The Women's Missionary society of the Methodist church held a very successful bazaar at the church basement on last Saturday, making an effort to do their part in helping provide the finances with which to balance the church budget. They also had a committee meeting at the home of Miss Maggie Greer prior to the date of the bazaar, at which the arrangements were made for this enterprise.

Rex Peters and a crew of men left for Ithaca Monday, where they are erecting a corn crib for the Miller Cereal company, of Omaha. Through the erecting of these cribs at Waverly, Greenwood, Alvo and Ithaca there has been a large number of men employed in building operations and in the filling of the cribs. In the past three weeks, there has been expended more than \$800 for labor alone, to say nothing of materials.

Making Improvements at Farm

Gust McNurlin was a visitor for the day last Tuesday at the home of his friend, John M. Cornelly, where they enjoyed a very fine dinner prepared by Mr. Cornelly's housekeeper. Mr. Cornelly recently purchased a building in Alvo which he has had torn down and the materials removed to his farm a few miles south of town. He has been using it in the manufacture of some chicken houses, as well as making additions to the barn and doing some general repair work about the place. This looks like Mr. Cornelly has gotten tired of living alone and will expect to have things more comfortable after having made the various changes at the farm now under way.

Giving Many Employment

The work which is being done in the different communities over the county with CWA funds allotted by the government has provided employment for a large number of men who had heretofore been unable to find steady work. The state park project at Louisville has afforded employment to a force of about thirty men daily, and in order to spread the benefits of this work over a larger territory, arrangements has been made to stagger the force, using men from Louisville and vicinity on alternate weeks and men from Greenwood and this part of the county on succeeding weeks. The past week has been Greenwood's turn to furnish men and among those sent to work on this job were D. S. Rogers, Everett Cope, Varl McBride, Gust Brackhage, W. S. Karns, Paul Kelley, Art Anderson, Carl Palmquist, George Hansen, Clifford Homan, Zane Blauvelt, Vern Stewart, Robert Sweem, George Lever, Roy Richards, Robert Casey and Al Rouse. This week will be Louisville's turn again, but the following week Greenwood men will return to work. Men are limited to 30 hours per week and the pay is 40 cents per hour.

The apportionment of CWA funds to this project is sufficient to continue the work for some ten weeks.

Legion Elects Officers

The Greenwood American Legion post, known all over the state as one of the liveliest Legion posts in a small town in this part of the country, met last Tuesday night and looked after the business calling them together. After this they proceeded to elect officers for the coming year and made their selections as follows: Ed Stradley, commander; George Trunkenbolz, vice commander; Jess Dildine, post adjutant; Al Hanson, finance officer; P. L. Hall, sergeant at arms; Dewey Headley, chaplain; Ray McNurlin and Oscar Reese, service officers; P. L. Hall, historian.

They chose a seven o'clock dinner as being best suited to their plans and this was followed by a most enjoyable session at cards. High scores were won by Mrs. Bucknell and Evan Armstrong.

Drew Some Good Checks

The wheat checks allotted on a basis of curtailment of acreage for the coming year, which was signed by many of the farmers residing in this vicinity, are now arriving. It is reported that two of the largest checks presented to Cass county farmers came to wheat growers of this vicinity, aggregating slightly over a thousand dollars. It is nice to get these checks now, even before the 1934 crop has fairly started through the rigors of the winter season ahead and when no one can prophesy whether the wheat crop will be bountiful or a partial failure.

The money for the payment of this bonus is raised from the processing tax on wheat and paid for ultimately by the consuming public. The plan is aimed to raise the price of wheat by curtailing production, or bringing the supply and demand more nearly together.

Enjoyable Family Reunion

A family reunion was held at the home of Mr. and Mrs. Fred Etheredge a week ago Sunday, the occasion being in honor of Mrs. Etheredge's grandchildren who came as a surprise visit from California on Thanksgiving morning. Mrs. Etheredge had not seen the children since they were quite small and their arrival was a happy surprise to her as well as to the relatives in Omaha.

An enjoyable time was had by all and the bountiful eats the Omaha folks brought were most delicious.

This occasion is one that will long be remembered by all the family, especially by Grandma and Fred, who claims a right to these fine youngsters and acts the part of Grandpa most becomingly to his young-old age.

