

Death of Pioneer Resident of Cass County in East

Mrs. Celia Shyrook Dies at Detroit; Louisville and Plattsmouth Resident for Many Years.

Word has been received here by friends of the death at Detroit, Michigan, of Mrs. Celia V. Shyrook, 75, a pioneer resident of Cass county and well known in Plattsmouth and Louisville where she made her home.

The deceased lady, whose maiden name was Celia Valentine, came with her family to Plattsmouth in the early seventies and she in her girlhood was a member of the staff of the Nebraska Herald in this city, where she had learned to set type and was engaged for some time.

In later years she was married here to William B. Shyrook, the family later moving to Louisville where they made their home for a great many

years and where Mr. Shyrook conducted a drug store until his death. With the passing of the husband Mrs. Shyrook returned to this city to reside, later going to Omaha and then to Detroit. She has been making her home with her daughter, Mrs. Harry Chapman, formerly Miss Lillian Shyrook and at whose home she passed away.

While a resident here Mrs. Shyrook was an active worker in the St. Luke's Episcopal church.

Mynard Community Club to Present Show

"Mirage," Written by Raymond C. Cook, Club President, to Be Presented Feb. 13-14.

The January meeting of the Mynard Community club was held at their Community Hall in Mynard Friday evening and, as usual, the event drew a full house. The meeting was presided over by Raymond Cook, the newly elected president for the ensuing year, who called the meeting to order for the purpose of transacting the usual business of the club.

Of most interest to all was President Cook's announcement of the new play which is now being rehearsed and will be presented at the Mynard Community Hall on Wednesday and Thursday evenings, Feb. 13th and 14th. The title of the play is "Mirage," a musical comedy in four acts, with a cast of twenty persons, given in a typical western setting with cowboy songs and dress adding color to the scenes of the western range.

There will be many pleasant surprises for the audience as the well known characters are revealed and the many humorous situations, as they unfold, will guarantee to keep the audience in an uproar of laughter. The play will be interspersed with plenty of songs, some just off the press and others old favorites of the western range. The Mynard Community orchestra will accompany the choruses and render selections between acts.

The most interesting feature of the musical comedy, "Mirage," is the fact that Raymond Cook is the author, as well as director, he having written the entire score. Mr. Cook's ability along this line is too well known to need comment, as the shows which he has directed in the past have always been highly pleasing and very successful. "The Mynard Minstrels of 1934," which Mr. Cook directed and presented last winter, had to be given four times at Mynard to satisfy the public demand and the interest his new musical comedy is creating bids fair to equal that record. Already, at this early date, a number of inquiries have been received from over the county asking Mr. Cook to present his show in their communities.

During the business session of the club Will Nolte gave a short talk on the proper disposition of federal funds of which Cass county is entitled. It was unanimously adopted that an effort be made to secure these funds and this money to be applied in constructing and improving the rural mail routes and the farm-to-market roads of the county. President Cook was empowered to appoint a committee to petition our representatives and senators at Washington for this purpose.

After the business session of the club was concluded the meeting was turned over to the east side entertainment committee, of which Mrs. Chester Wiles is chairman, the other two members being Mrs. Guy Wiles and Richard Spangler. The curtain rose on one of the most beautiful scenes, in point of decorations and costumes, that has ever been presented from the Mynard Community club stage. The theme was, "The Kiddies Carnival," a sort of pageant in which the children taking part were costumed to represent the various characters of Mother Goose and other well known nursery rhymes. Well known nursery songs were interspersed to add to the pleasing effect of the entertainment. A great deal of credit is due Mrs. Chester Wiles, who directed the entertainment, as well as others who assisted, for such a successful presentation. Those who took part and assisted were the pupils from the Jean and Little Brick schools, Miss Young and her pupils from Cottonwood and Miss Reister and pupils from Eight Mile Grove schools.

Nebraska City Eliminates the Savoy-Krug Team

Local Basketeers Lose 23 to 16—Forbes and Knoffice, Guards, Unable to Play.

