## UNION ITEMS.

Mrs. Jennie Frans is spending several weeks with the R. H. Frans family at Syracuse.

Mr. and Mrs. Moss McCarroll were Easter day guests at the home of their friends, Mr. and Mrs. Herman Comer.

Fred Woolsey, resident of Otoe county, was a visitor in Union last Monday, coming up to consult with George Stites on some matters of business.

Sherman Hathaway, who conducts a cafe and amusement parlor in Murray, was looking after business matters and greeting his friends here on Monday afternoon.

Mr. and Mrs. Con Watkins entertained a number of guests for Easter dinner last Sunday, those present including Mr. and Mrs. Chas. Land and Fulton Harris and wife.

James Dysart who has been working on the farm for his sister, Mrs. B. M. Cline, over near Rock Bluffs, for the past couple of weeks, returned to his home in Union last Sunday.

Bart Wagner, of Murray, where he conducted a restaurant for some time prior to disposing of it a few weeks ago, was looking after business matters in Union Monday afternoon.

Mrs. F. R. Fenn, of Solomon, Kansas, arrived in Union last Friday for an over Easter visit at the home of her uncle, Mont Robb and daughter, Miss Augusta. She returned to her home Sunday evening.

Herbie Kuntz, of Nehawka, was a visitor in Nebraska City, a few days since, and on his return stopped in Union for a friendly visit with H. W. Griffin, the two being engaged in the same line of work, that of blacksmithing.

Dale Porter, who suffered a badly sprained ankle recently while about his work, is now getting along nicely, although still compelled to use a pair of crutches to get about. It will be some time yet before he is able to return to work.

Dean Gillespie, the barber, moved his shop Monday from the place he has been occupying to the basement room in the bank building. The place he has been occupying is to be occupied soon by the liquor store that has been located on lower Main street for some time.

Mrs. Addie Cross invited Mrs. Fannie Upton, Mrs. J. T. Carper and Mrs. Eikenbary to have supper with her last Saturday evening, for a last visit together of these old friends before Mrs. Upton moves to the farm home Monday, where she will spend the summer with her son, Earl and wife.

At the Methodist Bible school last Sunday there was an attendance of 83 in the different classes, and one entire class of twelve was absent due to their going to the Baptist church to assist with the Easter festivities there incident to the visit of the Nehawka Masonic lodge at the morning service in a body. This is a good attendance record and shows there are still some people who find time to attend religious service on the one day of the week set apart therefor.

### First Game of the Season

At the Sciota baseball park, a team composed of ball players residing south and east of Union in Otoe county engaged in a game with the Union team last Sunday, this being the first game of the season to be played in these parts. The score was 15 for the Union team to 3 for the Otoe county lads.

### New Officers Elected

At the recent village election on April 7, Dr. R. R. Anderson, H. W. Griffin and C. E. Morris were selected by the voters to occupy places on

the town board. All three are new men, and will take over the reigns of village government at the beginning of the new fiscal year May 1st.

However, they are all good, level-headed business men and should be able to step in and keep the affairs of the town on an even keel during their term of office.

### Little Jack Burch Arrives

On last Sunday (Easter day) there arrived at St. Mary's hospital in Nebraska City a fine baby son, born to Mr. and Mrs. Jack Burch. The father of the lusty youngster is employed on river work in this vicinity and the mother was formerly Miss Harriet Leach. Mr. and Mrs. Edward Leach, parents of the mother, were in Nebraska City that afternoon to see the new grandson, who has been named after his father and will be known as Jack Burch, Jr.

All are doing nicely with the exception of Grandfather Leach, whose pulse is greatly quickened, but he is expected to recover from his elation over the new arrival.

### Will Wed in June

Monday's issue of the Omaha Bee-News carried a picture of Miss Dorothy Foster, one of the instructors in the Union schools, who is to be married in June—month of roses and brides—to J. Dan Houdton, of Nebraska City. The bride-to-be is a daughter of Mr. and Mrs. R. E. Foster of Union and has many friends who will be interested in learning of her approaching marriage, wishing her a wealth of happiness.

### Easter Services at Baptist Church

This was the year for the holding of Easter services for the Nehawka Masonic lodge in Union (where a goodly number of the lodge members reside) and accordingly a special service was arranged at the Baptist church, with space reserved for the members of A. F. and A. M., who attended in a body. The sermon was of special interest to Masons and was delivered by the secretary of the Nebraska Baptist Missionary society, who also acts as supply minister for the different churches.

There were some forty members of the Masonic fraternity present, about half from each of the two towns.

Sixty-nine were present at the Easter breakfast served in the basement of the church early Sunday morning.

### Will Work and Preach

E. C. Barton, a colporter for the Nebraska Baptist Missionary society, will conduct a campaign in Union for the placing of Bibles in every home, working at this during the week and conducting services at the local Baptist church each Sabbath day.

The church here has been without a regular minister for some time and the presence of Mr. Barton in the community permits of the holding of regular services.

### National Music Week

National Music Week will be observed in Union with a musical presented by local talent on Tuesday, May 5th. This is sponsored by the Union Woman's club. You will wish to come, so keep this date open—Tuesday evening, May 5th, at the Baptist church.

