Funeral of Mrs. William Hunter Tuesday

Services at Home Attended by Large Group of the Relatives and Old Friends.

The funeral services of the late Mrs. Wm. Hunter were held on Tuesday afternoon at 3 o'clock from the home on North 8th street and very largely attended by the friends with whom she had associated so many years.

The services were conducted by Dr. H. G. McClusky, pastor of the First Presbyterian church of which Mrs. Hunter had long been an active member. During the services two old and loved hymns, "Just as I Am," and "God Will Take Care of You," were sung by Mrs. Harry Nielsen and Mr. Raymond Cook.

In the services Dr. McClusky used the text John 5:51, "Verily, verily I say unto you, if a man keep my saying, he shall never see death."

The interment was at Oak Hill cemetery beside the husband, who preceded her in death on Sept. 11, 1931.

The pall bearers were nephews of the departed, they being Henry Hill, Howard Philpot, Clarence Hansen, Fred Hansen, John Hansen, and Harry Knabe.

The floral tributes were very many and beautiful, telling of the affection in which she was held.

And now she dwells where neither doubt nor fear, may find her breast. No trying pain may now disturb her or break her rest.

Ended the ache of living. Here she lies in wondrous peace. God left a smile about her lovely eyes with her release.

How oft we fretted her or caused her pain, we cannot say. Long hours she watched beside the window pane with us away.

Her sleep we broke with whimpers and sighs when we were ill. Nor thought it much to rouse her with our cries as children will.

But now we suffer so, and vainly call for her to come. Her feet will never tread again the hall. Her lips are dumb.

Love has no more sweet service to provide; But this we know, She'll watch for us upon the other side, who loved her so.

POLICE WAR ON SPEEDERS

From Friday's Daily The members of the night police force have been having trouble for some time with small commercial trucks from Omaha, used in hauling chickens from the rural districts, making a speedway of highway No. 75 through the city, last evening the officers cracking down on two of these.

Officers Pickrell and Stewart were on the job until long after their usual hour and secured two of the much sought speeders.

Officer Pickrell secured Joe Pirruccello, of Omaha, driving a Dodge truck who was speeding down Chicago avenue when halted by the officer and escorted down to the city jail. A cash bond of \$25 was supplied and the truck driver allowed to go on his way—at a lower rate of speed.

Officer Roy Stewart also captured an alleged speeder on Chicago avenue when Sam Sapp and his Ford truck was overhauled by the officer and he too compelled to put up a cash bond in the sum of \$25 for his appearance here Saturday for hearing on the charge of speeding.

There has been much complaint of the rate of speed of cars and trucks on the avenues, made by residents along these thoroughfares and the officers are opening a war on those who fail to keep within the limits of speed.

The next session of the city council will take up the matter of the speed regulations which are now being worked out by a committee and which will place the lawful rate of speed that may in the future be made by the motorists.

Rogers of the Rovers was the heaviest hitter of the team with three safe blows, one being a home run. Duda led the Dairy in hitting.

In the opening there were seven of the canners to trot over the pan for a lead that looked good to win. March lacked control in the opening but was able to check the hitters of the Packers in the rest of the game.
