FUNERAL OF FRANK DETLEF

The funeral services of the late Frank Detlef were held on Sunday afternoon at 2 o'clock at the Sattler funeral home where a group of the old friends and neighbors gathered to pay their last tributes of respect to the memory of this kindly gentleman.

Rev. G. A. Pahl, pastor of the St. Paul's Evangelical church, was in charge of the services and brought to the members of the bereaved family and friends the comfort of the Christian faith.

During the services the choir of the church gave two of the old and loved hymns.

The body was later taken to Glenwood where it was laid to rest in the family plot in the cemetery.

Frank Detlef was born in Mills county, Iowa, December 5, 1881, growing to manhood in that county and where in February, 1909 he was married to Miss Amelia Tuchenbagen. They made their home in Mills county where Mr. Detlef was engaged in farming, until some fifteen years ago when the family moved to Plattsmouth and have since made their home here.

He is survived by the widow and one son, Ferdinand, a step-mother, Mrs. Johanna Detlef and two half-brothers, Chris and Charles Detlef of Balfour, Iowa, as well as a sister, Mrs. Minnie Roenfeld, Mineola Iowa.

SOCIAL WORKERS FLOWER CLUB

Mrs. George Mumm, vice-president, had charge of the meeting in the absence of the president, Mrs. Mike Kaffenberger.

Fifteen members answered to roll call. Two visitors were present. Mrs. Arthur and Mrs. Everett.

This was the first meeting the club had held for a number of weeks, owing to so much snow and bad weather.

Following a social hour delicious refreshments were served.

The next meeting will be April 8th at the home of Mrs. James Lepert and will be assisted by Mrs. Phil Lepert and Miss Helen Johnson.

FOUR MILE CLUB NOTES

The members of the Four Mile Community club met Friday, March 27, at the home of Mrs. Joe Bieri. All members, except one, and two visitors were present.

The meeting, called to order by the president, was opened by the singing of several songs. The election of officers for the coming year was held, the result being:

President—Mrs. Earl Becker.
Vice-president—Mrs. John Wehrbein.
Secretary—Mrs. Henry Born.
Social Leader—Mrs. Russel Standen.

News Reporter—Mrs. Henry Nolting.
Project Leaders—Mrs. Joe Bieri and Mrs. Leonard Stoehr.

After a discussion of the next meeting which is to be a gathering of all the clubs in this locality, at the Methodist church at Plattsmouth on April 1; the lesson of the month, "Flowers for Every Yard," was presented. The project leaders, Mrs. Philip Kehne and Mrs. L. G. Meisinger, were then given their gifts from the club.

A delicious lunch was served by the hostess and her assistants, Mrs. Henry Born and Mrs. Claude Mayabb.

The club met in December at the home of Mrs. Hugh Stander for a Holiday Tea. The lesson for the month gave the ideas of correct social entertaining. Several visitors and a new member of the club family, L. George Born, were present.

The Christmas party for the club members and their families was held at the home of Mrs. Claude Mayabb. The evening was spent in the exchange of presents and Bingo.

A meeting was held at the home of Mrs. Earl Becker in February. She was assisted by Mrs. Henry Nolting and Mrs. Russell Stander. Snow drifted road made it impossible for several to be there. The month's lesson was "Home Needlework." Many samples of this art were demonstrated by the leaders.

GOES ON RAMPAGE

From Wednesday's Daily
Robert Dickey, who resides on Lincoln avenue, was the cause of considerable excitement to Sheriff Homer Sylvester, who was aroused from his peaceful slumbers this morning shortly after 3:30. The sub-station of the Iowa-Nebraska Light & Power Co., notified the sheriff that Dickey was at the station and barefooted and apparently in a bad mental state. Dickey was suffering from the idea that someone was pursuing him and threatening him in his home. He had become so obsessed with this idea that he had fled from the home barefooted and through the snow to the station several blocks away from his home.

A VERY DANGEROUS PLACE
One of the dangerous places for auto traffic in this vicinity is that of the "four corners," just south of this city where an east and west road intersects the Rock Bluffs road, one of the heavy traveled highways in this section.

The first part of the week an accident occurred there which turned out most fortunately, as several might easily have been injured.

A car driven by Ed Stava was going west toward the Horning school when a car driven by a young man came from the south and swung into the west bound road and crashed into the rear of the Stava car which con-

tained several school children, the Stava car turning over, but fortunately no one was injured. The view of the two roads is obscured at the point of intersection and makes it very easy for an accident and the matter should be remedied if necessary by the use of stop signs.
