FOOTBALL FOR THE WEEK

The Plattsmouth high school will visit Tecumseh this week for their next to the last game of the 1937 season. Tecumseh has not shown the class this year that they have in the past and have had an in and out record as to victories. The game should be a good one as the Platters, refreshed by a rest of a week will be all ready for service against the pupils of Coach Dean Higgins.

The last game of the season will be here on Friday, November 12 with the purple and gold warriors of Nebraska City as the foemen in the annual clash. Coach Ossian's boys have been faring poorly in the victory line this year and will do their utmost to add the annual game with the Platters to their list. Incidentally the local gridsters hope also to check a victory against the Nebraska City visitors.

The Nebraska City reserves are to play here on the coming Saturday morning against the local reserves.
