Carnival is Drawing Large Crowds Nightly

Excellent Shows and Attractions Provide Entertainment for Residents of Community.

The visit of the Gibbs Shows in the city is the first visitation of a carnival group in a number of years and is proving a popular entertainment place for those who enjoy the gayety, bustle and stir of the midway.

The shows are all new and attractive and carry a very large group of entertainers in various lines that have proven popular with the public in the two nights that they have been showing.

Large attractions are the colored minstrel show as well as the Hawaiian show that provide musical acts and dances for the gratification of the crowd. The athletic show is also a feature of the carnival and has drawn a large number of the sport fans to witness the bouts in which local people are pitted against the carnival boxer.

Smaller individual shows that have proven popular are the fan dancer, a very clever act, Major White, colored midget, and the ossified man, the last a real wonder.

The usual array of riding devices and concessions complete the midway and the circle of gayety.

HEAR TALK ON NAVY

A very interesting and out of the ordinary type of program was presented at the meeting of the Rotary club Tuesday noon at the Moffitt cafe. The chief feature of the program was the illustrated talk on the United States navy and its various branches of training, presented by Ernest Brown, former Plattsmouth young man, now in the naval recruiting service at Omaha.

Mr. Brown had with him a fine array of talking pictures and scenes of the actual training of the sailor and the life on the boats in the service of Uncle Sam.

Fine descriptions were given of the submarine service, one scene showing the rescue of an imprisoned crew in a sub by means of the torpedo tubes and also a radio controlled vessel which moved according to the wireless waves in the hands of an operator at a distant point. The air service of the navy was also shown as well as the daily life of the sailor on the battleships, cruisers and other types of the vessels of the fleet.

The program was very interesting and gave the members of the Rotary club a fine insight into the activities of this important front line of the national defense along our far-flung coast lines.

Red Cross Swimming and Life Saving

Closes One of Most Successful in the History of Organization - Climaxed by Water Pageant.

More than a thousand persons from a wide area were spectators at the Water Pageant at the Louisville lake, Sunday, July 26th, which closed the swimming program sponsored by the Cass county chapter, American Red Cross.

Under the management of Mrs. R. E. Norris, Weeping Water, life saving chairman of the chapter and Mr. Loren A. Huizda, instructor and examiner, more than 700 persons were instructed in swimming during the three weeks swimming program. Over the loud speaker at the beginning of the water pageant, Mrs. Norris expressed her thanks and appreciation to those assisting in the instruction and co-operating in making the swimming program successful. She listed all names and with her remarks they become a part of the chapter record.

We are sure Mrs. Norris has won the devotion of parents and children for all time by the interest she has taken in their welfare. Especially do we wish to mention her outstanding work in the rescue from drowning in Merritt's Beach July 12 little Leone Parker of South Omaha, who was not enrolled in the class but who got into water beyond her depth.

In appreciation of the excellent and untiring service Mrs. Norris is volunteering and giving during this swimming program a 24 unit First Aid Kit was presented to her for her car.

FINAL RECORD OF SOFTBALL PLAY TO BEGIN AUGUST 3RD

The third and last section of play for the 1936 softball league play begins August 3rd with the Budweiser team opposing the Chevrolet.

August 17—Donats vs. Murray.
August 18—Conis Cardinals vs. Chevrolet.
August 21—BREX vs. Timm's Budweisers.
August 24—Murray vs. Chevrolet.
August 25—BREX vs. Donats.
August 28—Conis Cardinals vs. Timm's Budweisers.
August 31—BREX vs. Chevrolet.
September 1—Donats vs. Timm's Budweisers.
September 4—Conis Cardinals vs. Murray.

TO VISIT OLD HOME

Mrs. W. T. Adams, who has been making her home at Lincoln with her son, Maxwell Adams, secretary of the state liquor commission, is in the city to enjoy a visit with the children here. Mrs. Adams is feeling much better after a very severe illness for the winter and is anticipating a pleasant stay with the children. Mrs. Harry Nielsen and family and J. E. Adams and family as well as with her niece, Mrs. H. F. Goos and family.

From Wednesday's Daily
Claus Tams of Nebraska City, a former resident of Plattsmouth, was here today to look after some matters of business in regard to his property here.

