The members of the W. C. T. U. held their regular monthly meeting at the home of Mrs. Isabel Jack on Friday afternoon of last week.

Each member in response to roll call gave the qualities of a good citizen. A very interesting lesson on "Citizenship," was presented by Mrs. Irene McFall and assisted by Mrs. Adee and Mrs. H. L. Scattergood. Mrs. D. J. Schuylerman conducted a test by reading parts of familiar poems. Each person wrote the name of the poem and also the author's name.

Following a social hour, delicious refreshments were served.

Welcome visitors were Mrs. Fred Rudolph, Mrs. John Fischer, Mrs. Orin Lanning, and Dorothea Keil.

Methodist Church.
D. J. Schuylerman, pastor; G. H. Palmer, S. S. Supt.

10 a. m. Sunday school.
11 a. m. Morning worship.
7 p. m. Epworth League.

Everyone is cordially invited to attend all the services each Sunday. We are hoping to exceed last year's Sunday school attendance record during this pre-Easter period. Be present next Sunday and help accomplish this goal.

Special music is rendered each Sunday by the choir which meets on Wednesday evening.

141 NEW FEVER CASES
Omaha.—Dr. Millard Langford, Omaha public health director, said Saturday that 141 new cases of scarlet fever were reported to the health department here during the past week. Dr. Langford said the disease is apparently spreading thru the city at present at nearly the same speed as during last December when 160 cases were reported in one week. He again warned against large gatherings of children.

City Council Has Busy Time Monday Night

Many Matters Press for Attention of Members—Appoint the Election Boards for City.

The city council had a long and busy session Monday evening with a large number of matters coming to their attention that ranged from the WPA work on Sixth street to the appointment of judges and clerks of election for the coming city election.

A petition was received from B. C. Cohn asking permission to cut the curb for a driveway and which was referred to the streets, alleys and bridges committee for investigation and power to act, but to see that the driveway was made of the proper height.

Mayor Lushinsky of the board of health reported what cases of childish maladies that were in the city were all progressing nicely and the parties well on the highway to recovery. He also reported that a cesspool near south 9th street had been placed in proper shape.

Police Judge C. L. Graves reported that for the week of March 12, there had been one arrest, fine and costs, \$4.25 and for the week of March 19, one arrest with bond supplied for the fine.

Councilman Puls of the cemetery committee stated that they had contacted several other places relative to the workings of a cemetery board or association. He called on City Attorney Davis who discussed the matter of a cemetery board rather than an association, this board under the law being provided to be appointed by the mayor from the citizenship, of the community and no city councilman or mayor to be a member.

Councilman Charles D. Palmer stated that an association at Creston, Iowa, had successfully managed the cemetery there for years and had full control of the operating.

Councilman Schutz reported that he had visited Nebraska City and inquired into the operating of Wyuka cemetery there which is operated by a cemetery association and a board of control of three members. All lot owners were assessed \$2 per year and the city derived all of the income from the cemetery, the board hiring the sexton and the city securing the fees. Mr. Schutz also had investigated the Ashland cemetery, which was purchased recently. The city has set a price of \$100 per lot and half at \$50, the city also collecting a fee on the tombstones. The cemetery guaranteed perpetual care. The response had been excellent. The city clerk had been the chief official in handling the affairs of the board.

Mayor Lushinsky asked that the committee prepare an ordinance that could be presented at the next meeting of the council to cover the matter of change in method of governing the cemetery.

The council heard a discussion of properties that were ready for foreclosure and also the real estate on which the city would ask sale confirmation at once given by Chairman Webb of the claims committee, in charge of this section of the city government.

Chairman Tippens of the streets, alleys and bridges committee, reported that all work ordered had been looked after as well as two repair jobs on Chicago and Washington avenues where the paving had been bulged up. Mr. Tippens, stating that the city had plenty of brick on hand, suggested that a walk be placed along Oak street leading to Oak Hill cemetery, the city to provide the brick and the property owners to place in the walk.

It was decided to lay the matter of the walk over for further investigation.

