During the week Carl O. Zaiser sold to Henry Huntmen a new tractor, taking an old one in part payment which he disposed of to Bert Greenrod. Mr. Zaiser also disposed of a Pontiac automobile to a party in Omaha.

Marion Pittman, carrier of the rural mail out of Avoca, has treated himself to a new V-8 auto. He had a 1934 model which he liked very much, but with two full years of service he thought it well to exchange it for a 1936 model.

Prince May Marry Dressmaker

Margareta Brambeck

Sweden's royal family, disturbed once in recent years by the marriage of a princely son to a commoner, may find history repeated if rumors are true that Prince Bertil, whose grandfather is King Gustav of Sweden, is to marry a commoner, the beautiful Margareta Brambeck, Stockholm dressmaker.

and son, Donald, Bert Mickel and wife, Harry Mickel and wife and daughter, Fred Ruhge and son.

Senior Sneak Day Tuesday.

The senior class of the Avoca high school, well equipped for traveling, took advantage of the quietude of the election day and sallied forth with Omaha as their destination and were to look on real life and the many phases of business life and activity in the manufacturing and commercial districts of Nebraska's metropolis. They had a very fine time. They were accompanied as sponsor, by Superintendent Larson.

Enjoyed Easter Dinner.

Scarlet Fever Better.

Those who have been suffering from the scarlet fever are all about well but Ernest Emshoff has just got it and while he is having it fairly bad is getting on and caring for himself and it is hoped he will be over it in a short time.

Meets with Serious Injury.

While Mr. and Mrs. James Colleen were driving along the highway, they coming near a stalled truck on the other side of the road, there shot out from behind the truck a car driven by Robert Johnson of Nebraska City and as they were so close when the car appeared there was no possible way of avoiding a collision which happened headon.

Mr. and Mrs. Colleen were both very seriously injured and were taken to the hospital of Dr. Dieder at Otoe where they are being cared for. Mrs. Colleen who is daughter of Mr. and Mrs. Max Straub, was very seriously injured, she having her knee cap severed and a large contusion on one of her hips with face and body wounds and suffered great loss of blood before she could be taken to the hospital for treatment. The husband was later taken to the hospital where it was first thought that he was dead from loss of blood. His lower jaw was broken at the chin and a severe wound across the breast and otherwise badly bruised, with a number of ribs broken.

On Tuesday evening Mr. and Mrs. Straub visited them at the hospital, finding them better but very seriously injured.

SEED LOAN FUND INCREASED

Washington.—The farm credit administration said it had received official notice that the allotment for 1934 seed loans would be increased by President Roosevelt from 30 million to 37 million. Officials said 7 million would be transferred from resettlement administration funds and that this would be used largely to provide loans for resettlement clients who had been denied FCA seed under a previous ruling.

The 30 million seed loan fund, coming from emergency relief appropriations, was set aside by the president after he vetoed a 50 million seed loan appropriation bill. About 20 million has been allotted and the remaining 10 million was expected to be made available when needed. After resettlement clients, who were receiving direct grants, were denied FCCA loans, a move was started in the senate to override the president's veto. Officials said the new allocation and modified regulations by the FCA was expected to prevent pushing for senate action.
