Gave Farewell Farty

Frank Dill and family have for a number of years been residents of the vicinity of Nehawka, where they have been engaged in farming. They have proven themselves good farmers and above and beyond that they have proven the very best of neighbors and friends. With the varying vicissitudes of business, it has chanced that this estimable family are to make their home in a different portion of the country and will move in a short time to Mynard. On last Friday evening a large number of their neighbors and friends went to their

priate time for such an event. The groom is a son of Mr. and Mrs. Henry Sturm, both being members of prominent families of Cass county, and mong the highly respected young set of the two towns from which they
