Membership Drive of C of C Next Tuesday

Pledges to be Sought for Membership in Civic Organization During Coming Epochal Year.

The Plattsmouth Chamber of Commerce, which is starting out on what promises to be its most propitious year, at least in the past several, will conduct its annual drive for 1934 members during the coming week. Eight o'clock Tuesday morning is the "zero hour" set for the solicitors to go forth, blanks in hand, to secure pledges from business men and citizens who are interested in keeping Plattsmouth in the advancement area on the economic charts of the nation. With contracts already let for extensive river improvement, a highway program and other activities to provide employment throughout the summer, Plattsmouth is very well situated so far as labor conditions are concerned.

The river projects will eventually bring about navigation on the Missouri, providing another natural advantage that the town should take full advantage of, and with our live Chamber of Commerce organization, a lot can be done along this line to the end of securing dockage and terminal arrangements. Crowded river front conditions in Omaha will make necessary the location of dockage facilities a good distance from the heart of the city and inaccessible to rail connections. With the widespread rail service of the Burlington and the Missouri Pacific joined here, a large area could be served through establishment of terminal loading and unloading facilities at this point, and it can be assured that every effort will be put forth by the Chamber's Harbors and Docks committee to secure such a terminal here. Our present lower rail rates make it cheaper to ship goods here from points east than to take them on into Omaha, for re-consignment via boat.

There are many other ways whereby the Chamber of Commerce can aid in advancing Plattsmouth this year of all years—and the one thing needed just now is a large and active membership. President Fred Rea can assign every active member to certain well-defined duties along this line, and his success and that of the Chamber will depend largely on the backing up of the organization's 1934 program by the largest membership enrolled in recent years.

The past year was ended with a moderate balance on hand in the funds of the Chamber, and no large sum will be asked from any firm or individual. The main thing is numbers, backed by reasonably small sums of money from each firm or individual enrolled to carry on the work, coupled with whole-hearted co-operation throughout the year.

The soliciting crew will call on you, Mr. Business-man and Citizen, Tuesday or the next day or the next with the opportunity to "Buy Plattsmouth" on a very small down payment basis. Lend your ear to their call and loosen your purse strings to the reasonable amount you will be asked to contribute.

No community can stand still. It is simply a case of going forward—or slipping backward. So, get behind the wheel and push for some real surprise achievements in Plattsmouth during the coming twelve months.

JUNIOR HIGH SPELLING CONTEST

The Junior High school held a spelling contest to determine the ones who will represent Plattsmouth in the spelling contest to be held at the court house February 24.

Thirty-five boys and girls from the eighth grade participated in the contest and the best ones selected to be the official representatives. There were in all 400 words pronounced and the winners were: Hazel Payton, who missed two words; Shirley Selvers, missed five; Jean Knorr, missed six; and Jane Rehal missed six. These four people were declared the best spellers in the Plattsmouth Junior High school. Since every school is allowed to enter but two contestants Hazel Payton and Shirley Selvers will be the representatives with Jean Knorr and Jane Rehal the alternates.

The contest was under the direction of Miss Jessie Whalen who will act as the coach for these young people. Last year Plattsmouth was represented by Alice Hirtz and Edna Mae Peterson, who also won in the county contest.

Mr. Devoe conducted the contest and pronounced 100 words each day for four consecutive days. These young people are to be congratulated upon their record.

Everett Eaton Dies at Home in Utah Sunday

Long Time Resident of This City Passes Away as Result of Attack of Plural Pneumonia

The death of Everett E. Eaton, 62, a resident of Plattsmouth for a great many years, occurred at Modena, Utah, Sunday, messages received here by relatives today stated.

Mr. Eaton had been engaged in placer mining at Modena for the past few years and while engaged at his work contracted a cold that later developed into pneumonia and he had constantly grown worse until death came to his relief.

The funeral services were held at Cedar City, Utah.

Everett Eaton was born in Plattsmouth and passed his earlier years in this community where he grew to manhood and received his education in the city schools of Plattsmouth. He was engaged here in the upholstery shop of the Burlington over a period of years. In recent years he had made his home in the west. Mr. Eaton had a large circle of friends in the community who will receive the news of his passing with the greatest of regret.

Mr. Eaton is survived by the widow, residing at Modena, as well as a daughter, Laura Elizabeth, residing at Los Angeles, as well as three sisters, Mrs. C. C. Wescott, Mrs. F. L. Cummins and Mrs. Maude Fricke, of this city.

ARRANGE FOR SWIMMING INSTRUCTION FOR SCOUTS

Arrangements have been made at the Y. M. C. A. in Omaha, for the use of their fine swimming pool by Plattsmouth Boy Scouts at a very nominal charge. If the boys bring their own towels, they will be admitted to the pool each Monday and Friday evening at 5c, or 10c if they use the towel service provided by the "Y." At these hours, a swimming instructor is present to give assistance to beginners and after a course of a few weeks, every boy should become a proficient swimmer, thus enabling him to qualify for merit badges in that line as well as advancement to the rank of first class Scout.

Spurred on by the recent court of honor held here, all members of the local troop expect to make some advancement before the date set for holding the next district court at Peru March 21st, and the opportunity of taking swimming lessons will be welcomed by many, this being one of the requirements before a boy can be advanced to the rank of a first class Scout.

Arrangements will be made among local car owners and friends of the Scouting movement to transport the boys to and from Omaha on the two days of each week when they can have the advantages of the "Y's" regular paid swimming instructor.