Chairman Rebal of the license committee reported favorably on the applications of William Sweeney, A. J. Kaeheiser, B. C. Cohn, R. W. Wasley, Edward Donat, for an on and off sale license, and on the applications of Emil Ptak, Henry Timm and Carl Chriswiser for on sale licenses. The council adopted the resolution of approval and which was transmitted to the state commission at Lincoln for the issuance of the licenses.

Chairman Rebal of the license committee also reported that on the matter of the application of the Nelson Flying Circus for permission to stage an advertising campaign by plane over the city for fifteen minutes each day, that he had found sentiment divided among local merchants. Several of the councilmen had been assured that the plane advertising would be for products sold in local stores. Councilman Vroman was very much in favor of the proposition and on his motion to grant the permission it carried, Puls and Schutz vot-

ing no and Bestor, Webb, Selver, Tippens, Rebal, Palmer, Vroman and Brittain voting aye.

The application of Phillip Hofman for an on and off sale beer license was received and referred to the license committee to be advertised and the hearing date set.

Councilman Vroman complained of residents of the city burning leaves and rubbish on the curbs and paving over the city and he wished the matter stopped. The mayor stated the city already had an ordinance to the effect and that notice would be published to the property owners.

Considerable time was taken up in the discussion of the matter of the sidewalk situation on Sixth street. Chairman Bestor of the WPA committee reported good progress now being made, that the rain of Sunday had done some damage that would be fixed at once. The engineers in charge of the work had recommended some change in the grade at North Sixth street for the sidewalks on both sides, the WPA to supply the labor for the building of uniform walks.

City Attorney Davis was called upon and stated that the engineer had suggested the lowering of the curb and sidewalk line, that the city attorney prepare papers for the property owners to sign on waivers so that the new grade might be established and new walks placed. The city attorney stated that this was his only knowledge of the matter which had been suggested by H. H. Henningsen, the engineer hired for the job.

Mayor Lushinsky inquired as to the cost of material to the property owners for the material. He also urged that the same proposition be submitted to the property owners on the South Sixth street portion of the paving district where there had been dissatisfaction over the walk and curb.

Councilman Webb urged that the opportunity to have the walk situation adjusted be granted also to South Sixth street and which seemed the general opinion of the council.

It was moved that the waivers for the property owners be prepared and presented as wished by the WPA and that Engineer Henningsen be brought here to explain the matter to the property owners. On the motion Bestor, Tippens, Selver, Puls, Palmer and Brittain voted for the motion and Webb, Rebal, Schutz and Vroman voting no.

Mayor Lushinsky stated that the week from April 5th to 11th had been designated as cleanup week and that all property owners and others should get their places cleaned up and the city would have wagons around to help haul debris that had been collected.

The members of the council then selected the various judges and clerks of election to serve at the election on Tuesday, April 7th:

First Ward
Judges: John A. Lbershal, Val Burkle, Joe M. Hibber. Clerks: Mrs. Robert Reed, Mrs. Lucille Gaines.

Second Ward
Judges: Mrs. A. F. Seybert, Miss Anna Heisel, James Nowacek, Sr. Clerks: Mrs. John F. Gorder, Mrs. Gladys Groff.

Third Ward
Judges: Jess Perry, John F. Wolff, Mrs. Helen Heinrich. Clerks: Mrs. Cyril Kalina, Mrs. Robert Will.

Fourth Ward
Judges: John Ledgway, Broyer Keitelsen, Clyde Brittain. Clerks: Vera Johnson, Mrs. Katherine McCarthy.

Fifth Ward
Judges: M. B. Allen, R. H. Harris, James Ault, Clerk; Mrs. Adam Marshall, Mrs. Herman Gartleman.

The city council heard a very interesting discussion of the matter of the refunding of the city bonds that were soon to become due, given by a representative of one of the large Lincoln bond houses. He urged that the city take the matter up now while the bond markets were up. This matter was laid over until later when the city will take the matter up and be in a position to talk business with any of the bonding houses.

The following claims were allowed by the city council:

L. W. Egenberger agency, additional premium comp. \$ 87.23
