Plattsmouth People Injured in Auto Wreck

Mrs. John Sattler, Jr., in Serious Condition at Clarkson Hospital Others Also Injured.

Saturday evening shortly after 6 o'clock a party of Plattsmouth people were severely injured when their car left the highway between Elmwood and Weeping Water and crashed twenty feet to a ravine.

The party comprised Mr. and Mrs. John Sattler, Jr., and Mr. and Mrs. D. H. Ashbaugh, who had been attending the Nebraska-Iowa football game at Lincoln and were on their way home when the accident occurred.

They had decided to take the less heavily traveled road than that of "O" street and turned off at Elmwood onto the Weeping Water road. They were going at a very good rate of speed over the unfamiliar road when they came to a very slick part of the road just at the approach of a bridge and which was struck by the car as it crashed on down into the deep ravine.

The car belonged to Mr. Sattler and lit on its side, being very badly damaged and it was with great difficulty that the injured ladies were extricated from the wreckage.

The accident occurred near the farm home of Frank Ohm, east of Elmwood and who with a hired man came to the scene shortly after the crash and was joined by Arthur Wiles whose car was stopped by Mr. Ohm and Emil Bornemeier, also a neighbor. The injured were assisted to the Ohm home and Mr. Bornemeier called Dr. O. E. Liston of Elmwood, who gave temporary aid.

The injured were taken on into Omaha where they were placed in the Clarkson hospital for treatment. Examination at the hospital disclosed that Mrs. Sattler had suffered the fracture of eight ribs and one of these had apparently caused a lung puncture and she also sustained a very deep cut on the forehead. Mrs. Ashbaugh was severely injured and it was feared might have a pelvic injury as she was unable to move the lower portion of her body. Mr. Sattler had a badly bruised left shoulder and also the left side of the face and also sustained two injured ribs and a severe strain to his back. Mr. Ashbaugh was the least injured and beyond the shock and severe bruises was not thought to be seriously injured.

The reports from the Clarkson hospital this afternoon are that Mr. and Mrs. Ashbaugh and Mr. Sattler are showing improvement altho very sore and stiff, while Mrs. Sattler's condition is very grave. She has, it developed, eight fractured ribs, some of these double fractures and also a broken shoulder. Her left lung has been punctured also.

PROVIDE A SURPRISE PROGRAM

Searl S. Davis was the leader of the Rotary club meeting Tuesday at Stewart's and arranged a very clever surprise program that was furnished by the members of the club without the aid or assistance of any other talent.

The "gang" singing was led by John Prady and as each of the soloists gave their song the club members joined in the choruses most effectively.

Robert Walling, William Baird and George Jaeger each gave solo numbers with the group chorus joining.

Judge A. H. Duxbury proved that he is not only efficient on the bench but also a Harry Brader when it comes to directing songs, he doing the direction for the "Rotary" song.

Frank Clويد and Lynn Minor gave a fine rendition of "Neopolitan Nights."

Superintendent L. S. Devoe gave a poem appropriate to the occasion and which was very much enjoyed.

CHANGE AT SINCLAIR STATION

C. A. (June) Marshall, who has managed the Sinclair station since early in August has severed his connection there and Frank Eneal, formerly of Hastings is the new manager.

Mr. Marshall expects to continue his residence in Plattsmouth and to direct the Junior drum and bugle corps that he has so ably handled in the past.

VERY DANGEROUS PRACTICE

Reports from different parts of the city tell of the practice of children sliding down the hills that lead onto highway No. 75 in the north and south parts of the city, a very dangerous practice.

Sunday, a boy sliding down south Seventh street, shot into the highway near the Knights of Columbus hall and ran into the side of a car. He had the presence of mind to brace his feet against the fender of the car and escaped going under the car wheels. Several trucks were following and it was only by good fortune that he was not badly injured. The person driving the car was progressing at a very slow rate of speed or he would certainly have been injured badly.

