BREX in Win from V-8 Team Last Evening

Chevrolets Also Win From the Eagles 6 to 3 to Make First Place Ties in League.

The kittenball fans gathered by the hundreds last night at Athletic park and had the opportunity of witnessing two mighty good games between the BREX and the V-8 teams and the Chevrolets and the Eagles with wins 6 to 5 for the BREX and 6 to 3 for the "Chevies."

The twilight game between the shopmen and the V-8 team was one that drew probably more interest than any game that has been staged at the park this year and the feelings of the two teams as well as their loyal fans was manifested throughout the contest.

The BREX and V-8's both played a bang up brand of ball and many brilliant plays were made on both teams to make the game plenty fast and snappy, the V-8 team being especially noticeable for their fast work in checking the base runners.

The game was one hard fought from the start and it was not until the last out was secured that the contest was definitely decided.

In the sixth the V-8 team had a 4 to 3 lead on the shopmen but a strong rally by the BREX tied up the game and then gave them a two point lead that was later threatened but the V-8 hitters were held by the brilliant fielding of the BREX.

Chevies Win Last Game.

The Chevies won the nightcap of the evening in a hard fought game and in which they took an early lead that was never headed and won 6 to 3 when the last out was checked up. In the last contest considerable excitement was created when Hubert Dew drove a circuit clout and was declared out as it was claimed that he failed to touch third base.

The hurlers of the game were Dr. L. S. Pucelik for the auto group, and Thimgan for the Eagles.
