RETURNS FROM TEXAS

Charles K. Bestor, who has been spending the winter at Corpus Christi, Texas, returned home Monday evening. Mr. Bestor has had a very pleasant time in the several months that he spent in the Gulf coast resort and where a large number of residents of the north come each winter. Mr. Bestor reports that the weather there was not as warm as usual and several "northers" brought the temperature down to some 35 above zero while he was there.

He enjoyed visiting with Mr. and Mrs. Lee Mayfield of Louisville, who were spending the winter in the south and who also have returned to their home at Louisville, arriving home last Friday.

TAKEN TO HOSPITAL

Henry Timm, who suffered a hemorrhage Sunday as the result of an attack of ulcers of the stomach, was taken to Omaha late Monday night for treatment. Mr. Timm suffered a second hemorrhage last evening shortly after 9 o'clock and it was so severe that it was found necessary to have the patient taken at once to the hospital. He is at the Kina hospital.

PREPARE FOR EGG HUNT

Mr. and Mrs. John P. Sattler, Jr., are preparing for the staging of an event that for the past two years has been a great treat to the youngsters of the community—the annual Easter egg hunt.

Each year they have had hundreds of eggs colored and prepared and hidden over the spacious ground that surround their home, here the children, from the smallest to those in the fifth grade of school have found great delight in searching for the eggs.

The annual hunt will probably be staged on the Saturday preceding Easter day, March 27th, if the weather conditions will permit the holding of the search.

The coloring of the eggs for the hunt is no small task and will be started several days before the event in order to assure an ample supply of the eggs.

VISIT IN CITY

Sunday Mr. and Mrs. Frank Svoboda and Mrs. Beck, mother of Mrs. Svoboda, were here from Lincoln to spend a few hours visiting with Father Adolph M. Mosler and sister, Miss Ida Mosler, at the Holy Rosary parish house.