From Friday's Daily

Plattsmouth lost to Nebraska City in a very close guarding game last night at Glenwood. The first quarter was opened with a field goal by Chapman followed by a charity toss by Paren. Coffman made good on a free toss just before the quarter ended, giving Nebraska City the benefit of a 3 to 1 score. The second quarter saw Hardick shoot a long one while Donat made good on an under basket shot, the half ending 5 to 3. The locals made just one free throw good out of six attempts in this half while the City made one out of three.

The Plattsmouth defense continued to function so Nebraska City began taking long shots in the third quarter and rang up thirteen points to seven for Plattsmouth, the period ending 18 to 10. In the last quarter Plattsmouth scored six points to Nebraska City's five, the final score being 23 to 16.

Forbes and Louie Knoffice, guards, and Dusty Rhoades, reserve, were unable to make the trip. Rummel was bothered by a bad hip which slowed him down considerably, while Krejci, local coach, played with an injured knee. McCrary and Coffman, guards, played the usual good game. The box score of the game was as follows:

Savoy-Krug—		FG	FT	PF	TP
Arn, f	1	1	2	3	
Rummel, f	0	0	0	0

WOMAN TAKES OWN LIFE

Pirnceton, Neb.—Mrs. Emma Hogan, 28, wife of Leonard Hogan, was found dead in the corn crib at the Hogan farm Wednesday night when her husband returned from work. She left no note nor could relatives account for her act, saying her health hadn't been bad, tho' not the best. The Hogans were married less than two years ago, and have a baby seven weeks old. The husband is a farmer, living a mile and a half north and a half mile west of Pirnceton. Wednesday he substituted on a mail route and was away from home until 5 p. m. Mrs. Hogan was Emma Weimer of the Bennet vicinity. She leaves a brother and three sisters in Lancaster county.

SHOWS SOME IMPROVEMENT

Mrs. George K. Staats, who has been ill for some time past, is reported as showing improvement and which is most pleasant news to the members of the family circle. The many friends will be delighted to know that she has been able to show this pleasing rally.

Mayors of All Towns of County Invited Here

Mayor Lushinsky Extends Invitation to Be Here for the President's Ball Wednesday.

The mayors of the various cities and towns of Cass county have been extended an invitation by Mayor George Lushinsky of this city to attend the Presidential ball to be held on Wednesday evening, January 30th.

The ball is being held at the same time in over 5,000 communities of the nation as a tribute to our president and as well as to aid in his battle for the sufferers from infantile paralysis which for several years held him as a victim.

The receipts of the ball are to be divided on a thirty and seventy per cent basis, seventy per cent of the funds to go to local child health funds while the thirty will be sent to the foundation in New York City where it will be applied on the national fund to war on this dread malady.

It is hoped that the heads of the various city governments with their ladies may find it possible to attend the ball here and add to their gaiety and pleasure of this interesting social event.

Surtax on surtax net income in excess of \$4,000.

POLICY HOLDERS LOSE CASE

Chicago.—The United States court of appeals held that charges made on behalf of dissenting policyholders against handling of the receivership of the Illinois Life Insurance company were "unsupported by a shred of evidence."

The decision of the three judge court upheld the action of Federal Judge Wilkerson in assuming jurisdiction of the case. It commended conduct of the receivership by Gen. Abel Davis, who was appointed by Judge Wilkerson and whose work led to reinsuring a majority of the 70,000 policyholders of the defunct company with the Central Life Insurance society of Des Moines, Ia.

In addition to finding baseless the charges of the committee, the court assessed the appellants the cost of the appeal and in additional \$250 on the ground that it fell within the class of frivolous appeals.

ELECTED AS TEACHER

The board of education has elected as a teacher in the city schools Miss Dorothy Downey of Grafton, Nebraska, who has been a teacher in the Louisville city schools. Miss Downey is a teacher of several years experience and has been very successful in her work where she has taught. Miss Downey was elected to fill the vacancy in the teaching force occasioned by the resignation of Miss Helen Quimby, elected to teach in the Lincoln schools. The assignment of the teacher will be made later by Superintendent Devoe.

TO ABOLISH COMMISSION

Abolition of the Nebraska state railway commission and creation of a non-partisan public utilities commission are sought in a proposed constitutional amendment introduced in the senate Thursday by Senator Henry Pedersen (d.), of Guide Rock.

