

Mayfields to Return to Texas to Build Home

Former Courier Publishers Visit Friends Here Thursday—Dispose of Louisville Home.

Mr. and Mrs. Lee J. Mayfield, of Louisville, were in Plattsouth Thursday to spend a few hours with the old friends. This is the first real opportunity that they have had to visit with the Plattsouth friends since their return from Texas where they spent the winter.

Mr. Mayfield has not been well in recent weeks, suffering from ulcers of the stomach and which has made necessary a course of treatment and kept him at home a great deal.

Mr. and Mrs. Mayfield are expecting to return in a short time to Corpus Christi, Texas, having purchased lots in a small town near there, supervising the building of a winter home. This is the first season of this kind that they have enjoyed in the gulf coast country.

They have disposed of their home in Louisville to Mr. and Mrs. Harold Koop but have retained a small residence property that they also have owned and which they will keep as their summer home at Louisville.

Mr. and Mrs. Mayfield will maintain their legal residence in Louisville and expect to spend a part of each year in the old home community where they have spent so many years and where they have a host of friends.

While here Thursday Mr. and Mrs. Mayfield were callers at the Journal to meet and visit the force and Mrs. R. A. Bates, publisher, as the associations of the Mayfields and the Journal have been most pleasant over many years and the common lure of printer's ink has made them close friends whose visits are always most pleasant.

Platters Show Well in Meet at Ashland Friday

Take Relay and Several Individual Entries Show Well in the Invitation Track Event.

Members of the Plattsouth high school track squad that participated in the invitation meet at Ashland Friday, showed well and despite the fact that the weather has not permitted workouts for the locals they made a most excellent showing in the large field of entries.

The relay team, Wayne Falk, Allan White, Warren Reed and William Carey, showed among the best at the meet and secured the first place in the relays, their time being 1:41. The boys showed real class in this event. This is a new tournament record.

Allan White was one of the outstanding entries from Plattsouth and being only a freshman will have a large part in future track events for the blue and white. White took third in the 220 and fourth in the 100 yard dash, two of the most hotly contested events of the meet. Wayne Falk, all around athlete, who had starred in football and basketball the past season, took fourth place in the high jump. Bill Carey showed class in his copping the fourth place in the 440 against a large field of entries.
