Cass County Has Good Schools—Why Change!

GETS PANTS BACK

Some three weeks ago as William J. Streight, local mortician, was sleeping on the second floor of his residence on Oak street, some person entered the home and carried off a pair of trousers that Mr. Streight had left lying on a chair in the living room.

A search was made over the house and in the yard to try and locate the missing pants but without success and Mr. Streight had given up the

hope of recovering the missing pants. Monday while members of the household were out in the yard of the home they discovered the missing trousers beneath a lilac bush, spectacles and all intact. The members of the family are positive that the trousers were not there before and believe that the party taking them was trying a practical joke or got cold feet and returned the trousers.

Lop Sided Scores Feature of Kitten ball Contests

Chevrolets Win 15 to 1 from Legion While Peerless Swamp the Rovers 21 to 4.

The kittenball contests staged Monday night at Athletic park proved to be merry-go-rounds for the winners with little or no opposition on the part of the losers.

In the opening contest the Chevrolets were pitted against the American Legion team and had but little trouble in holding the vets for a score of 15 to 1. The Chevies had a strong batting attack while the few bingles of the Legion were kept well scattered, fast and accurate fielding marking the auto dealers defense.

It was not until the last inning of the game that the Legion scored when Hill was on the base in a fielders choice, advancing on the hit of Vroman and tallying on the bingle of Niel to save a shutout.

The box score of the game was as follows:

Table with columns: Team, AB, R, H, PO, A, E. Rows for Rhodes, Hill, Vroman, P. Reed, Niel, Herold, Kalasek, Compson, Nord, Patterson.

Table with columns: Team, AB, R, H, PO, A, E. Rows for Schutz, Dew, Ashbaugh, Oliver, McClanahan, Ryan, Pucelik, Hennings, Grassman, Kalina.

Peerless Uber Alles The Rovers who have just become members of the league found themselves entangled with a much faster and harder hitting bunch of ball busters when they started the final game of the evening and when the final tally was made it showed the beverage dispensers to be winners by the score of 21 to 4.

The Peerless started right in the opening inning to nick the deliveries of Thorp, scoring four runs.

The game was featured by the home runs of Joe Krejci and Louie Lohnes, while triples were poled by Carlson, Smith, Svoboda, with doubles by Forbes, Vanlandingham, and two by Svoboda.

Table with columns: Team, AB, R, H, PO, A, E. Rows for Forbes, Vanlandingham, Carlson, Krejci, Smith, Svoboda, Knofficek, Hirz, Rummel, Timm, Lohnes.

Table with columns: Team, AB, R, H, PO, A, E. Rows for C. Thorp, Shepherd, D. Thorp, Sabie, Landis, Ethen, Rodger, Wooding, Hait, Major, Ondrejka.

TO VISIT IN THE WEST

Mr. and Mrs. Richard Beverage and Bob Hitchman, nephew of Mr. Beverage, departed on Monday for a ten day or two weeks visit in the mountain country of the west. They are planning on making a short stay at the Yellowstone national park and on their return they will stop at Estes Park for a short stay and looking over the various points of interest in that section of the west. They are making the trip by car.

CARD OF THANKS We desire to express to our friends the deepest appreciation of the acts of kindness shown us in the last illness and for the sympathy at the death of our loved one. We also wish to thank those taking part in the funeral services and for the beautiful flowers.—M. G. Churchill and Clarke, Mrs. John Frans and Family.

The heaviest rainfall this year has been in Africa, and the Detroit News believes the heathen ought to send some missionaries over to teach us how to pray.

JUST SO SEWERS

The "Just So Sewers" 4-H club met Friday, August 3rd for achievement day at the home of Mildred Schlaphoff. We had our work on display so our mothers could see we were the "Just So Sewers." We had a short program consisting of three songs and two demonstrations. Cutting out aprons and making button holes. The club girls and their mothers played a few games. A delicious lunch of ice cream and cake was served. The club colors, green and white, were carried out in the lunch. A present of two hot-pads and a rack to hang them on was given to our mothers. We are all going to look forward to another year of club work. GERTRUDE WOOD, News Reporter.

Cass County Man for Land Commissioner

Plattsmouth Has a Resident Who is Strong Contender for Commissioner of Land and Blids. In the forthcoming primary election on next Tuesday, Plattsmouth and Cass county is presenting a candidate for the office of commissioner of public lands and buildings—Arnold J. Lillie of this city. Mr. Lillie, as a fellow citizen, is deserving of the support of the residents of his home community and is also equally well qualified for the position that he is seeking. Arnold Lillie is a member of one of the old families of Cass county and was born and reared to manhood in this community, later serving a "bit" with the regular army and since his discharge has been engaged in business in this city and in which he has been very successful. With a pleasant personality and splendid qualifications Mr. Lillie should receive a great vote from the home folks for the office that he is seeking.

RECEIVE NEW FUNERAL CAR The Sattler funeral home of this city has received one of the latest type funeral cars, which was secured from the Henney Motor Co., of Freeport, Illinois, one of the largest manufacturers of funeral cars and ambulances in the country. The funeral car is the last word in its line and made with every thought to beauty and efficiency. The car is a three-way side delivery hearse which will be found a great deal more convenient than the former old style type of car. The interior of the funeral car is finished in deep blue plush and silver with side racks made in the blue and silver for the floral offerings. The car is made on a Buick chassis and is finished in a dull gray with elaborate trimmings that makes it one of the most attractive that can be found in this part of the west. The car was made to order for the Sattler funeral home and was secured by John Sattler, Jr., on his trip east and who drove the car back to this city last evening. The new funeral car will be placed in service at once by the funeral home.

Reavis for Congress

REAVIS From the Nebraska City News-Press The name Reavis appears on the congressional ballot in the First district this year and, if reports are correct, the young man from Falls City who is a nephew of the Frank Reavis, one of THE congressmen this district has had in Washington, is making a hit in the eleven counties of the district. A young man, with liberal ideas, young J. C. Reavis would make this district an able representative. Not of the "old" political school, nor tied down to any faction of any party, Candidate Reavis is finding favor wherever he goes. The dopesters say, too, that this is to be a Republican year in the First Congressional district. That makes it doubly imperative that the G. O. P. nominate a man of ability.

Reavis for Congress

Marshall Miller and Ralph Rosean of Emporia, Kans., were visiting at the home of Will Renner and family

the first part of last week. From there they went to Weeping Water, before returning home. Vote for Edna D. Shannon, Republican for Register of Deeds.
