

**GREENWOOD**

John Walling and family, of Buffalo, Mo., were visiting with friends in Greenwood, they being guests at the home of Fred W. Etheredge and wife while here.

Rex Peters was called to Ashland on Wednesday of last week, where he had some business matters to look after and where he was also visiting with his many friends.

Walter E. Pailing, of Lincoln, was visiting in Greenwood for two days during the past week and was a guest at the home of Mr. and Mrs. Fred W. Etheredge while here.

Alonzo Stewart, Lee Stander, Clarence Masden and Lucean Kyles, all of Greenwood and near here, are employed on the paving of the O street road south of Greenwood and east of Eagle.

Mrs. W. G. Holt, who has been sick for some time, is still not in the best of health. While she is some better, she is not as yet able to leave her bed. She has been kept to her bed for the past four weeks.

Mr. and Mrs. George Bucknell were in Plattsmouth on last Monday, where they were called to look after some business matters and were also visiting with friends while there, they making the trip in their car.

Edward Stradley was a visitor in Lincoln last Wednesday afternoon, where he was looking after some business and getting some supplies.

Emmett A. Landon and wife were in Ashland last Monday, where they were looking after some business matters as well as visiting with relatives for the evening.

**Family Reunion**

Mr. and Mrs. Fred Etheredge had for Mother's day a family reunion of Mrs. Etheredge's children from Omaha and Fairbury.

Those from Omaha included Mr. and Mrs. Earl Alton and children, Claire, Marjorie and Betty, and Mrs. Charles Morton. Those from Fairbury were Mr. and Mrs. Bert Diemer and children, Edyth and Ellen.

All had a fine time and a wonderful dinner was enjoyed by everybody.

**Building Larger Freezer**

The perfected ice cream freezer which was designed by E. F. Smith and built by Ed Stradley and which proved to be an excellent machine for the making of ice cream, and which Mr. Smith has been using since, having also built three more, which have been sold in the east, is quite sure to come into general use, as its principle becomes better understood, for it is certainly a marvel at the freezing of cream.

Mr. Smith is having Mr. Stradley build another and much larger one—and also of a slightly different type, this one being constructed along horizontal lines and of stainless steel in order that acids will in no way affect it. In this new larger machine now being built there is also a vent for the emptying of the machine—a great improvement over the former ones, as the contents had to be dipped out.

**Brotherhood Enjoy Meet**

The Brotherhood of the Methodist church, numbering some forty-five, met in the basement of the church on Thursday of last week, when they had a very fine program and as well enjoyed a splendid supper. They had as guests the men's organization of the Christian church and all enjoyed a splendid evening together.

The Rev. L. C. Oberlies, of Lincoln, was the principal speaker and delivered an excellent address. The matter of continuing the meetings through the summer season was discussed and it was decided that the meetings would continue, with a meeting every month. The next meeting will be held on June 14th, the second Thursday in the month.

**Blaze Causes Excitement**

During the dry weather of the past spring with all growing vegetation greatly retarded by the hot, dry wind and lack of moisture, it does not take very much to start a fire. Just recently a few sparks from a passing locomotive caught the dry grass in front of the Burlington station and it burned fiercely for a few moments, but was discovered by E. A. Landon, who hastened to extinguish the flames, thus saving the trees and shrubbery in his yard and prevented his lawn from burning over. There are pine trees and other ornamental trees in the yard which would have been severely damaged had not the fire been noticed and extinguished.

**Why Doctors Favor a Liquid Laxative**

A doctor will tell you that the careless choice of laxatives is a common cause of chronic constipation.

Any hospital offers evidence of the harm done by harsh laxatives that drain the system, weaken the bowel muscles, and even affect the liver and kidneys.

Fortunately, the public is fast returning to laxatives in liquid form. The dose of a liquid laxative can be measured. The action can thus be controlled. It forms no habit; you needn't take a "double dose" a day or two later.

Dr. Caldwell's Syrup Pepsin has the average person's bowels regular as clockwork in a few weeks' time. Why not try it? Some pill or tablet may be more convenient to carry. But there is little "convenience" in any cathartic which is taken so frequently, you must carry it with you, wherever you go!