Those present included Mr. and Mrs. Paul McLearn, Miss Edith and Paul Alton, Dorothy and Arola McLearn of California, Mr. and Mrs. Earl Alton and family, Mr. and Mrs. Bert Alton and family, Mr. and Mrs. Roy Alton and Mrs. Charles Morton, all of Omaha; Mr. and Mrs. Bert Diemer and family, of Fairbury, Mr. and Mrs. George Bobbitt, of Lincoln.

After a brief visit in Omaha, as well as in Iowa and at Fairbury, Nebraska, the California visitors left for home the latter part of the week.

HOLD CLUB MEETING

River-view club held another successful meeting last Tuesday, at the home of Mrs. Georgia Creamer, with most of the members present. During the business meeting plans were made for a Christmas party, to be held Dec. 22 at the home of Mrs. Robert Patterson.

After the business meeting a very interesting lesson was given, the subject being "Secrets in Biscuit Dough." The ladies demonstrated two of the recipes, "Onion Shortcake and Cheese Biscuits," which were added to the delicious lunch prepared by the hostess and were served at the close of the meeting. A study was also made of some seventeen dishes made from a standard biscuit dough as well as the different types of baking powder.

A pinochle party was also held during the month, at the home of Mrs. Homer Shrader. Progressive pinochle was played and the prizes for highest score were won by Mr. and Mrs. Harold Hull. Pop corn was served during the evening and at a late hour a lunch of doughnuts and coffee. A fee of five cents a player was charged to raise funds for the treasury.

The next meeting will be at the home of Mrs. Harry Ganaway, date to be set later.

Death of Prominent Resident of West Section

William E. Newkirk, Business Man for Many Years at Greenwood and Alvo, Passes Away.

William Earl Newkirk was born on June 24, 1861, at Shopiere, Wisconsin.

On Feb. 26, 1884, he was married to Miss Surrelda Lynch at Mount Pleasant, Iowa. This proved to be a happy union, which was strengthened and blessed with each passing year.

During these almost 50 years of wedded life, they had become so much a part of each other that they were literally one in mind and spirit. This was vividly portrayed and proved a few years ago, when Mrs. Newkirk due to injuries was taken to the hospital for several months. During this separation, especially at first, he was a pathetic figure. He was completely lost. A part of his very life was missing.

Today the picture has changed. He is gone and his going has left a vacant place in the heart of his companion and in the hearts of the mem-

bers of his family, which can never be filled.

Forty-five years ago, in 1888, he and his family moved to Nebraska. Over 40 of these years were spent in Cass county in Alvo and Greenwood, where he was engaged in business.

His health began to fail a number of years ago and death came on Friday, Nov. 24th, 1933. At the time of his death he was 72 years, 5 months old.

He leaves to mourn his death, his wife; one son, Clyde of Greenwood; four daughters, Mrs. Del Palling of Byron, Nebr.; Mrs. Minnie Kimberly of Long Beach, Calif.; Mrs. Grace Palling of Greenwood; and Mrs. Cecile Lee of Murdock, Nebr.; fourteen grandchildren and three great-grandchildren, beside many other relatives and friends.

GOLDEN ROD STUDY CLUB

The Golden Rod Study club of Mynard will meet on Thursday afternoon at the home of Mrs. Roy Cole with Mrs. B. W. Livingston as the associate hostess. The topic of the meeting will be "Keeping the Family Yearning Within the Family Earnings." Mrs. Ellen Spangler, leader. Please bring donations for the Christmas baskets. d&w

ROOSEVELTS ALTER CUSTOM

Washington.—The Roosevelts have decided to revolutionize the procedure for their formal white house receptions and will try out the new order on diplomats from all nations Thursday night. Change No. 1 will be the serving of refreshments, sandwiches, cake, coffee and the like, in the state dining room instead of ice water as in the past.

Change No. 2 will have the guest wheel move clockwise rather than counter-clockwise; that is, start in the east room and walk thru the green room into the blue room, where the president and Mrs. Roosevelt will stand facing the windows and on into the dining room. Mrs. Roosevelt has promised to stay down for the dancing in the east room after all the guests have shaken hands, whereas, in years of yore, the president and the entire cabinet party returned with marine band accompaniment up the grand stairway before the dancing started.

When preparing for the holiday season, do not fail to call at the Bates Book Store to look over the fine and assorted line of Christmas decorations. They are to be found in a large number of designs and at reasonable prices.
