OBITUARY

Chris Neben was born April 6, 1868, in Tellmer, Hanover, Germany. He came to America in young manhood about forty years ago, and settled near Murdock, where he lived for approximately seven years. It was during these years that his faith in God was quickened and he became an active member of the Evangelical church at Louisville.

During these years also, on March 9, 1899, he was united in marriage to Miss Lena Miners. That was the beginning of a happy and compatible union can be verified by any who knew their home life. Down thru the years there has been that sympathetic understanding, and that unselfish oneness, which makes home a sacred institution. There has also been that fundamental spiritual faith in God the Father and in Jesus Christ, which makes a home a hallowed place.

Two years after their marriage they moved to a farm near Mead in Saunders county, where they lived for eleven years. The past twenty-two years were spent in their present home near Alvo. It was here on Friday morning, Jan. 5, 1924, that death came to Mr. Neben and took him from our midst. His age at the time of death was 64 years, 8 months and 29 days. We will not say that he was perfect, but he did attain a very high level of Christian living. He was a devoted husband, a gentle, loving father, a conscientious church worker, a Christian citizen, a humble follower of the Christ. At the time of his death he was a class leader and a member of the board of trustees of the church.

He leaves to mourn his going his wife, Mrs. Lena Neben; five children, Martha, Ezra, Dan, Della and Ruth; two grandchildren, Marjorie and Donald; one sister, Mrs. Doris Codes in Germany, and other relatives and many friends.—Rev. H. A. Norenberg.

Card of Thanks.

We desire to take this means of expressing our deepest appreciation of the many acts of kindness shown us and many beautiful flowers at the time of the death of our husband and father and also for the words of sympathy in our loss. We also wish to thank those taking part in the funeral services and all who assisted in any way in making easier our burden.—Mrs. Lena Neben and Family.

DISTRICT COURT OF HONOR HERE NEXT WEDNESDAY

The Boy Scout court of honor for what is known as the Nebraska City district of the Cornhusker area, comprising Nemaha, Otoe and Cass counties will be held here next Wednesday night at the Legion Community building, and, if weather is favorable, will bring a large number of visiting Scouts here to receive their various advancement and merit awards.

These district courts of honor are held bi-monthly, and no Scout can receive advancement or merit badges except they be awarded at such a district court of honor. The place of holding them is rotated among the various towns in the district that sponsor Scout troops, there being some nineteen such towns in this district. The last court was held at Nebraska City the latter part of November, at which time the invitation to hold the January court here was voted upon and carried unanimously.

Among Scouting officials who will be here to participate in the court are Lee R. Harbottle, of Lincoln, assistant Scout executive for the Cornhusker area, and M. R. Shrader, superintendent of schools at Nebraska City, who is chairman of the district advancement board and will have full charge of arranging presentation of the various awards.

The program preceding the conferring of the awards is in charge of the local troop committee, under direction of Dr. C. L. Taylor, advancement member of the committee, and will include various numbers participated in by Scouts themselves.

A large number of Plattsmouth Scouts are eligible for awards of various kinds at this court of honor, the highest being the Eagle Scout award that will go to James Robertson, 2nd. The district advancement board, composed of advancement directors from each of the troops, with Mr. Shrader as the chairman, will meet at 7 p. m. to conduct examinations of the candidates and pass upon the awards, the court ceremonies beginning one hour later.

The ceremonies are open to the public, with the parents and friends of Scouting especially invited. At the district court in Nebraska City in November, a small number of people of the community were present, and it is desired to have a much larger turnout here.

William A. Robertson, grand marshal of the grand lodge of the A. F. & A. M. of Nebraska, with William P. Evers, were at Auburn Wednesday evening where they conducted the inspection of the Knights Templar commandery at that city, Mr. Evers serving as the inspecting officer.

Lay Plans for Roosevelt Birthday Ball, 30th

General Committee Meeting Held at Home of Mayor Sattler to Discuss Arrangements.

From Friday's Daily
Last night representatives of the Woman's club, the American Legion Auxiliary, Rotary club, Chamber of Commerce, Fraternal Order of Eagles, the American Legion, city council and public schools gathered at the home of Mayor John P. Sattler to complete plans for forming a Roosevelt Memorial Ball committee to arrange for Plattsmouth's participation in this nation-wide plan of honoring the president's birthday and providing funds with which to endow the Warm Springs, Georgia, infantile paralysis study and treatment project founded by Mr. Roosevelt, following his own miraculous cure from that dread disease.

The city council at its meeting on Monday night had endorsed the plan of holding the ball and representatives of the various organizations in attendance added their endorsement on behalf of the clubs and civic bodies they represented.

Accordingly, steps were taken to organize a working committee, with Mr. Sattler named as chairman, Elmer Webb as secretary and Mrs. Herman L. Thomas, treasurer.

It was decided to set the price of tickets at \$1 per couple, with all the profits derived to go to the Warm Springs memorial fund.

The selection of sub-committees was next in order, the following being named:
Selection of Patrons and Patronesses—Mrs. R. G. Reed, president of the Woman's club.
Hall and Music—Dr. R. P. Westover, commander American Legion, chairman; Ed Schulhof and Fred Herbst.

Ticket Sales—Clate Rosencrans, chairman; W. C. Soennichsen, V. B. Hutchison, G. J. Jaeger, Ed Schulhof, Frank Bestor, E. O. Vroman, Charles Barnard, Mrs. R. G. Reed and Mrs. James T. Begley, with others to be added to the personnel of this committee later.
Floor Manager—E. O. Vroman.
In charge of Securing Radio at the Hall to listen to Memorial Broadcast and Address by President—Frank M. Bestor.

The grand march is scheduled for 9:30 p. m. and dancing will continue until 2 a. m., with time out from 10:15 to 11:15 for the memorial broadcast over a nation-wide hookup on both chains.
A good orchestra will be secured to provide dance music, the name of which will be announced later. In the meantime tickets are being printed and will be placed in the hands of a large number of ticket sellers for disposal within the next couple of days.

The meeting adjourned until next Thursday night for further consideration of plans for making this one of the crowning social functions of the winter season.

STUDY CENTER TO OPEN

The study center for Plattsmouth which has been arranged as a part of the plan for the employment of teachers not now in active service, is expected to be under way by the first of the week.

The students will meet at the high school building and will then be assigned to a room where they may carry on their study periods with the lessons prepared by the extension department of the state university.

Those who have made application for the course in this extension work are George Adam, Agnes Brink, Greth Garnett, Eleanor Olson, Stuart Porter, Aulton Rolland, Fay Hennings, Helen Woolcott, Marie Davis, Marvin Tritsch, Albert Toman.

The students who have signed up for the course of study are fortunate in their high school work that they had English, history and home economics under teachers that have master's degrees in the courses, Miss Pearl Staats, R. Foster Patterson and Miss Lucille Nordholm.

It is expected that there will be a number of additional students entered before the study center is well under way.

The students are required to carry on five hours of study a day at the place selected for their use by the board of education and where the study period will be supervised by a teacher, who, however, will not be required to do any active teaching in the courses of study.
