

Early History of Nebraska is Heard by Rotary

Dow Armstrong of the High School Faculty Talks of Nebraska of the Age of Ice and Water

Dow Armstrong, instructor of history and geography in the Plattsburgh junior high school, talked on "Nebraska" following the luncheon of the Plattsburgh Rotary club at the Hotel Plattsburgh Tuesday noon.

Mr. Armstrong stated that Nebraska's manufacturing ranks higher than her agriculture in returns to the state. He mentioned the creameries in Omaha as the two largest in the world and that Columbus has the largest wooden shoe manufacturing plant in the world.

Norris Hennings and Robert Kiser, high school guests for the month of April, gave their farewell addresses. Miss Ruth Westover of the junior high school presented a piano solo which found enthusiastic reception among the Rotarians.

L. S. Devoe had charge of the program. Kenneth Woods was a guest. A number of the Rotarians were attending the convention in Fremont so were not at the luncheon.

SCORE FOR TARKIO

Three Plattsburgh athletes played a prominent part in the opening dual track meet of the season between Tarkio College and William Jewell College at Liberty, Mo., last Friday. Tarkio, defending conference champion, was nosed out by Jewell, 69 to 67, in a fast meet.

Stuart Porter, veteran weight star, won first in the shot put and second in the discus. Geo. Adam ran a lap on Tarkio's winning half mile relay team. Don Cotner loomed as a coming freshman prospect by winning the broad jump with a leap of 22 ft., 3 in., and turning in a fast 220 on the half mile relay team.

Tarkio meets Peru Teachers at Tarkio Friday in a dual meet and Nebraska Wesleyan at Tarkio May 7th.

TO UNDERGO OPERATION

J. A. Kiser, one of Cass county's old settlers, has returned from a visit in the south coast of Florida, having spent a most enjoyable winter in that section of the country. He will spend the summer here with his son and family on the farm.

Mr. Kiser is going to Omaha where he will have a cataract operation performed by Dr. Judd, well known Omaha specialist.

SUFFERS SPRAINED ANKLE

Laurence Rhoades, who has been engaged in working at the BREX shops had the misfortune Monday afternoon to sprain his left ankle while at his work and as the result "Dusty" is finding getting around a difficult job. The injury is such that he will be kept from active duty for some time.

PERU COLLEGE PARENTS' DAY

Four years ago the officers of the Girls' and Men's clubs conceived the idea of having a Parents' Day when all the parents could visit their children in college and at the same time see the campus and buildings. The first meeting proved to be so great a success that the Parents' Day has become an annual affair.

The parents enjoy looking over the campus and the different buildings and becoming acquainted with the things so closely associated with their children's welfare. Also they have the privilege of getting acquainted with other parents and members of the faculty during the day.

In the afternoon regular religious services will be held. The afternoon will be devoted to visiting the campus and listening to a religious play and sacred music.

The parents bring their own luncheon or eat with their children as convenience prompts. Many of the parents make this a homecoming day and take advantage of the fine picnic grounds on the campus and the big Dutch oven used in preparing the meal.

All friends of the college, as well as the parents, are most cordially invited to visit Peru State Teachers College on Parents' Day, Sunday, May 16.

TO SPEAK AT DES MOINES

From Tuesday's Daily—Hon W. B. Banning, of Union, head of the state department of agriculture and inspection, was in the city today while en route to Des Moines, Iowa. Mr. Banning will speak before a meeting of the North American Gasoline association, his subject being that of "Ports of Entry." Mr. Banning addressed the association last year at their meeting at Hot Springs, Arkansas, and received the invitation this year to again speak before the body.

APPROACHING MARRIAGE

Miss Evelyn Lee of Lincoln, a teacher in the Plattsburgh schools during the past three years, has turned in her resignation for the coming term of school and announced her approaching marriage to Clayton Cross of Clarence, Mo. Mr. Cross is employed in the U. S. Engineers office in Plattsburgh. The marriage will take place after the close of school.

SHOWS IMPROVEMENT

The reports from Omaha are to the effect that Charles Koke, who has been in quite serious condition for some time, is now greatly improved and the family is now greatly encouraged as he seems to be rallying in fine shape.

PROGRAM AT CHURCH

A program was presented by the junior department of the Christian church Sunday school in the basement of the church last evening. Mrs. Lester Thimman, superintendent of the junior department, directed the entertainment. 140 attended the program and lunch which was served afterward.

The song, "Happy Loveland" opened the program. Recitations given were:

"Alas for Dolly" by Patty Taenzler; "A Substitute," by Verna Bailey; "Not So Bad," by Norma Favors; "A Good Example," by Phyllis Williams; "Important Questions" by Ruth Ann Nelson; "Dolly's Sickness" by Beverly Chansley; "Different Viewpoints" by Junior Taenzler; "Not Sacred" by Donald Sheard; "A Labor Question" by Helen Yardley; "A Question of Religion" by Phyllis Taenzler; "Just One Lickin' After Another" by Richard Sack.