The new commission would have control over rates, service and general activities of common carriers and public utilities. If the measure is passed by both houses of the Nebraska legislature, it will be submitted to the voters in 1936.

The public utilities commission would be composed of six members who would be elected on the non-partisan ballot and would receive \$5,200 a year. The railway commission is elected on the political ballot and has only limited authority over utilities.

Senator Arthur L. Neumann (d), of Oakland introduced another proposal for submission of a constitutional amendment to repeal the double liability of bank stockholders.

QUESTIONED IN ROBBERY

Emporia, Kas.—Three Kansas City men were detained by police and questioned about the recent robbery of the First National bank at Scottsbluff, Neb. The three, William Runkers, Nova Woods and George Houlter, were picked up at a hotel Thursday night. Police said they discovered no evidence that the men are implicated in the robbery.

AN APPRECIATION

We desire to express our appreciation to the members of the Plattsmouth fire department and its officers for their work in saving our home. Their kindnesses will long be remembered.—Mr. and Mrs. Phillip Harrison.

Homestead Project Loses Half Million

Pet. Program of the First Lady Proves Costly Due to Errors and Experiments.

Washington.—Officials of the subsistence homestead corporation said the government stands to lose over a half million dollars on the homestead project at Reedsville, W. Va., in which Mrs. Roosevelt has been interested. The first lady has aided in its development and has visited it several times.

Charles E. Pynchon, general manager of the corporation, said part of the loss could be assigned to "experimentation" and part to "errors in judgment."

Pynchon said the government, on the basis of present figures, will lose about \$3,000 on each of the 190 cottages in the project.

A total of \$1,500,000 has been allotted for the project. The government is receiving an average of \$4,900 from the homesteaders for dwellings, to be paid over a thirty-year period with interest at 3 percent on the amount outstanding each year.

One of the errors of judgment, Pynchon said, was the purchase of ready-cut houses in the first group of structures erected. These were found unsuitable and had to be reinforced and supplied with basements. Officials said the purchase of these structures was the plan of Louis M. Howe, secretary to the president, who worked with Mrs. Roosevelt on the development.

AIMS CAMPAIGN AT ALIENS

Rockford, Ill.—The Illinois State Bar association is preparing to conduct a drive to remove from relief rolls all aliens who refuse to become citizens of the United States, it was announced. A subcommittee headed by Circuit Judge Shurtleff of Marengo will direct the campaign, association leaders said.

Under the plan the number of aliens on relief lists in all counties would be determined, and those who have not already declared their intention of becoming citizens will be asked to take out citizenship papers. The bar association will ask relief administrators to refuse relief to those who decline to seek citizenship. Members of the committee said deportation may be asked by the association for aliens who refuse to become citizens.

GUN FALLS AND KILLS MAN

Henry, Neb.—Ernest Thies, 30, filling station operator here, was accidentally shot and killed Wednesday while handling a .22 caliber automatic pistol at the station. The gun was believed to have fallen and discharged. The bullet penetrated Thies' heart and he died in a few minutes.

L. R. Glen, owner of the station, was in another room at the time and did not witness the accident. Thies is survived by his father, George Thies of Norfolk; and two brothers, H. F. Thies, Scottsbluff editor; and Arnold Thies of Gering.

Doctors Know!

... and they use liquid laxatives

You'd use a liquid, too, if you knew how much better it makes you feel. A liquid laxative can always be taken in the right amount. You can gradually reduce the dose. Reduced dosage is the secret of real and safe relief from constipation.

Just ask your own doctor about this. Ask your druggist how popular liquid laxatives have become. The right liquid laxative gives the right kind of help—and the right amount of help. When the dose is repeated, instead of more each time, you take less. Until the bowels are moving regularly and thoroughly without aid.

People who have experienced this comfort, never return to any form of help that can't be regulated! The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara, and these are natural laxatives that form no habit. It relieves a condition of biliousness or sluggishness without upset.

To relieve your occasional upsets safely and comfortably, try Syrup Pepsin. The druggist has it.