Murray

Alva G. Long was looking after some business matters in Plattsmouth last Saturday evening.

The Nickles lumber yard received a car of lumber this week, which has been unloaded and stored in their sheds.

Mrs. D. C. Rhoden, who has been visiting with her parents in Illinois for a week, returned home the latter part of last week.

Mrs. George Troop, whose health has not been the best of late, went to Kearney last Saturday, where she entered the hospital for treatment for lung trouble.

Tom Nelson spent Sunday in Omaha, where he was a guest of his son Lawrence and attended a moving picture show in the evening before returning home.

Otto Wohlforth, of Plattsmouth, salesman for the Cass County Motor company, was a business visitor in Murray last Monday. Otto reports the sale of many cars of late.

Oliver Schriver, who resides east of Union, was a visitor in Murray Monday morning, coming to secure some lumber and building materials for the repair of his chicken houses.

Mrs. W. O. Troop and her granddaughter, Miss Avis Troop, were in Plattsmouth last Sunday, where they visited Mrs. William Gorder, daughter of Mrs. Troop and aunt of Miss Avis.

Mrs. Armstrong, of South Dakota, who has been visiting friends in and about Plattsmouth, was a guest last Sunday at the home of Mr. and Mrs. Fred Drucker, of Murray, where all enjoyed a very fine visit.

M. G. Churchill and Sherman Hathaway were in Lincoln Monday, where they looked after business matters and attended the convention of the Master Painters of Nebraska, remaining for the evening banquet.

C. D. Spangler and wife and Mrs. Margaret Todd were in Omaha last Sunday evening, going to take Dick Todd and Charles Spangler to Camp Brewster, where they will join a group of 4-H club boys who are spending a week at the camp there.

Lois Troop, in company with a party of young people, is spending a portion of the hot weather season in the mountains of Colorado, where the climate is much more conducive to human comfort than the 110 to 114 degree days that have prevailed here of late.

Rev. Loyd Shubert and wife were at Plattsmouth Sunday, Rev. Shubert conducting the morning service at the Christian church there. The Plattsmouth church has recently lost its minister, who has accepted a call to service in Iowa. Rev. and Mrs. Shubert also spent part of the day visiting with friends in the county seat, following the morning service hour.

Mr. and Mrs. Hobart Blake, who formerly resided at Johnson, arrived here late last week and have taken over the produce station which has been conducted by Russell Overhiser and wife. They took over the business Saturday and on Monday Mr. Blake went to Johnson with a truck for their household goods. In addition to conducting the station, they expect to carry a stock of merchandise.

Played at Louisville

The Murray Reds, local baseball team, were at Louisville last Sunday, where they played the Cedar Creek team, winning the game by a 13 to 11 score.

Will Reside in West

Russell Overhiser, who has been employed in the western part of the state for some time, is preparing to farm there the coming summer. Mrs. Overhiser, who has been conducting the poultry and produce station here since Russ went out there to work, last week disposed of the business here and left for the west to join her husband. Mr. Overhiser will be here after their household goods some time this week.

Underwent Operation

Mrs. W. G. Boedeker, who has been troubled frequently by gall bladder trouble, underwent an operation at the Methodist hospital in Omaha Monday for the removal of the gall bladder. Although the operation was a very severe one, she rallied nicely from its effects and at last reports was resting fairly well.

Met with Mrs. Farris

The young people of the Presbyterian church of Murray, who have been holding their vesper services at different places, met last Sunday at the pleasant country home of Mrs. J. H. Farris, where all enjoyed an excellent service despite the intense heat that prevailed. The young people seem very devoted to their Sun-

day evening services and are making them a very worth while adjunct to the church services.

Three Fishermen Got... an Eel
Last Sunday evening, Earl Terhune McGinness Churchill and Clarke Churchill went to the river and fished all night, notwithstanding the heat. For their efforts they were rewarded by the catching of... an eel. The next thing was to know how it should be cooked and none of the group seemed to have any very pronounced ideas on the matter, but they brot their catch to Murray, and we are sure found just the proper way to have it prepared.

Has Added to Equipment

Dr. R. W. Tyson, having in mind the needs and welfare of his patients, has added a new X-ray machine to his office equipment. It is a portable outfit that can be transported to the place he desires to use it, the only requirement being that electrical service be available to operate the machine.

