GOVERNOR TO OMAHA

Omaha.—B. F. Peterson, president of the Omaha chamber of commerce, said the entire state legislature, Governor Cochran and other selected state officers will be guests of the chamber here on Feb. 15 and 16. The chamber will furnish special transportation to bring the state officers and the legislators to Omaha and entertain them at luncheons, a gridiron dinner and theater parties.

SEEK REPEAL OF BEER LAW

Scottsbluff, Neb.—Members of the North Platte Valley Ministerial association meeting here Monday signed a petition asking Governor Cochran to use his influence to repeal the present Nebraska beer law. The petition claimed the present law gives beer dealers more advantage than food dealers, and provides no legal limit of the alcoholic content of beer. The petition asserted the present beer law and the conditions it has developed are a "disgrace to our Christian civilization."

TRFNTON MEETINGS BANNED

Trenton, Neb.—Altho only two scarlet fever cases have been reported, Trenton city authorities placed a virtual ban Sunday night on all public assemblies to prevent spread of the disease. All churches were ordered closed and the public schools will not be opened for at least a week, officials said. Miss Ruth Bedford, home economics teacher, and Dick Bonnell, junior high school student, are the only persons reported suffering from scarlet fever.

TAKES NEW POSITION

From Monday's Daily—John V. Svoboda, who has been engaged as clerk at the Plattsmouth State bank, today took over his duties in the office of the Norfolk Packing Co., a position that he accepted some time ago. Mr. Svoboda is a very efficient bookkeeper and auditor and has been with the Plattsmouth State for the greater part of the time in the past two years.