Moratorium Orders Given by Federal Judge

Stays Granted in Two Cases With Fifteen Others Still to Be Disposed Of.

First orders to be issued by the Lincoln division, United States district court, honoring the mortgage moratorium passed by the last session of the Nebraska legislature, came from Judge Munger Thursday. There have been filed to date seventeen applications. The two in question are Union Central Life Insurance company of Cincinnati vs. Harry A. Doty and others and the same company vs. John E. Stewart and others. Will Feight, Beatrice, is appointed receiver in both instances and for each performance is required to furnish \$1,000 bond.

Issuance of these orders followed a conference between the court and a number of interested attorneys. To the latter, Judge Munger outlined terms of prepared order in blank. He reminded of recent action by the supreme court of the United States in sustaining the Minnesota moratorium. This was by divided vote. He also explained that, in some cases, moratorium extension or stay to March 1, 1935, will involve rental for the crop year in part at least, of 1933-1934 as well as 1934-1935. This feature is contained in the case against John E. Stewart and others, it providing that reasonable rental be paid for the crop year, March 1, 1933, to March 1, 1934, as well as from March 1, 1934, to March 1, 1935.

Reasonable rental for crop year or years to be such sums in money or shares in crops or both as are usually paid or delivered to a landlord in the vicinity for use of similar lands and improvements.

That receiver shall reach agreement, if possible, with owner or tenant by which the latter shall remain in possession until March 1, 1935, upon reasonable terms.

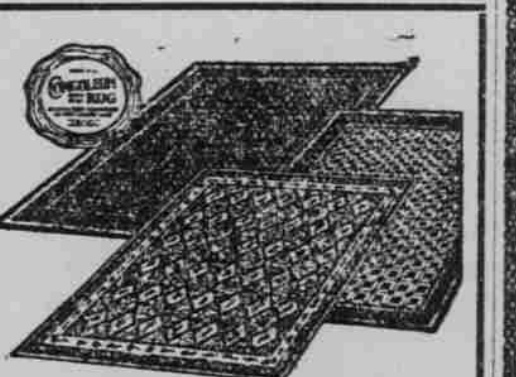

MURIEL WILES WEDS LINCOLN MAN RECENTLY

Mr. and Mrs. Roy Wiles of this place announce the marriage of their daughter, Muriel June, to Lawrence Turner of Lincoln, Nebr., on January 18, 1934, at Tecumseh, Nebr. The couple were accompanied by Mr. and Mrs. Edward Gerdes, Mrs. Gerdes being a sister of the groom. The Gerdes family also live in Lincoln.

Miss Wiles is well known in this community, having lived here practically her entire life until her graduation from the Weeping Water high school with the class of 1932. Soon after her graduation she went to Lincoln, where she has been employed a greater part of the time, save for some time when she has been visiting with friends in Weeping Water.

The bride is of a sweet disposition, and makes friends wherever she goes. It is with a great deal of pleasure that her Weeping Water friends learn of her happy marriage, and all wish for the young couple happiness and success through life.—Weeping Water Republican.

FUNERAL OF WAR VETERAN

Funeral services were held at the Methodist church in Ashland, Monday afternoon for Judd Weaver of South Bend, who passed away Friday, Jan. 26th, at Fitzsimmons hospital in Denver, Colo., after a prolonged illness.

A most impressive service was conducted at the grave, by a firing squad from Fort Crook, acting for the American Legion post at Gretna, of which he was a member.

Judd Samuel Weaver was born at Ough, Nebr., February 14, 1893, and passed away Jan. 26, 1934. The family moved to South Bend in 1897, where he grew to manhood, and made his home the greater part of his life.

He enlisted in the U. S. Navy, May 9, 1918, and was honorably discharged August 13, 1919. During this time he made several voyages

across the Atlantic, on a ship transporting soldiers to and from France. For several years thereafter he was employed by the Nebraska game and parks commission, and in December, 1930 was appointed superintendent of the Gretna Fisheries, which position he held at the time his illness overtook him.

He took an active part in Legion affairs, and was a member of the Gretna post, and commander of the Sarpy county posts.

His mother, Mrs. Helena Weaver, preceded him in death some fifteen years ago.

He leaves to mourn his passing, his father, Fred Weaver of South Bend, a sister, Mrs. Eula Lackey of Minatare, Nebr., and two brothers, Glenn and Benn Weaver of South Bend.

The Journal aims to print all the news and will appreciate your assistance to that end. Call No. 6.

One Time Residents Here are Involved in Trouble

Claude R. Gillespie and Edna Kramer Now Held at Omaha, One Located in Plattsmouth.

Local interest has been created here by the arrest at Omaha of Claude Gillespie, 33 and Edna Kramer, 24, parents of two children whose custody they are claiming, the parties being held until the case is investigated by the juvenile authorities at Omaha.

While they were here Gillespie was engaged in the Robert dry cleaning plant then being operated on North Sixth street.

The children were left at private homes in Omaha last November, and are now at the Child Savings institute, pending an investigation of the case by juvenile authorities.

In court Gillespie testified he formerly ran dry cleaning establishments in Omaha and Onawa, Ia., and Miss Kramer was his stenographer.

Then the cleaning business got so bad he was unable even to pay his rent, he said. The children were left in Omaha homes, he said, while he sought work and Miss Kramer obtained employment doing housework in Kansas City.

Miss Kramer, posing as "Mrs. Thompson," left her daughter, Dorothy, 2, in one Omaha home with word that she would permit Dorothy's adoption, and left Freddie, not quite 1 year old, at another home as a temporary boarder.