Its very taste tells you Dr. Caldwell's Syrup Pepsin is wholesome. A delightful taste, and delightful action. Safe for expectant mothers, and children. All druggists, ready for use, in big bottles. Member N. R. A.

full share of victories won, have during the past few days enclosed their park at Greenwood with a woven wire fence, in order that they may keep out those who do not care enuf about the game to pay for their admittance, but who like to see the game without paying for it. It costs to play baseball and when the players put their time and money into the game, and do all the work besides, those who enjoy the game should be willing to do their part by paying for their entertainment.

**Storm Does Much Damage**

The rain which came on last Saturday night was in some instances accompanied by hail, this being the case between Murdock and Greenwood and north of Greenwood where gardens, fruit and small grain were all damaged more or less. The corn did not yet being up, suffered no damage. Cherries, apples and peaches were knocked from the trees quite badly and the crop will be cut short as a result.

**The Credit Association**

The organization of the Credit association is going forward with the work being done by those interested, quietly, but in earnest, that an association may be organized that will care for the business interests of the community and be so organized that the state banking laws will not have power to interfere with the workings of the organization and stop their operation. Thus will the interests of the community and business of the town be cared for without interference.

**Oliver E. Sayles Passes**

Mr. Oliver E. Sayles, 57, a resident of Greenwood for many years and for the past few years caretaker of the Greenwood public schools, passed away at the Bryan Memorial hospital in Lincoln last Tuesday morning a few hours after midnight. Mr. Sayles was born at Osceola, Nebraska, where he spent his early childhood and came to Cass county and resided near and in Greenwood for more than a quarter of a century. Formerly he was engaged in farming for a number of years, after which he was engaged in road work in the vicinity of Greenwood. For the past five or six years he has been care taker of the Greenwood schools and has proven himself a most efficient workman. He has not been in the best of health for some time and with the decline of his bodily vigor was taken to the hospital in Lincoln, where he underwent a number of operations and was receiving treatment. He has been very ill for some time past and had been losing in the battle for his life until on Tuesday morning at 2 o'clock his spirit took flight for the other world where the trials of this world are over.

Early in life Mr. Sayles united with the Disciples of Christ and has ever been a meek and lowly follower of the Master. The remains were brot to his late home in Greenwood on last Wednesday afternoon, the body lying in state until the hour of the funeral which was held at the Christian church and was conducted by the pastor, the Rev. W. E. Goings. The remains were interred in the beautiful Greenwood cemetery. In his passing, Mr. Sayles leaves his wife, Fanny, and a son, Charles Edward Nichols, also four daughters, Mrs. Dale Carpenter, Lincoln and Misses Thelma, Helen and Anna Nichols.

Mr. Mercant, are you doing your share to speed the return of prosperity in Cass county? Advertising will bring you business that is now going to distant cities.

**Nebraska Conference of Evangelical Churches**

Murdock to be Host to Large Number of Guests from Wednesday to Sunday, Inclusive.

The 56th annual session of the Nebraska Conference of Evangelical churches will be held at the Ebenezer Evangelical church at Murdock, beginning Wednesday, May 23, and continuing through to Sunday night, May 27.

George Patton, of Syracuse, was a visitor in Alvo last Wednesday, and while here was a guest of his friend, Simon Rehmeier.

John P. Mochenhaupt, of Plattsmouth, was a visitor for a short time last Wednesday afternoon with his friends in Alvo.

Eugene Barkhurst was a visitor in Lincoln on last Wednesday and on his return brought home with him a load of groceries for the store here.

The C. W. Jewell cafe has just installed a new refrigerating machine and also a cabinet for the handling of ice cream and is now carrying a stock of ice cream and cool drinks.

Henry McMaken, of Plattsmouth, was looking after some business in Alvo on last Wednesday, he having charge of the deliveries of gravel from the pits at Ashland to the site of the paving on O street east of Eagle.

Joe Romulas and John B. Skinner were over to Plattsmouth on last Monday, where they were looking after some business matters and where Mr. Romulas was filing his application for employment with the Cass county re-employment service.

A. B. Stromer was a visitor in Wash last Monday, where he was visiting at the home of Mrs. Stromer's father, J. C. Browne, and where he made some repairs on a pump which had been working badly and at times not at all. The pump has been behaving very nicely since then.

**More Work on Pavement**

An additional number of the citizens of Alvo were given employment on the O street road pavement east of Eagle on last Wednesday, they being Robert Coster, Donald Shelton, Phillip and Sterling Coatsman, John Coleman and Gay Coster.

