

### Merchants Trip League Leading Wreckers Sunday

Win at Nebraska City by Score of 9-2—Streets Has Field Day at Bat and Hurts Great Game.

Yesterday the Plattsmouth Merchants, local entre into the South-eastern Amateur Baseball League, defeated the Wrecker Wreckers at Nebraska City by the score of 9-2. The Wreckers have been leading the league, but the Merchants proved superior in yesterday's encounter.

The locals started the scoring in the second inning, scoring three runs. They scored three in the third and three in the 9th. The Nebraska City team scored once in each of the 2nd and 9th innings.

The Merchants collected 15 hits as every player in the lineup collected at least one with the exception of Ed Kalina and Wiles. Kalina failed in three attempts, and Wiles failed once. Streets, local hurler, led the hitting, garnering three doubles and a single out of five attempts. One double came with the bases loaded. Krejci got the longest hit of the game, a triple in the ninth.

J. Mathers, Nebraska City twirler, gave up 15 hits and struck out five. The Wreckers collected six hits off the pitching of Streets, and ten aspiring Wreckers went down swinging. Streets was especially effective in the pinches.

Next Sunday, July 25, the Merchants play the Auburn aggregation here at the Athletic field. The Auburn team has been in second place, and is always dangerous. The Merchants have been defeated twice by Auburn, but are determined to handle this team next Sunday as they handled the Wreckers yesterday.

### Mrs. Rachel Pell Passes Her 94th Birthday

One of the Oldest Residents of Cass County, Residing Here Since 1858—Native of Ohio.

Mrs. Rachel Pell, of Union, is celebrating her ninety-fourth anniversary this month and is one of the oldest residents of Cass county both in residence and in years.

She was born in Ohio in July 1842. Her parents were John and Lavina Erwin and when she was fifteen years of age the family moved to the then recently created territory of Nebraska, one of the outposts of the Indian country, where habitations were only found along the water courses in the eastern section.

The family settled in southern Cass county and where they have since resided.

When Mr. and Mrs. Pell established their home in this county they were located on what is now known as Springdale farm, owned by John Larsh, east of the town of Union.

Mr. Pell passed away a number of years ago.

In her lifetime she has seen the west grow to a great agricultural empire, cities spring up over land where once roved the Indian and in her last years has had the privilege of seeing all of the modern inventions that have made life easier. Her recollection of the pioneer days is still very vivid and she recalls many of the incidents that occurred in the development of the section of the county she has so long made her home.

She is the mother of seven children, four of whom are living. They are Jess Pell, Omaha; Mesdames Art Pearsley, Ed Midkiff and May Niday, all residing in this vicinity. She has two sisters, Mrs. Ravina Opp, Omaha and Mrs. Etta Ellsworth, Nebraska City.

## WORLD'S NEWEST BIG SHOW TO BE NEAR HERE

The world's largest circus, traveling on three trains of double-length steel railroad cars, with 1,080 people, 30 elephants, 812 menagerie animals and 500 horses will exhibit in Omaha, Sunday, July 25 at the Ak-Sar-Ben field, and throughout this section plans are perfecting for the attendance of every man, woman and child—so it seems—at one of the performances.

Everybody wishes to see the Cole Bros-Clyde Beatty Circus this year, which returned early in 1935 from a triumphal five year tour of Europe, and it is a foregone conclusion that the world's largest tent, seating 10,000 persons, will be filled to the last chair afternoon and night. Six rings and stages and the hippodrome track, to say nothing of the vast aerial maze for the earth's foremost arenic talent—400 acknowledged kings and queens of daring, grace, skill and incredible agility. Sixty clowns will project ten times that number of mirth waves. Countless new foreign features and innovations new to America are introduced on the gigantic program of the world's greatest amusement institution. Clyde Beatty's gigantic trained animal exhibition will be presented in the main performance.

Ken Maynard, the screen's greatest Western star, will personally be seen at every performance. Maynard has starred in 87 pictures produced at the major studios in Hollywood. He is by far the highest price star ever to be seen with a circus. Appearing in his wild West show this season will be scores of champion cow boys and cow girls, Indians and Cossacks.

One of the largest, finest and costliest street parades will be seen at 11 a. m. Hundreds of horses, five herds of elephants and two caravans

JUANITA HOBSON

of camels from the great desert will be seen. In the picturesque line of march will be more than three score elaborately carved and gilded allegorical floats, tableau wagons and open dens and cages displaying the Clyde Beatty menagerie. Doors to the big show and the menagerie will be open at 1 and 7 p. m. The shows start at 2 and 8 p. m.
