NO. 38

Victor Purviance Tells of Interesting Experience in One of the Oldest of World's Nations.

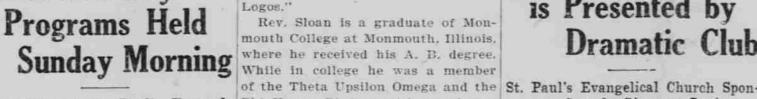

Mrs. A. D. Asch brought us the

Haifa, Palestine, Asia. May 2, 1937. While sight seeing in Naples, I went to Pompeii. Amalfi, and Sorento, and a very beautiful trip it is. Was not particularly impressed with Pompeii, as everything worth while has been taken from there, most of it to the National Museum at Naples. The Amalfi Drive is quite justly one of the most famous in the world, and I was with a brilliant professor of medieval history, who identified all the buildings as we went along.

Cairo was the big thrill, though I went down by plane, ninety miles over the fabulously fertile Nile Delta, and at times over the desert. And

Twenty-one girls received their just after reading Emil Ludwig's "Nile," I was prepared to be imtenderfoot badges at the Girl Scout pressed, and got a genuine htrill. We Rotary information, Wm.
