Will S. Smith who has been very severely troubled with sciatica for some time in one of his hips and which has made it very bad for him to get about, has added difficulties, as he dropped a large chunk of wood on the other foot, thus making both sides lame and he hardly knows which one to limp on the more. However he is getting about some, but it is with a good deal of difficulty.

Celebrated Passing Birthday.

Mrs. Ivan Balfour had a birthday last Sunday and which was celebrated by the members of the family, Martin Sporer and family being there, but Wm. Sporer and son, Charles, who were to have been there, did not go as they thought the rain would interfere, but they were mistaken, as those who did attend enjoyed a very fine time and had an excellent dinner.

Doing a Good Work.

As has been the practice of the Ladies' Aid of the Christian church for many years to prepare a barrel of canned fruit to be sent to the Child Saving Institute at Omaha, they canned some 55 quarts of apples which they packed and is now ready to go forward at this time.

The ladies are very zealous in their work for those who are in need and it looks like real religion on their part in thus doing what they can for the babies and children of this institute.

Plenty of Cucumbers.

Plenty of cucumbers for pickles at \$1 per bushel.—Mrs. A. A. Young.

Friday Opening Date for Band Box Cleaners

New Equipment Now Completely Installed in Laundry Building—An Ultra-Fast Service.

For some time small ads have been appearing in the Journal calling attention to the coming of "Band Box" cleaning service to Plattsmouth. The equipment has now arrived and the large opening ad appears in this issue with Friday, October 9th, set as the opening day.

Mr. E. C. Harris, owner of the Plattsmouth Laundry, who is adding this complete cleaning and pressing service to his business has been busy all week getting the machinery installed and ready for the opening, in which he will be assisted by a representative of the Band Box company.

Briefly, the Band Box system of cleaning is built around a new and odorless cleaning fluid, said to be superior to anything on the market, and the machinery for handling work speedily. The cleaning fluid is used at low temperature, with cold water coils surrounding the "washer" and passes through an extensive filtering process to come back to the machine free of sediment of any kind.

One of the big features of the patented Band Box system is speed. Five minutes from the time clothing is put into it, it has been cleaned and "extracted" to an almost dry condition. A warm air drying system will complete the drying process in another five minutes, and clothing is then ready to be pressed. It will not be the aim of the management to give such speedy service generally, as there is frequently "spotting" to be done and more thorough inspection required, but it shows what can be done when emergency demands.

Mr. Harris is advertising a special "speed" service for rural patrons, who may bring their clothing in on Wednesday or Saturday nights when they come to town to shop and take it back with them the same night, completely cleaned and pressed. He extends an invitation to the public to call and see the new equipment in operation and see the class of work that can be turned out with it.

been together for some time. Those present were Gordon Barker and family, their daughter, Evelyn, Frank Leppold and family, Mrs. Fannie Crosser and Mr. Crosser's friend, Miss Evelyn Leppold, all of Omaha.

Nancy Jane Kidwell.

Mrs. George Parks, who has been at the home of her daughter, Mrs. Herbert Kidwell and husband, where she was to welcome a dear little granddaughter, Miss Nancy Jane Kidwell, who arrived only a week ago to bless the home. All are doing very nicely.

Will Present Play.

Murray high school will present two one-act plays, "Just a Little Mistake" and "Trying Them Out," on Wednesday, Oct. 14, at 8 o'clock. Admission will be 10 and 15 cents.

SIMPSON COLLEGE WINS

From Monday's Daily George Adam, Plattsmouth young man, who is a student at Tarkio college, was here today to visit with his parents, Mr. and Mrs. Joe Adam. The Tarkio college football team, of which he is a member, suffered a defeat on Saturday at the hands of Simpson college by a score of 31 to 6. The Simpson team staged a highly successful air attack on the Missouri college team, which netted them several touchdowns before the Tarkio defense was able to check them.

From Tuesday's Daily Plattsmouth Training Center—

Twenty-five presidents, secretaries, and social leaders from the extension clubs in the Plattsmouth training center met at the Methodist church to-day. The lesson to be used in the clubs of the county this month is "The Important Job of Homemaking." It was presented by Miss Jessie Baldwin, assistant county agent. At noon a covered dish dinner was served.

Topics that will be discussed in the use of the homemaking subject are the homemaker as a builder, the beauty of home work, the farm homemaker's opportunity, and the homemaker's responsibilities. As permanent aims in homemaking the club leaders will stress economically sound, mechanically convenient, physically healthful, morally wholesome, mentally stimulating, artistically satisfying, socially responsible, spiritually inspiring, and founded upon mutual affection and respect.

A discussion of general policies and procedures to be followed by the officers during the coming year was held. The officers have charge of the first meeting in the extension clubs this year. These meetings will be held during October.

DIES AT KEARNEY

From Wednesday's Daily Leslie Vroman, 43, a former resident of this city, died at 10:20 Tuesday morning at the hospital at Kearney, Nebraska, death being the result of an attack of double pneumonia. The members of the family here were unaware of his critical condition until a message came that he was sinking and a short time later of his death.

The deceased was a son of Mr. L. E. Vroman of this city and made his home here for a number of years, being engaged in the local railroad shops, later going to the western part of the state where he has since resided.

Mr. Vroman was twice married, the first wife preceding him in death and he is survived by the second wife, who with the younger children, lives at Kearney. There are nine children surviving, one of whom, a daughter, Mrs. Lelia Deal, lives at Omaha.

There also survives the aged father, four brothers, Verdon, Chicago; Allard, Idaho; Ellard, California; Eugene and one sister, Miss Winnie Vroman, of this city.

The body will arrive here this evening on the Ak-Sar-Ben from the west and the body will be taken to the Sattler funeral home to await the funeral arrangements.

METHODIST W. H. M. S. MEETS AT LINCOLN

Methodist Woman's Home Missionary Society holds its national convention October 7 to 13 in St. Paul's Methodist church, Lincoln. Several of the Plattsmouth ladies will be in attendance. Convention will open with report of committee on credentials and the message of the national president, Mrs. W. H. C. Goode, Sidney, Ohio.

The most interesting part of the convention will likely be in the fore and afternoons when the workers in the homes, missions and schools

Bishop G. Bromley Oxnam will speak on Sunday morning. This is the first time in thirty years that the national meeting has been held in Nebraska.
