### HOW MUCH DO YOU KNOW?

Millions of persons throughout the world know all about Elbert Hubbard's famous essay, "A Message to Garcia," but few know the act of heroism and initiative it represented. It all makes a good game to play, because 90 per cent or more of the people who know about the "message" know nothing of the names or facts in the story.

Bring your answers to the following questions to the box office of the Cass theatre before 6 p. m. Saturday. The persons having the correct answers will be presented with a pass to the theatre:

1. Who carried the "message to Garcia?"
2. Who sent the "message to Garcia?"
3. Where was the "message to Garcia" sent from?
4. Where was the "message to Garcia" delivered?
5. What information did the "message to Garcia" contain?
6. What American author wrote a world-famous essay entitled, "A Message to Garcia?"
7. Of what war was the carrying of the "message to Garcia" a heroic feat?
8. In what year did this war take place?

Cass county has no bonded indebtedness, as, like the state, it has paid cash for its gravel roads and other improvements. That's a mighty good policy to pursue.
