NOTICE OF PENDING SUIT

Holiday Trees for Ten Million Homes Felled

Northwest Rushes Cutting Before reorganized. Land of Spruce Is Snow-Locked -Is a Large Business.

000 business of preparing trees for the 1937 holidays.

From the Pacific Northwest through the Minnesota - Wisconsin "land of sky blue water" and as far east as Maine, the modern prototypes of the early lumberjacks are bucking snow and fast-freezing bogs to fell Christmas trees that will be bedecked with gay ornaments and bright colored lights.

trees-balsam, spruce, fir and pinewill be this year's total.

Stumps Have Value

size. That's what the land owner jous newspapers. gets.

cents to \$3 and up.

Commercial cutters who go into Roycroft Inn. the business on a big scale frequently cut trees early and store them in boxcar refrigerators, according to the DRIVE OPENED IN KANSAS forest service. This practice, it was said, is popular especially in areas early December prevents loggers from penetrating the woods that late in the season.

While the greatest national forest output of Christmas trees is in the west, the largest demand comes from the east. This area alone consumes two or three million trees annually.

Last year, the Kootena national forest in Montana, with 127,000 trees was the national forest service's biggest holiday producer-

Canada Also Contributes

Minnesota, Michigan and Wisconsin swamps contribute their trees to well dictate what will be done in the Chicago, the Twin Cities, Duluth and coming campaign." other cities in the plains states. In addition, a large number of trees are meeting to merge the followers of the imported annually from Canada.

It takes four to eight years, the forest service said to grow a suitable tree. But it takes considerably longer than that to grow the big fellows that every small town "plants" in the village park, and which cost \$35 or

Cutting in national forests is done specifically to thin and clear stands. Several states have enacted laws designed to prevent wholesale depletion of forest preserves.

And yet, the forest service said, one large forest fire might destroy as many young trees as are used in the entire country's Christmas trade in one year.

PULLMAN ASKS INCREASE

WASHINGTON, Nov. 27 (UP)-The Pullman company of Chicago today petitioned the interstate commerce commission for a 10 per cent

At the same time the American Interstate association, voluntary association -composed of 13 electric railways petitioned the commission to share any freight rate increases allowed to rail carriers.
