DRAWS JAIL TERM

From Tuesday's Daily—
This morning Eddie Ryan, giving Des Moines, Iowa, as his home, was arraigned in the county court before Judge A. H. Duxbury. The defendant was charged by County Attorney J. A. Capwell with stealing a Toastmaster electric toaster from the sales room of the Iowa-Nebraska Light & Power Co.

The evidence of Chief of Police Joe Libershal as to finding the toaster in Ryan's possession and also that of Anton Hasson, who was present as the arrest was made. The employees of the light and power company made identification of the toaster and the defendant.

The story told by Ryan was that he had arrived in Omaha on last Wednesday, intoxicated and with \$20 in money. He decided to purchase a toaster and save for his sister. He had bought it somewhere on a hill from the Douglas street bridge. He had met a companion whose name he did not know and came here with him. He knew nothing of any theft.

Ryan claimed that if the toaster was one that had been stolen, that his companion must have taken the defendant's toaster and stolen the one found.

The court after hearing the evidence in the case decided that a jail term and to pay the costs of the prosecution would be the fate of the defendant and he was accordingly turned over to Sheriff Homer Sylvester.

Community Pays Tribute to Heroic Dead

Memorial Services Held Monday Afternoon at the American Legion Building.

Residents of the community gathered Monday afternoon at the American Legion building to attend the memorial services which were arranged by the patriotic societies of the city.

The services were very impressive and the short program carried out a spirit of patriotic appreciation of the services of those who have gone on and the resolve to see that the principles for which they had fought had not been in vain.

The assembly call was given by Burton Rishel, member of the local scout troop and to which the assembly came to order with Commander H. L. Gayer of the local American Legion post presiding.

The audience joined in the singing of one verse of "America" with E. H. Wescott at the piano and as the colors were advanced the audience stood at attention.

The pledge of allegiance to the flag was most effectively given by James Mauzy, Jr., member of the Scouts and in which the audience joined in repeating.

Miss Jean Howard Hayes, popular local vocalist, gave a group of three numbers, two of the civil war period and one of the world war, "Tenting Tonight," "Columbia the Gem of the Ocean" and "The Rose of No Man's Land." Mr. Wescott being the accompanist.

Robert Wocet, one of the Scout representatives, gave Lincoln's "Gettysburg Address," most impressively and which found echo in the thoughts of the audience of the far seeing vision of the great civil war president.

Commander Gayer paid a fine tribute to the memory of those who had once worn the blue of the union soldier and the last of whom in this community have gone to rest in the "little green tents" of time.

The roll call of the Spanish-American war, dead was given by Merritt S. Kerr of the local Veterans of Foreign Wars.

The roll call of the dead of the

world war was given by W. R. Hilly of the local Legion post.

The impressive American Legion Auxiliary memorial was given by Mrs. L. S. Devoe with the musical accompaniment by Miss Edna Mae Petersen and the prayer by Mrs. Adelaide Boynton, chaplain of the Auxiliary. The poppies of memory were placed by Marjorie Devoe and Dorothy Jean Cappel.

The address of the day was given by the Rt. Rev. Monsignor Adolph M. Mosler, pastor of the Holy Rosary church, who paid a splendid tribute to the memory of all those who had served to preserve the nation and its ideals that had served as beacon lights for the rest of the world. The memorial day was one of spirit and honor rather than of stone and bronze and one that more truly marked the real American spirit and idealism of a grateful nation.

The speaker paid a glowing tribute to the bravery of the men of America that had faced the great tasks that war had challenged them to meet, the partings as they moved to foreign soil to battle. Their resting places marked where they had fallen in the stopping of the greatest of all wars. Monsignor Mosler urged that the nations of Europe recognize the great sacrifice of the Americans and provide for ways of peace, to recognize there as in the United States the spirit of liberty and equality that had made possible the enjoyment of life and the freedom of conscience. The speaker urged the living to dedicate themselves to the preservation of that for which the thousands fought and who in dreamless sleep serve as mute monuments of sacrifice for right.

The services were closed by the sounding of taps by Burton Rishel as a fitting climax.
