Charming Home Wedding at Elmwood Sunday

Miss Lela Horton and Mr. Fred Wendt Married at Quiet Home Wedding.

On Sunday evening, June 24 at 7:00 o'clock at the home of Mrs. Oscar Miller, grandmother of the bride, occurred the marriage of Miss Lela Horton of Plattsmouth and Mr. Fred Wendt of Murdock.

The marriage lines were read by Rev. Hartmann of the Louisville Lutheran church, the double ring ceremony being used. Only the near relatives of the bride and groom were in attendance.

Promptly at 7:00 o'clock Miss Marjorie Horton, cousin of the bride, accompanied by Mrs. Fred Rothrock, aunt of the bride, very beautifully sang "I Love You Truly." Immediately following the singing, Glenn Miller, cousin of the bride, lighted the candles while soft music was being played. Then Miss Myrtle Wendt, sister of the groom, played Lohengrins wedding march while the bridal party descended the stairs and took their places in the east room of the home before a beautiful setting of flowers, ferns, and pink and white lattice work. Above them hung a large white wedding bell under which the bride's mother and father were married 25 years ago.

The bridesmaid was Miss Verna Miller of Elmwood, cousin of the bride, and the groom's best man was his brother, Louie Wendt, of Murdock. Little Shirley Elaine Wendt, niece of the groom, acted as flower girl and came scattering rose petals along the path of the bride as she came. She was dressed in pale green taffeta and carried a white basket filled with pink roses. Little Marjorie Miller, cousin of the bride, was train-bearer and was dressed in white organdie. She was followed by Dorothy Jean Wendt, also niece of the groom, who was dressed in pale pink net over taffeta and carried the rings on a pink satin pillow.

The bride wore a gown of white satin of instep length and a white tulle veil. She carried a beautiful bouquet of bride's roses and baby breath.

The bridesmaid wore a gown of pale blue taffeta and carried a bouquet of pink roses.

The groom and best man wore the conventional dark suits with a spray of roses and baby breath in the coat lapels.

Following the ceremony the bride cut the bride's cake which was served by the bridesmaid.

Following were the guests present: Mr. and Mrs. Lisle Horton, parents of the bride; Mr. August Wendt, Sr., father of the groom; Miss Myrtle Wendt, sister of the groom; Mrs. Oscar Miller, grandmother of the bride; Mr. Leo Horton, grandfather of the bride; Mr. and Mrs. Earl Horton and daughter, Marjorie; Mr. Edgar Miller and sons, Earl and Vergil; Mr. and Mrs. Roll Miller and children, Verna, Glenn, and Marjorie; Mr. and Mrs. Henry Wendt and children, Dorothy Jean and Marion; Mr. and Mrs. August Wendt, Jr. and children, Shirley and Wayne; Mr. and Mrs. Herman Wendt and Marvin; and Mr. and Mrs. Louie Wendt and Rev. Hartmann and wife.

She is a graduate of the Elmwood high school with the class of 1929, and has attended Peru State Normal where she is a member of Kappa Delta Pi, national honorary educational fraternity, and also of Sigma Tau Delta, national honorary English fraternity. For several years she has been a teacher. The past year she was principal of the Manley public schools.

The groom is the son of August Wendt, Sr., of Murdock and is a prosperous and enterprising young farmer and is a young man of sterling character and has a host of friends. In a few weeks Mr. and Mrs. Wendt will be at home to their friends in their new modern home which is just being completed on the groom's farm near Murdock.

Civic Body to Urge Parking for Visitors

C. of C. Asks Members to Refrain From Parking Cars in Business Sections on Busy Days.

The Chamber of Commerce held their last meeting until the fall season at the dining room of the Hotel Riley on Thursday and which was attended by a large number of the members of the organization.

The matter of car parking in the business section of the city, especially on Wednesday and Saturday, was taken up and discussed by the members as the parking spaces on these days is at a premium and proves a great inconvenience to the visitors in the city especially.

It was decided that the members of the Chamber of Commerce, business and professional men would be requested not to park their cars on the main streets from Fourth to Seventh on Wednesday and Saturday from 6 to 10 p. m. on these occasions and allow the visitors to the city a greater freedom in parking space.

In order to make the resolution more effective the police co-operation was asked in checking the cars and reporting cars of members that were parked on the streets and the offending members will be given a small fine by the Chamber of Commerce.

A similar resolution was adopted at the last meeting of the Business Men's Ad club.

Wheat Benefits Will Be Close to Five Dollars

Nebraska Farmers Signing Adjustment Contracts Will Get \$4.75 an Acre by End of Year.

By the end of this year Nebraska farmers signing wheat adjustment contracts will have probably received payments of about \$4.75 per acre for wheat seeded for the 1934 harvest, it was estimated at the state wheat administration office in Lincoln. The wheat contract has become the greatest crop insurance policy Nebraska farmers have ever had, administrators say.

Contract signers received and cashed one check representing the first installment of the 1933 payment. When the secretary of agriculture accepts the compliance statements on the 1934 crop, he will send out the second check, which is the last installment of the 1933 payment.

Getting of compliance under the adjustment program is progressing rapidly thruout the state. A wheat reviewing unit is being set up in Lincoln to correct the compliance forms, and some bundles have already been sent to Washington for payment. During the next ten days a flood of compliance forms is expected.

In October each man who has complied with the contract will receive the third check, which is the first installment of the 1934 payment. These three checks for all contract signers will bring nine to ten million dollars into Nebraska by the end of 1934. All is paid out of processing taxes.

Unless wheat prices should go up to parity levels and stay there for the next year or more, contract signers will get a 1935 payment next year. When compliance with the contract is checked a year from now, each contract signers who has complied will receive the second installment of

the 1934 payment and also the 1935 payments. Should wheat prices go to parity and stay there, the 1935 payment might disappear, but farmers would get a higher price for all the wheat they had to sell instead.
