Matthew Thingan is at this time commencing the construction of a farm home five miles northwest of Ashland, getting it in shape so that it can be enclosed and thus permit him to work on the interior during the colder part of the winter.

Mrs. J. J. Arnold, of Ohio, who has been visiting here for several weeks at the home of her sister, Mrs. L. Neitzel, and who spent some time at the home of another sister, Mrs. J. J. Martin, of Cedar Bluffs, returned to Murdock last Tuesday and will remain here until some time this week, when she will leave for California, expecting to spend the greater part of the winter there, unless the earthquakes should become severe enough to scare her out, in which event she will make haste in returning to her home in the east.

Mr. and Mrs. August Ruge and daughter, Ruth, attended the 75th anniversary celebration of the Methodist church at Otoe, Nebraska, last Sunday. Mr. Ruge's parents lived in the vicinity of Otoe (then called Berlin) in 1871 and the spring of 1872, when they returned to this community and joined the Louisville Evangelical church in 1873. While the parents lived on a farm some distance from town, they attended the German M. E. church there, which later was merged with the present English Methodist church. Murdock Girl a Winner

In the Citizenship contest which was staged by the World-Herald and the American Legion, Miss Rhoda Neitzel, daughter of Mr. and Mrs. Alvin J. Neitzel, was one of the winners for Cass county and went to the state contest in Omaha, where she was one of five girls selected from the state-wide group of contestants. She

is a real young American measuring up to the standards set for judging the contest in every way. Of an unassuming nature, she makes friends with everyone, and when she returns home from school, she dons a pair of unionalls and goes about the chores, which are one of the features of life on a farm. No wonder she was able to win this contest, for she is a worker and a close student of books, thus moulding herself into a capable and alert young citizen who will give account of the talents she has by multiplying them. Congratulations to you, Miss Neitzel, for the honor you have brought to Cass county.

Callahan Church (Murdock)

F. C. Weber, Pastor
Sunday school at 10 o'clock and worship at 11 o'clock.

Man cannot be made good, much less righteous and just in the sight of God by laws enacted by the state. The state can only attempt to keep order outwardly by laws and penalties of fine and imprisonment. Laws cannot change the heart of sinful men. Man is made righteous and just before God through the re-creation or regeneration of the heart, which is brought about by the Holy Ghost thru the preaching of the gospel.

Come to church and hear the Gospel of Jesus Christ for the salvation of your soul.

An Honor Well Deserved

The Murdock Evangelical church is very happy and proud of the honor that has come to one of its young members, Miss Rhoda Neitzel, who was recently named as one of the outstanding ten young citizens of Nebraska. She received a beautiful medal in Omaha in recognition of her attainment.

Miss Rhoda, in competition with many contestants from schools over the county, was chosen to represent her district in the finals in Omaha. Fifty-two young men and women who had been thus chosen from their respective counties met in Omaha on October 29-30-31 to determine the ten best. After a long, tedious intelligence examination and a complete physical test, Miss Neitzel stood among the five highest girls to receive the cherished award.

Thus we see Murdock is one of the finest, cleanest, and most substantial towns in Cass county, made up, on the whole, of God-fearing people—and all this because a good foundation was laid by the founders 44 years ago.

Watch Your Kidneys!

Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained. Then you may suffer nagging backache, dizziness, scanty or too frequent urination, getting up at night, puffiness under the eyes, feel nervous, miserable—all upset.

Don't delay! Use Doan's Pills. Doan's are especially for poorly functioning kidneys. They are recommended by grateful users the country over. Get them from any druggist.

DOAN'S PILLS

school building was sold, moved to town and is standing just east of the John Scheel home. The building that was erected in 1892 became overcrowded, and was sold to H. R. Schmidt, who converted it into two dwellings.

Ten years ago the present school was erected at a cost of \$45,000.00. The citizens of Murdock were alert to do the best for the youth and great sacrifices had to be made. But the result shows that the investments were well placed. Our graduates fill high and responsible positions—we would refer to the superintendent of the Lincoln school, Millard Lefler, who has held this position seven or eight years and is on his way to a still higher pinnacle of success in the educational world; Marion Schewe, athletic director at York, Nebraska; Millard Schewe, an electrical engineer of great ability; the three boys and one daughter of C. Baumgartner, of whom two are successful doctors, one a dentist and the latter a school teacher. Scores of teachers have gone out of our school and are making good. The last is Rhoda Neitzel, who was a winner in the World-Herald and American Legion contest, one of five girls from the entire thirteen districts of the state, and last but not least, Warren Rikli, son of L. R. Rikli, who was a fifth place winner in the 4-H club show held in conjunction with the Ak-Sar-Ben stock show.

Thus we see Murdock is one of the finest, cleanest, and most substantial towns in Cass county, made up, on the whole, of God-fearing people—and all this because a good foundation was laid by the founders 44 years ago.

From Saturday's Daily:
The Harry Doty pool hall at Weeping Water was robbed last night, reports to the office of Sheriff Homer Sylvester state. The party or parties that did the job made their way into the place of business by forcing a door in the basement and thence to the main part of the building and the pool hall. The night raiders made away with a quantity of cigars as well as the contents of various self serving machines.

It is thought the job may have been the work of the same persons who robbed the Coryell service station here Thursday night.