### Many People Wanting Corn

The Stites elevator is finding plenty of demand for all the corn they can buy. The condition of most of the 1935 corn crop is such that it is

not greatly in demand for manufacturing of cereals, but this is more than offset by the heavy demand for corn among cattle feeders, holding prices up to a good level.

On Monday of this week there were four trucks here from distant points, seeking corn, and the four of them hauled away more than a thousand bushels.

John Carlson was also up from the southern part of the state on one of his regular trips here, taking back a truck load of corn for feeders residing in that vicinity.

Unless a good crop is raised this year, there will be a serious corn famine in the land.

### New Cafe Completed

The new cafe which has been under construction for some time, and which is to be occupied by Mr. and Mrs. John Fitzpatrick with an up-to-date eating house that would be a credit to towns much larger than Union, is now nearly completed, only a small amount of finishing work remaining to be done to have it in readiness to turn over. Probably by the end of the present week, Mr. and Mrs. Fitzpatrick will be established in their new place of business.

### Now Member Large Detective Force

Elmer Withrow, of Union, who has been employed at the George Stites elevator, has recently accepted a position on a detective force. With the appointment, also goes the position of managing the Long hotel.

Mr. Withrow is assisted by a very fine and talented group of Union residents in his new venture. They have worked very hard in their new enterprise and will show you the results Friday evening, April 17th, at the M. W. A. hall in Union.

The Fire Department are responsible for the promotion, as they are giving a home talent musical comedy, "Why Wonder," on that date.

Mr. Withrow is assisted by the following people in giving one of the finest productions ever to be given by local talent: Bernard Morris as Bob, the bell boy; Hazel Fitzpatrick as Bobbie, the maid; Evelyn Mead as Virginia Long; Olin Morris as Dick; Ralph Pearsley as Wilfred Brown; Carl Hanson as Frank Parsons; Mr. Rihn as Mr. Wells, an attorney; Maxine Jarvis as Mrs. Spruce; Opal Griffin as Sue Long.

The production is made doubly interesting with a clever plot, duet numbers, dance routines and good specialty numbers.

One routine is very pretty with the girls dressed in colorful costumes and flash lights on their ankles and wrists. The auditorium is in darkness during this number except for the illumination made by the flash lights.

An evening of splendid entertainment is promised the patrons. All are urged to attend and give the Fire boys a lift.

### M. E. Ladies' Aid.

Mrs. Wayne Ackley was hostess to the M. E. Ladies' Aid on last Thursday at an all day meeting where a covered dish dinner was served to a goodly number of the members who spent the time utilizing.

Mrs. Fletcher, Mrs. Gillispie, Mrs. Pugh, Mrs. Frances Crawford and others assisted Mrs. Ackley during the dinner hour. A number of the business men came in to partake of the excellent dinner, while their contribution insured its success in a financial way.

### SHOWS SOME IMPROVEMENT

The many friends of Mrs. William Weber, for many years a resident of this city, will be pleased to learn that she is showing some improvement altho still very critically ill. She is at the home of her daughter, Mrs. Stef Steffin, at Bellevue, where she has passed the winter. Her condition has been so grave that members of the family from distant points were called to her side the last of the week, Mr. and Mrs. William Weber of Aurora, Illinois, the former a son, and Miss Jeanette Weber of Oklahoma City, a daughter, were here to be with the other members of the family, while Mr. and Mrs. Henry Starkjohn, the latter a daughter, have also been at Bellevue the greater part of the time in the last few days.

### BOMBING OF A HIGH SCHOOL

Kansas City.—A dynamite blast late Saturday night wrecked the entrance to East high school here, shattered windows of the four story building and threw many residents of the vicinity out of their beds. The three doors of the main front entrance and the inner doors were shattered, and the inner front corridor defaced as it raked by gunfire. Police had no clue as to the reason for the bombing.

"See it before you buy it."

## PUSH FRAZIER PETITION

Washington.—The Frazier-Lemke petition which would force a house vote on the \$3,000,000,000 inflation-farm mortgage refinancing bill, was but a few names short of completion as the house adjourned. The petition had 214 signers, precipitating a dispute as to how many names were required to complete it. There are six vacancies in the house at present, making a sitting membership of 429. The petition rule requires signatures of a majority of the members.

## HURT IN CAR-TRUCK CRASH

York, Neb.—An operation was performed at a hospital here on J. P. Rea of McCook, for injuries suffered when his automobile and an oil transport motor truck collided on a highway near McCook. Attendants said a laceration on his arm severed the muscles and tendons in such a manner that he lost control over his hand. He also suffered minor cuts and bruises. His brother, M. W. Rea, riding with him, was cut and bruised. Rodney Ainsworth of Humphrey, driver of the truck, was uninjured.

## SECOND TRAFFIC DEATH

Omaha.—Death of John Tubrick, deaf mute, in the county hospital here early Monday brought to two the total of deaths due to automobile accidents in Douglas county Easter Sunday. The other victim was Alvin Czapezinski, 21. Mrs. John Tubrick, knocked down by the same automobile that struck her husband, was reported recovering in the county hospital from painful, but not serious, injuries.