He had no more than got it set up ready for operation when a case arose requiring its use. Uncle Joseph Burton suffered a fall, which caused the fracture of his leg and Dr. Tyson took a picture of the injured bones, enabling him to set them with the same precision that could be attained in the best offices.

Suffered Severe Injury

While Uncle Joseph Burton, who has resided in Murray ever since the town was organized and longer in the vicinity, was about his usual activities last Friday, he made a misstep and suffered a severe fall which caused the fracture of one of the bones of his upper leg. While the injury was very severe, Dr. R. W. Tyson, using the X-ray machine he has just installed, was able to reset the broken bone in perfect shape and the patient is coming along very nicely with but little suffering, although it will be some time before the injury is entirely well.

Jolly Picnic Party

Messrs and Mesdames D. C. Rhoden, Victor Wehrber and Oscar Swanson comprised a merry party who were enjoying the day last Sunday in spite of the extremely hot weather that prevailed, by holding a picnic along the banks of the Missouri river. They found plenty of shade and as they took along plenty of eats, they made a very pleasant day of it.

Purchased Calves at Sale

Mrs. A. A. Young was at Syracuse last Wednesday, attending the community sale held there, at which she purchased some calves, which she had brought to their farm near Murray. Monday, Mr. Young went to Omaha to buy two more, and they expect to add a few more later, so they will have something to feed the roughage to, as it looks like there will be no corn again this year, unless rain comes within a very few days, and even then only a very limited amount will be harvested.

"Knot 'Em Up" Club

The meeting scheduled for July 14 was postponed because of the hot weather, being held on July 21, at Stastka's. The meeting was called to order by the vice president on account of the absence of the president. The secretary was also absent, so the minutes of the last meeting and the roll call were dispensed with.

Pamphlets were distributed and discussed. The meeting was then adjourned. We learned to do the long splice.

Mrs. Stastka served a delicious lunch of sandwiches and grape juice.

The next meeting will be held at the home of Everett Spangler on August 4.—Theodore Baker, Jr., News Reporter.

Visiting Here from West

Mrs. Grace Chambers, sister of Roy and Harvey Gregg and daughter of Grandmother Gregg, who has been making her home in Denver for a number of years, but who resided here for many years before going west, has been visiting here during the past week as a guest of her brothers and mother. She also visited for a day with friends in Plattsmouth, where she also formerly resided. Mrs. Chambers expects to return to her home in the west the latter part of this week.

Celebrates First Birthday.

Dewayne Noell, small son of Mr. and Mrs. R. A. Noell, celebrated his first birthday last Sunday, July 26th. The little fellow, who has just recovered from a severe illness was feeling fine and enjoyed himself immensely.

Those present for a delightful supper and evening were: Mr. and Mrs. Bernard Meisinger and Merle Dean,

Mr. and Mrs. Frank Topf and Bonnie Jean, Mr. and Mrs. Harry Noell and Jack and Betty, Mr. and Mrs. R. A. Noell and Dewayne.

To Enjoy Lawn Picnic

The ladies of the Christian church have perfected plans for the holding of an all day picnic on the lawn at the home of Mrs. Myra McDonald Wednesday, August 5th, and will enjoy their dinner under the shade of the trees on this spacious lawn, as well as look after the work which they have in hand. Be sure and bring your dishes and plenty of eats and enjoy the day with your friends and

devise ways of caring for the needs of the church. They are expecting everyone to come and help make this a success in every way.

Visited Friends Sunday

Last Sunday, John Frans and the family were guests at the home of Mr. and Mrs. Charles Solomon, who make their home a few miles west of Mynard, they being close friends and enjoying the day together as well as an excellent dinner which was served.

We will appreciate our readers Phone details to No. 6.

SAYS SLAYER NOT PAROLED

Gov. Cochran said Tuesday William Crabtree, who shot and wounded fatally Detective Sergeant Joe Treglia of the Omaha police department, and who, in turn, died of a bullet wound after being shot by another officer, was not a paroled convict from the Nebraska penitentiary as first indicated.

"The pardon board records," said Cochran, who is chairman of the board, "show that Crabtree, who had several aliases, was discharged from the penitentiary after completing his term in the regular way."
