

Nehawka

There will be an operetta at the Nehawka schools this coming Friday evening, put on by the pupils of the school.

Morgan Stewart was visiting with friends and looking after some business matters in Nebraska City last Saturday.

Miss Emily Doty, of Weeping Water was a visitor in Nebraska City on last Saturday, where she was a guest of friends for the day.

Mr. and Mrs. Albert A. Young were visiting with friends and looking after some business matters in Nebraska City last Saturday.

George Troop and family were in Plattsmouth last Sunday, where they were visiting for the day at the home of Mrs. Troop's father, Martin Stova and family.

Mrs. W. O. Troop and daughter, Miss Lois, were in Nebraska City on last Saturday, where they were visiting with friends and looking after some shopping.

Mrs. Kearney has been assisting with the work at the Wolfe cafe, which is being operated by Mrs. Albert Wolfe, and where they are doing an excellent business.

Mrs. A. W. Propst was a visitor in Omaha last Friday, where she went to get her daughter, Caroline, who was coming home for the week end, and was accompanied by Miss Harriett Leach, of Union.

Parr Young and wife were at Peru last Friday and brought their daughter, Miss Mildred, home for a visit over the week end, which was enjoyed by all. The young lady is attending school there.

C. R. Troop was a visitor in the neighborhood north of Nehawka last Saturday. He had been at Omaha the day before, where he visited with his wife in the hospital, where she is receiving treatment. He reports she is showing good improvement.

O. W. Pinnefrock, a representative of the Modern Woodmen of America, was in Nehawka last Monday looking after the good of the order and writing some insurance for the company, as well as conferring with the clerk here, Mr. Frank Lemon.

Mrs. William Wehrbein entertained at her home last week, for her friends Mrs. Victor Wehrbein and Ray Creamer, whose birthdays came within one day of each other. Those present for the occasion were W. O. Troop and family, Victor Wehrbein and family, Anderson Lloyd and family and a number of others. A most pleasant time was had and a fine dinner served. Congratulations and best wishes were expressed to the guests of honor.

W. O. Troop was looking after some business matters in South Omaha on last Monday, having in view the purchase of some feeding cattle for his feed lots, as he has just recently marketed a fine lot of cattle which he had been feeding for some time. Mr. Troop is an experienced feeder and well acquainted with all the details of successful preparation of cattle for the market, as attested by the exceptionally good prices his offerings bring on the market.

To Have Automatic Phones

The telephone exchange here that has been in charge of a force of experienced operator employees for a good many years, is to be changed to an automatic system in the near fu-

ture so that patrons will be able to call one another without having to have their connection set up by human hands. The automatic system is not new, having been in operation in Lincoln for many years, as that town was one of the first in the entire nation to try them out. The switch-board and operating devices will be located in a room in the rear of the post office. A force of workmen are now busily engaged in making the necessary changes preliminary to cutting over to the new automatic system, which will not be made for some little time yet.

Will Hold School Election

There will be an election of officers of the Nehawka schools March 21st, for the election of members of the board of education. Be sure and be there for the naming of suitable persons to conduct the affairs of our public schools is highly important.

Mrs. Schumacher Some Better

Mrs. Henry Schumacher, who has been so seriously ill following a severe stroke which she suffered a short time since, is reported as being slightly improved and can now hear some and has a sense of feeling in certain portions of her body, but is as yet unable to see any of her many friends. Even this slight improvement is encouraging to those who are greatly concerned over her recovery.

Unearth Historic Relics

The CWA force of workmen engaged in digging among the Indian home sites of many years ago, have been rewarded with some success as they have found the remains of an old Indian home, containing some pottery, Indian knives and other

trinkets, among them a spade made from the shoulder blade of a buffalo. They will change their location to a site on the old Sturm place where Henry Sturm now resides.

It is estimated that the relics discovered had lain there about six hundred years, calculating from the depth which they were unearthed, as the volcanic ash which covered them and the silt above would, according to the geologist, take about that long a time to form.

Clarke Martin Dies at Dunbar

Clarke Martin, 14-year-old son of Mr. and Mrs. Sam Martin, who has been sick for some time, passed away last Saturday, the funeral being held on Monday afternoon. Mrs. Peter Johnson and son Albert and Conrad Johnson and wife were at Dunbar to attend the funeral. Mr. and Mrs. Martin, parents of the deceased lad, have been making their home on a farm near Dunbar, but formerly resided in Nehawka.

Will File for Sheriff

Ray Becker, of near Union, was a visitor in Nehawka last Monday and was looking after some business here as well as meeting with his friends in this vicinity. Mr. Becker says he will file as a candidate for sheriff on the republican ticket, subject to the will of the voters at the primary in August. He served as deputy sheriff under Edward W. Thimman, making a most excellent officer and is well qualified to handle the affairs of the office.

Work on Library Progressing

Work on the Nehawka public library building is going forward in a most satisfactory manner considering the limited number of hours permit-

ted the CWA employees each week. The building is now entire enclosed and the interior work well along. The fire place, which is one of great beauty of design and workmanship, is now being finished and this will add much to the appearance of the main room in this rustic log cabin structure.

Moves to Plattsmouth

Charles F. Hitt and family, who have been making their home on the Switzer place north of town, on last Sunday moved to Plattsmouth, where they will make their home in the future. Eugene Hicks helped with the moving.

Enjoyed Family Dinner Sunday

Mr. and Mrs. Vilas P. Sheldon entertained at their home in Nehawka on last Sunday and had for their guests many of the people here and elsewhere. There were there for the occasion former Governor of Nebraska George L. Sheldon and wife, visiting here from their home in Mississippi, George C. Sheldon and wife and their daughter, Mrs. Frank P. Sheldon, Mrs. Gertrude Wolph and daughter, Evelyn, Mr. and Mrs. Marion Tucker, Vilas Sheldon, Jr., who is making his home at Hastings, where he has a good position, and Miss Della Benson, of Lincoln, a close friend of Miss Jane Sheldon. A fine repast was served and all present enjoyed the dinner and the social afternoon together.

Gave Excellent Show

On last Friday night at the Nehawka auditorium was presented one of the finest minstrel shows it has been the good fortune of our people to see for many a year. The Mynard Minstrels fresh from the triumphs of four packed houses in their home town community building, came down in response to urgent request and packed the house here, putting on a splendid two hour show which kept the audience in an uproar of laughter during the entire time.

The show was put on under auspices of the Nehawka Woman's club, who are well pleased with the production and the substantial proceeds which they received for sponsoring the show. The Mynard folks know how to put on a real entertainment, as can be attested by everyone who saw their show here.

Gave Friend a Glad Night

The members of the Lewiston community club, all of whom are imbued with neighborliness and have a warm spot in their hearts for their fellowman, sought to get up some sort of an entertainment for James Smith, the band instructor, who has been in a large degree responsible for the fine band of which Lewiston boasts, and so provided an cyster supper and an evening of pleasure for all present. Mr. Smith is moving to LaPlatte, at which place he will engage in truck gardening during the coming summer but will continue to instruct the band. All are sorry to lose him from their midst, but glad to note he will be able to be here frequently to aid the band in their further advancement.

Visiting in Old Missouri

Ray Campbell, who some time ago suffered a fractured arm while trying to start an obstreperous car, was laid up so that he could not work and so decided to take a trip to his old home at Dunnigan, Mo. With his family, he departed late last week for a visit at the home of his parents and will remain there until he is so he can return to work. He is employed by W. O. Troop.
