Making Improvements at Garage The Garage of Murray basement, which was converted into a hall for dancing with the placing of a floor therein, but as the floor was not strong enough to stand up under the heavy weight of a large crowd of dancers, it has been torn up and a secondary floor of ordinary lumber placed thereunder, so as to provide greater strength and rigidity. Mr. Crosser and a number of workmen were busily engaged in this work last Tuesday and were getting along very nicely.

When the job is completed, they will have a first class dance floor.

Commandery Drill Team to the State Conclave

Local Knights Templar Organize Drill Team to Appear at Conclave at Omaha April 11th.

The drill team that will represent Mt. Zion commandery No. 5, Knights Templar, at the state conclave at Omaha April 11th, has been busy in the last few nights in the practice of their drills which will be presented at the state meeting.

There are eighteen members of the drill team, many of whom have been in competitive drill at the previous state convales. The team is rounding into fine shape in the drills and should be one of the chief contenders at the Omaha conclave.

The team is in charge of W. F. Evers, captain general, who directed the team in the drill last year at the Lincoln conclave and at which the members of the team were awarded Jewels in their winning of fourth place in the meet.

The drillmaster of the team is Milford B. Bates, a member of the Golden West commandery of Los Angeles, who was a member of the team of that commandery that won high honors at the triennial conclave of the Knights Templar of the United States, who has assisted greatly in rounding out the team for the forthcoming conclave.

been enjoying the visit very much. Mrs. Hay has also been visiting at Weeping Water with Mrs. Ida Young.

Murray Study Club. The Murray Study club met with Mrs. Fred Drucker for the March meeting, with almost a full attendance. March is the month for election of officers. Mrs. George Park was elected as president; Mrs. Glen Boedeker, vice-president; Mrs. Drucker, secretary-treasurer.

The April meeting will be with Mrs. George Reicke, Mrs. John Paris assisting. After the noon luncheon the afternoon study began with Mrs. Albert Young as leader. The subject was "The Worst Trait of Human Nature." This subject was prepared by our own Newton Gains and he outlined the worst trait, the one that effects all classes, as "selfishness."

Each member discussed this study and it seemed all phases were brought out. Hopeless is the individual who thinks he isn't. Mrs. Margaret Todd sang Booth's song, "Others," very fitting for the topic.

In closing the following verse was repeated in unison: If I can stop one heart from breaking, I have not lived in vain; If I can ease one life that's aching, Or cool one pain, Or help one fainting robin into its nest again, I shall not live in vain.

Card of Thanks. We wish to thank our many friends that showed their sympathy during the illness and death of our little baby son.—Mr. and Mrs. Harry Albin, Delbert and Marlene.