Other numbers were: Dialogue, "The Little Ladies' Style Show"; Song, "Everybody Calls Me Tommy" by Maxine Graves and Betty L. Read; Dialogue, "Giving Aunt Jane a Shock"; Dialogue, "Pa's Daily Dozen"; Musical number, Paul Myers, Johnny Sheard and his bones; Dialogue, "Friday Afternoon Compositions"; Dialogue, "Henpeck Holler Gossip"; and song, "Just Smile and Say Goodbye."

MANY SHOES ISSUED

One hundred and twenty-nine pairs of shoes and overshoes, 68 of them new ones purchased from the two Plattsburgh shoe dealers, Fetzner Shoe company and Soennichsen's, have been issued through the Community Building club Shoe Fund since January 1st. Of the 51 used pair included in the above total, approximately half were repaired at club expense (some given only minor repairs and some at a cost of as much as \$1.25) before being fitted to worthy applicants by the school nurse, Mrs. Justus Lillie, who has co-operated most effectively in putting the shoe program over. All of these 51 pair were used shoes, rubbers and overshoes sent in by the public as outgrown or discarded footwear.

In addition to the 129 pair issued (new and used), repairs have been made on four pair for their owners, making the total number serviced in the nearly four months' time—one hundred and thirty-three pair.

FINDS CONDITIONS DRY

Attorney C. E. Martin was at Bertrand, Nebraska, Monday where he was called on some legal matters, holding a referee's sale in an estate. Mr. Martin was surprised at the extreme dry condition of that section, coming from here where the excellent rains have made promise of a very abundant crop. In that section of the state there is an extreme drought that has covered the past three years and where dust storms have been frequent. The dust is deep in business houses and homes and requires the use of shovels to move at times from the houses.

MYNARD COMMUNITY CLUB

The regular meeting of the Mynard community club will be held on Friday evening at 8 o'clock, at the community building. All members are urged to be in attendance.

THE BIG DANCE OF SEASON

At Murray Hall, Sat., May 1. Music by Avalon radio and dance orchestra of Omaha. Adm. 40 and 20c. Added attraction: Special tap dance numbers. a29-1tw-2td

ATTEND DISTRICT RALLY

Eight representatives from Plattsburgh attended the young people's district rally at the Dunbar church Sunday afternoon. A supper was held at the church following the afternoon session. Falls City, Auburn, Dunbar, Plattsburgh, Nebraska City, and Humboldt were represented. Those attending from this city were Dr. H. G. McClusky, Misses Estelle Baid, Pearl Staats, Eleanor Minor, Eleanor Giles, Rachel Robertson, Doris and Donald McPhearson.

UNDERGOING TREATMENT

Mrs. Ralph M. Wiles of this city is at the Immanuel hospital at Omaha where she is undergoing treatment. Mrs. Wiles may remain at the hospital for some time before she will be able to return home.

MAN ONCE FRIGHTENED BY OIL ADS

CHANGES TO OIL-PLATING

In spite of everything, it paid him to take ads seriously, you see, else he might never have tried Oil-Plating. First of all he was impressed by the explanation of Oil-Plating.

Simple enough, if you'll think what happens as Johnny's dirty little hands touch the wallpaper. Anything greasy or oily on his hands becomes quite a permanent part of the paper. You'll say permanent!

In much the same way—forgetting technicalities—Conoco Germ Processed oil forms a lasting attachment for every working part of your engine. A genuine, enduring Oil-Plating is brought about by the Germ Process—patented.

Thus the Germ Process not only multiplies the strength of the usual flowing type of oil-film, but creates Oil-Plating besides. And once Oil-Plating goes on, Conoco Germ Processed oil does not let it come off in minutes, hours, days . . . or miles.

Thus Oil-Plating kills the old fear of starting "dry." Likewise Oil-Plating refuses to let go in all the fury of 5,000 revolutions per minute. That's why your "good old car" or the latest model will stay more like new, with its engine Oil-Plated. And your whole Summer's driving will take less Conoco Germ Processed oil. MAY INSTALL HORSESHOE COURT

Plans are being considered for installing a horseshoe court on the lot back of the Peterson building occupied by the Recreational Center. A number of loads of dirt are needed to fill up the ground to a level of the alley and provide proper drainage from the rear of the building.

Painting of the interior of the building has been completed and the front is also being touched up by Pete Gradoville in contrasting colors of aluminum and black. The old ice box was recently torn out and considerable of the floor replaced, as

well as supporting braces added. Previous to that the roof has been repaired and new eaves and downspouts at the rear, placing the building in very good shape and one on which the city feels it can make a nice profit when it is sold.

At present the ground floor is being used as a WPA Recreational Center, a project in which employment is given seven persons at present.

One of the main features of the Recreational program is the band work, with a good sized band under bi-weekly rehearsals and quite well advanced.

The Junior baseball program is

another phase of the work that is now being undertaken, while classes in handwork and sewing continue to function.

VISIT AT LINCOLN

H. Luttman and Clyde Jackson drove to Lincoln Saturday where Mr. Jackson had a foot treatment at the Veterans' hospital. Mr. Luttman drove on to Fairbury for his wife and daughter who had been visiting at Mrs. Luttman's home during the past week. The group returned to Plattsburgh Saturday night.