These practices are very dangerous and should be watched to prevent a tragedy as the highway is filled with traffic which has the right of way and in most cases the side hills are obscured from the highway so that drivers cannot see until they are right on the coasters.

HAS STARTLING EXPERIENCE

From Tuesday's Daily—
An attempt to hold up the Blue Ribbon tavern north of this city was checked late last night by the quickness of Francis Warren, the night manager of the place, for B. C. Cohn.

Late in the night a trio of youths came to the tavern and one made a small purchase and when the manager approached to give him the change, the young man suddenly swung a blackjack and attempted to hit Warren. The manager dodged the blow and the trio took flight into the night and made their getaway.

The trio were driving a car bearing a Douglas county license.

Farmers Against Soil Conservat'n District Program

Meeting at Union Attended by Group of 125 Residents of Proposed District.

A meeting was held at Union Tuesday attended by some 125 farmers to discuss and take action on the matter of forming a soil conservation district known as the Little Nemaha-Missouri river district.

The meeting was held under the enabling act passed by the last legislature and which permitted the organization of several thousand acres into districts over the state for the purpose of soil conservation and drainage.

The meeting was presided over by Dean W. W. Burr of the University of Nebraska college of agriculture, who explained the law as passed by the recent legislature, granting to the residents of the state the right to form these districts. Dean Burr explained that the purpose of the state committee was to hold impartial hearings on the law and to permit the residents of the district the opportunity to express themselves.

One of the most effective arguments made in opposition to the proposed district was offered by Judge Paul Jessen of Nebraska City, who represented a committee of landowners. He attacked the law on the ground that the section which says that no taxes may be levied against the land is no protection to the farmer. The district, he said, may sue and be sued. If the district is sued and a judgment is obtained, how is a judgment to be satisfied? Judge Jessen suggested the possibility that some future legislature might give the supervisors the right to levy taxes. He said the supervisors could draw ordinances that would take certain land out of cultivation forever. He pointed out in opposition that the supervisors need not be residents or landowners of the district and need not be named at an election.

There were several others to speak on the matter, former Senator W. B. Banning, covered some of the advantages that the program might offer in the way of soil conservation.

Carl Tefft of Avoca, Attorney D. O. Dwyer and Searl S. Davis of this city were heard during the meeting and expressing their view of opposition to the different phases of the law.

The rising vote on the proposition showed a practically unanimous vote against the proposed district.

In many other meetings held in the district the sentiment has been very decisively against the proposition.

ELECT COMMITTEEMEN SOON

Community meetings for the election of agricultural conservation committeemen and to provide farmers an opportunity to discuss current farm problems and objectives of the 1938 AAA conservation program will be held in Cass county soon.

Ed Steinkamp, president of the ACP committee, says the committeemen selected will administer the 1938 agricultural conservation program. No exact dates for the election, however, have as yet been set.

The Nebraska ACP committee and the Nebraska Extension Service have launched an educational program directed toward a thorough understanding by county and community committeemen of the reasons for the 1938 program and its objectives. A general understanding by all farmers of the reasons and objectives and by all people as to why there is a national ACP program and how it affects the general welfare is being sought.

The community elections to be held here soon will provide Cass county farmers with their first opportunity to learn the "why" of the 1938 program. All farmers owning or operating farms in Nebraska within the communities in which the election meetings will be held are eligible to vote for committeemen in the county at one of the election meetings.

Rev. Wright is Transferred to Ashland

Local Pastor to Take Over Larger Church—Rev. J. C. Lawson of Ceresco to Come Here.

Through a number of changes being made in the Omaha and Lincoln districts of the Methodist churches, several pastors are being assigned to new charges and in which Rev. V. C. Wright of this city is to take over the pastorate at Ashland while Rev. J. C. Lawson, now at Ceresco, is to come to this city.

The departure of Rev. and Mrs. Wright from our community will be very much regretted but the host of friends are pleased that the change will be a much deserved advancement to Rev. Wright as the Ashland charge is one that has a large congregation, fine church plant and also gives a pleasing advance in salary.

