Universal Bible Sunday Featured at M. E. Church

Splendid Service and Large and Interesting Exhibition of Bibles Shown at the Church.

Universal Bible Sunday was observed yesterday at the First Methodist church with a fine and inspirational service as well as a large and interesting exhibit of Bibles of rare types and many of great age.

The services comprised the sermon "The Light That Never Fails," by the pastor, Rev. C. O. Troy, who took as his theme the Bible, that has been the guide and the watchword of the peoples of the world since the dawning of the Christian era and to the Hebrews the "Law" that had guided these people through the years before the coming of the Christ.

The choir of the church presented an anthem, "Lord I Hear of Showers of Blessings," with a solo by Wilbur Hall to add to the beauty and majesty of the service.

There was shown at the church a large number of Bibles, treasured by many of the residents of the community through many years. One of the Bibles dated back to 1803 which was very interesting, while also there was shown a Bible bound with olive wood taken from the Mt. of Olives, two Bibles printed in Germany, two of the Greek testament, one of the Hebrew Law, and numerous modern versions of the Bible that had been donated for this most interesting exhibit.

KAY DON BEARS NO MALICE

Liverpool.—Kay Don, British speed driver, arrived here after spending ten weeks in jail at Douglas, Isle of Man, bearing no grudge against his jailors nor against the place that found him guilty of manslaughter after a racing accident. Don, who has set many automobile and speed boat records, announced he hoped to compete in several races in 1935 if his health and business permits. It was officially stated that ill health was the reason for his early release from jail. With time off for good behavior, his term would have ended Jan. 6. He was badly injured himself in the accident last May on Isle of Man in which his mechanic, Francis Taylor, was killed in a practice run with Don at the wheel. With Mrs. Don he planned to go to Florida after the holidays. Mrs. Don's relatives live there.