**Are Locating in Lincoln**

Mr. and Mrs. Lambert Wyatt, who have been located at Brewster, Kansas, where he has been engaged in the dry cleaning business, and who has been visiting in Alvo at the home of his parents, Mr. H. M. Wyatt and wife for the past week, has left his wife here with the parents and gone to Lincoln, where he is accepting a position with the Evans laundry, having charge of the cleaning and pressing work turned out by that institution. As soon as Lambert is able to secure a house in which to reside, he will be joined by his wife and they will make their future home in the capital city.

**Still at Hospital**

Ray Clarke, who was injured in a game of ball two weeks since and was taken to the University hospital in Omaha, is still there, as his face, which was driven in from his contact with another player, has not shown any inclination to return to normal and it is expected that the bones will have to be lifted in order that the face may heal.

**Makes Changes at Store**

E. L. Nelson has been making a number of changes at the store. The space which was formerly occupied by the stove and those warming there has been utilized by placing a show case in the location and placing in it various novelty goods in the dry goods line. Mr. Nelson has also added straw hats and a number of other side lines.

**Gave Baccalaureate Address**

The closing of the school year was climaxed with the commencement exercises at the school auditorium last Wednesday evening. Hon. Kenneth S. Wheery, of Pawnee City, was the principal speaker at the commencement exercises and told of the need of able men and women in all lines of industry and government that can only be filled from the graduates of our educational institutions, congratulating them on their attainments thus far and urging them to go on to higher levels.

The baccalaureate sermon was delivered Sunday evening, May 13th, by the Rev. Robert J. McKenzie. It, too, was replete with good advice to the graduates.

The members of the graduating class are Donald Skinner, Elmer Reuter, DeWitt Bennett, Blanche Reuter, John Garcia, Viva Reuter, Dallas Feller, Virgil Wood, Elton Keller, Wilford Christensen, Correne Kitzel, Marvel Skinner, Rose Beth Clarke and Donald Davis.

held on May 27th, including a special sermon in the morning at the church, delivered by the Rev. R. J. McKenzie. The principal exercise will be held in the afternoon at 2:30. The graves of all war veterans will be marked and decorated by a committee of the American Legion. The address upon this occasion will be made by the Hon. Theodore Metcalf, of Omaha. Taps will be sounded and a salute fired over the graves by a firing squad from the Elmwood Legion post. A large number are expected to attend the exercises and pay tribute to the deceased veterans.

**School Picnic**

The community and school picnic was held last week at the school building, on Thursday afternoon and was enjoyed by a large number of the parents as well as the scholars of the school. The children were gleeful at being released from study after nine months of faithful attendance and application to their books while the older persons entered into the spirit and also enjoyed an afternoon of hilarity.

Mrs. Lelia Pifer departed for Valentine on last Wednesday, where her husband has been for some time, he being one of the members of a government C. C. C. camp near that place. Mr. Pifer has been located there for several weeks.

Mrs. Charles Hill, who has been visiting at Glenwood, Iowa, for the past week, returned to Alvo on last Wednesday, after having had a very nice visit with relatives in the Iowa town.

**A Grand Old Man**

That is what William H. Warner, of Alvo is, and on Wednesday, May 16th, he passed his 87th birthday and is able to do a day's work any time. Billie, as he is familiarly known, was born at Washington, Tazewell county, Illinois, on May 16, 1847, and remained there during his early childhood, coming to Nebraska and locating at David City when a young man. There was no railroad there at that time and not for many years afterwards. He remembers well in 1881 when the governor of the state, Mr. Thayer, was at David City, interested in getting a special election called for the issuing of bonds for the building of what was then the Omaha and Republican Valley railroad, which was done at the election. When leaving David City for Lincoln a short time later, he made the trip via stage as that was the only means of transportation, there being no railroad yet constructed. From Lincoln, he went to Plattsmouth, where he made his home for a time, but was a farm hand in the vicinity of Alvo before the town was originated in the year 1891 when the Rock Island line was constructed through to Lincoln and the towns of Murdock and Alvo laid out.

Mr. Warner has been a resident of Alvo for the past seventeen years. He was a guest on last Wednesday at the home of Simon Rehmeier on his birthday. He was enjoying the day very much and receiving the congratulations of his friends for a long and useful life.