In his pastorate here Rev. Wright has strengthened the church both in its spiritual growth and advancement as well as placing it in excellent shape in finances and improving the property. Rev. and Mrs. Wright have grown very close to the residents here both in the church and the public at large and their presence will be missed very much by the friends.

Rev. Lawson comes to this city from the Lincoln district and with the record of splendid services in the charges that he has filled, he being a very fine speaker and a strong pastor.

Rev. Wright will hold his last service Sunday and then prepare for his new field of activities.

Death of a Former Resident of Cass County

Harlan Birdell Massie Dies at Home Near Callaway, Nebraska, at the Age of 48 Years.

Harlan Birdell Massie was born August 13, 1889 near Weeping Water, Cass county, Nebraska and passed from this life November 19, 1937 at his home on Redfern Table near Callaway, Nebraska at the age of forty-eight years, three months and six days. He was the eldest son of Frank M. and Helen Victoria Massie, the latter passing on November 15, 1936. He attended the rural school near his home and also the Weeping Water Academy, graduating from there in 1909. He taught three terms of school in Cass county coming to Custer county in June, 1913. He taught three terms of school here, engaging in farming the last two years of that time in which occupation he continued.

August 28, 1913 he was married to Myrtle Gilmore of Redfern Table. To this union three daughters, Alma Helen, Mary Joyce and Margaret and three sons, Gifford E., Stanley A., and Joseph Francis were born. All of these are living in the home on Redfern.

Harley, as he was always affectionately called, was very active in community affairs during his early years here, being most eager to assist his neighbors in any way possible. About ten years ago he was stricken with a serious heart malady which kept him bedfast for several months. Two years later he suffered a stroke from which he never fully recovered and when the second attack came last Thursday it was too much for his weakened heart and he succumbed at an early hour Friday morning. During the years of his illness he was very patient and often jovial in spite of his suffering and did all he could to minister to his family. At the time of his death he was justice of the peace of Grant precinct but had been unable to assume many civic duties other than that because of failing health.

He was baptized in the Redfern Evangelical church a number of years ago by the Rev. W. H. Garries. Although not being able to attend services much of late years his children were encouraged to go and take an active part in the work of the church. And now we commend him to the Good Shepherd who "knoweth our frame; he remembereth that we are dust. As for man, his days are as grass; as a flower of the field, so he flourisheth; for the wind passeth over it, and it is gone; and the place thereof shall know it no more. But the mercy of the Lord is from everlasting to everlasting upon them that fear him, and his righteousness unto children's children." Psalms 103: 14-17.

He leaves to mourn his departure his sorrowing widow and six children, his aged father, F. M. Massie of Nehawka; three brothers, Frank E. of Crescent City, California, Harry T. of Callaway, one brother, Lovell L. of Lincoln, two sisters, Mrs. P. E. Tritsch of Plattsmouth and Mrs. G. C. Hoback of Nehawka, besides thirteen nieces and nephews and a large number of other relatives and friends.

Funeral services were conducted in the Callaway Evangelical church, Sunday, November 21st, at 2:30 in the afternoon. Services were conducted by Rev. F. Schroeder assisted by Rev. C. F. Schmidt and Rev. H. R. Knosp. A mixed quartet consisting of Mrs. R. D. Wieland, Miss Lucille Cool, Mr. Norris Hollan, and Mr. Max Wieland sang "Abide with Me," "Lead Me Gently Home," and "The Last Mile of the Way." Mrs. Brakel accompanied at the piano. The funeral arrangements were under the direction of the Woodworth undertaking establishment. Interment was made at the Rose Hill cemetery.

Among many friends and relatives attending, the following came from a distance: Mr. F. M. Massie, Mrs. G. C. Hoback, and Mr. Wilson Gilmore of Nehawka; L. L. Massie, of Lincoln; Mrs. P. E. Tritsch of Cedar Creek; Mrs. F. G. Webb of Odessa; and Mr. and Mrs. G. P. Gilmore of Cozad.
