To Conduct Blind Survey
The Auxiliary's Community Service committee will make a survey of all blind persons in this portion of Cass county, pursuant to a request made by State Assistance Director Vandemoer. This survey is statewide and includes filling out a lengthy questionnaire or history sheet for each totally or partially blind person. Work is to be completed by September 1st. Inasmuch as these history sheets form the basis of establishing financial aid and a state sponsored vocational training program for the blind. It is important that the survey be most complete. The committee has the names of four residing in this vicinity now on the state list. Anyone knowing of blind or partially blind persons not now receiving blind assistance are asked to report their names to Mrs. Homer Sylvester, phone 207 (regardless of whether they may need or desire state assistance). In this way the survey can be made 100 per cent, as requested by Mr. Vandemoer.

Six to State Convention
Final arrangements for the auto trip to the state convention at Scottsbluff were made at the meeting. Six ladies, Mrs. Elmer Webb, Mrs. Edgar Creamer, Mrs. Eugene Vroman, Mrs. Otto Keck, Mrs. Faye McClintock and Mrs. H. L. Gayer will attend the convention which opens tomorrow. Cars will be driven by Legion delegates Eugene Vroman and H. L. Gayer, leaving here tonight around midnight.

Honor Past State President
Lottie Rosenkrans, past state president and past president of the local unit was honored at the meeting by being presented with a gift for her new home. She will be married early in September to F. J. Knecht, of South Bend, where they will reside.

Following the business session a pleasing program of games and contests, arranged by Mrs. P. Y. McFetridge and Mrs. Frank Rebal of the program committee, occupied the attention of the ladies until late afternoon. Small prizes were awarded winners.

SCHOOL BELLS TO RING
LINCOLN, Aug 21 (UP)—School bells will toll a few days earlier than usual this year for many Nebraska pupils.

Charles A. Bowers, executive secretary of the Nebraska State Teachers Association said approximately one-third of the schools would open August 30, half on Sept. 6 and the remainder a week later.

"The calendar this year puts two strikes on most of the youngsters," Bowers said. "When the boards of education saw they could get three school days in the first week in September it was too good a chance to miss."

RETURNS FROM ROCHESTER
Attorney D. O. Dwyer has returned home from a short stay at Rochester, Minnesota, where he was given a checkup at the Mayo clinic and enjoyed a rest from his legal work.

Mr. Dwyer returns very much refreshed and ready to take on his legal work with renewed vigor.

He found the clinic filled with large numbers from all parts of the county there for treatments and examination.

LEAVES FOR NEW FIELDS

From Saturday's Daily—
This morning Jack Chadwick, who for almost four years has been located here as a worker for the A. W. Farney company in their river contract, is leaving the city for Onawa, Iowa, where he will be located in the future.

Jack is to make the trip on one of the boats of the company and will have a very pleasant week end journey up the Missouri river to his destination on the Iowa side of the stream. There is a great deal of work in the Sioux City area to be carried out in making the river navigable and the stream from Missouri Valley north will furnish considerable employment.

Jack has made many friends in his residence here and who regret very much to see him leave the community where he has been a popular figure.

SECURES AN ACQUITTAL

"The night shall be filled with music
The cares that infest the day,
Shall fold their tents like the Arabs
And silently steal away."

Friday afternoon before Judge C. L. Graves was heard the complaint that had been filed against Charles Kunsman, charging him with disturbing the peace.

At the hearing yesterday there was only the evidence of the arresting officer as to the disturbance, no other witnesses being found who would testify as to being disturbed.

The court dismissed the action against Mr. Kunsman through lack of corroborative evidence.

A. E. Edgerton Resigns Post in Governm't Work

Head Here of the State and Federal Employment Agencies Leaves on Account of Ill Health.

A. E. Edgerton, who has been the head of the local office of the state and federal employment agencies since its organization in 1933, has resigned his position owing to his poor health.

Mr. Edgerton was enrolled in this work at the outset of the program when the re-employment was in charge of A. H. Duxbury, as a voluntary worker to start the relief work.

In July 1933 Mr. Edgerton was enrolled in the work and has been a most faithful worker and on the job each day as long as his health would permit.

He has had charge of the work of registering several thousand workers for all federal projects in this section and during his tenure of office he has been called upon to supply workers for all of the river improvement projects and all other government work in this section where labor was needed.

The Plattsmouth office has ranked as one of the most efficient in the state and has been conducted in a manner that has won Mr. Edgerton commendation from all of the companies that have had business with the office.

Mr. Edgerton in his retirement has received the highest praise from those in charge of the work for the state and federal governments for his loyalty and R. F. Vogeler, director of the work has expressed to the retiring local director the regret of their organization that the health of Mr. Edgerton has made this move necessary.

George Pierce of the Omaha office of the National Re-employment service will be here Monday to take up the work of the office.

In connection with the office here Mr. Vogeler has assured that as long as there is activity in this area justifying the existence of an office, the Plattsmouth office will be continued.

CHICAGO, Aug. 19 (UP)—Attorneys for Al (Scarface) Capone said today they would appeal a federal court ruling that the former Chicago gang leader must serve a year in the Cook county jail were after completing his federal term at Alcatraz. Abraham Tietbaum said his appeal would be based on the charge that Capone was sentenced twice for the same offense and therefore placed in "double jeopardy."

Capone was sentenced to 10 years in the federal prison and one year in the county jail on an income tax evasion charge. He will be eligible for release from Alcatraz in 1939.

Federal Judge James H. Wilkerson last week upheld the jury verdict under which Capone was sentenced.
