury and which he did in his usual impressive manner. The parties later returned to their home at Omaha to receive the congratulations of their friends.

PLEADS NOT GUILTY

Monday afternoon Edgar Poynter, Murray young man, was arraigned in the county court on a charge of driving a motor vehicle while intoxicated. The young man on hearing the reading of the complaint entered a plea of not guilty to the charge as preferred. The hearing of the case was set for Thursday morning in the county court before Judge A. H. Duxbury.

ATTEND WRESTLING MATCH

From Monday's Daily
 Last evening C. A. Rosencrans and brother, B. A. Rosencrans were at Omaha where they attended the Shikat-Brendel wrestling match at the city auditorium. Both of the Plattsmouth men are enthusiastic devotees of the wrestling game and enjoyed very much the offering of the card provided at the Omaha show place.

WOULD CUT TAX INTEREST

Omaha.—Representative Trennon Cone of Valley, urged here that Governor Bryan call a special session of the legislature to cancel interest on all delinquent personal taxes.

"I believe that would result in the collection of millions of dollars in back taxes in Nebraska," he said.

RATIFIES REPEAL

Tallahassee, Fla.—Florida's formal vote ratifying repeal of national prohibition was cast by the state repeal convention here. Florida thereby became the thirty-first state to vote repeal.

COTTONWOOD LUMBER

Save on your lumber costs. Cottonwood lumber for all uses.—L. D. Hiatt, "Basket Factory." tf-sw

SCHOOL ENROLLMENT INCREASE

The enrollment in the Plattsmouth City schools has been steadily on the increase for the last two years. This has been due to the increase in labor in the Plattsmouth territory. While the enrollment has been larger several years past the present enrollment is the largest it has been in the last six years. The larger share of this increase has been in the high school due to the large freshman class. However, there has been a considerable increase in the grades. The following is the enrollment report for November:

HIGH SCHOOL	
Seniors	68
Juniors	65
Sophomores	69
Freshmen	109
	311
JUNIOR HIGH	
Miss Weyrich, Grade 8	32
Miss Whalen, Grade 8	30
Miss Garrett, Grade 7	38
Miss Perry, Grade 7	39
	139
CENTRAL BLDG.	
Miss Hiatt, Grade 6	35
Miss Muenster, Grad 6	32
Miss Cook, Grade 5	39
Miss Prohaska, Grs. 2-4-5	35
Miss May, Grade 4	36
Miss Diehm, Grade 3	27
Miss Ault, Grade 2	26
Miss Martens, Grade 1	35
Miss Johns, Kdgt.	17
	292
COLUMBIAN BLDG.	
Miss Farley, Grs. 4-5	40
Miss James, Grs. 2-3	35
Miss Quimby, Grs. 1-2	34
Miss Johns, Kdgt.	15
	124
WINTERSTEEN	
Miss Tritsch, Grs. 3-4-5	36
Miss Tidball, Kdgt. 1-2	35
	61
Enrollment Nov. 1, 1933	927
Enrollment Nov. 1, 1932	860
Enrollment Oct. 1, 1933	917
Enrollment Oct. 1, 1932	853

ADJOINING HI-WAY CAFE

Sally: "Really? Tell me about it, Helen." Helen: "Well, as I use the car most of the time these days and actually buy the oil and gas, Dick thought it a good plan to turn the car budget over to me entirely." Sally: "How does that give you extra money?" Helen: "I have more time than Dick and have learned some surprising things about the cost of car operation. Dick thought all gas and oil sold at approximately the same price were of equal value. When the motor broke down, he considered it just hard luck and paid the repair bill." Sally: "Isn't it?" Helen: "No! It is poor motor protection. More than half the entire motor wear occurs during the few minutes of starting when the motor is cold. Only one brand of oil—Conoco Germ Processed Motor Oil—penetrates the metal so that a portion of it, nearly a quart, stays up in your motor, greatly reducing the wear. So checking back on

repair bills that were paid before I changed to Conoco, we've saved a lot of money this last year." Sally: "What about gasoline?" Helen: "To me that choice depended on quick starting—Dick used to choke the car until he was wild. It wasted so much gasoline in cold weather—ran the battery down and the nerves, too. With Conoco Bronze, the motor starts at the first turn and has power galore—goes further on each gallon and is anti-knock also. So you see how I did it?" Sally: "I certainly do, Helen—and I think you're a very clever girl!"

CONOCO
 at the sign of the Red Triangle

Full motor protection, especially in cold motor starting, can be found only in Conoco Germ Processed (Patented) Motor Oil because the penetrative oiliness, called "The Hidden Quart" stays up in your motor and never drains away.

Instant Starting and Lightning Pick-up can best be obtained with Conoco Bronze Gasoline, and without sacrifice of Long Mileage, Greater Power and Anti-Knock advantages. For cold weather starting, it cannot be excelled.

When planning a trip for business or vacation, write the Conoco Travel Bureau, Denver, Colo., America's largest Free Travel Bureau.
