### Mrs. Steinkamp Poorly

Mrs. E. Steinkamp has been feeling rather poorly of late and while she is able to get about, she is not well enough to look after the work of the household and Miss Teresa Rauth has been engaged to assist with the work and look after the care of the patient. ## Watch Your Kidneys!

Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained. Then you may suffer nagging backache, dizziness, scanty or too frequent urination, getting up at night, puffiness under the eyes, feel nervous, miserable—all upset.  
Don't delay! Use Doan's Pills. Doan's are especially for poorly functioning kidneys. They are recommended by grateful users the country over. Get them from any druggist.
