

"ALOHA" WILL NEVER DIE, SAYS HAWAIIAN SOLOIST

HONOLULU (UP)—Lizzie Alohi-kea, soloist with the Royal Hawaiian band, estimates that during the past two decades she has sung Aloha Oe and Na ei o Hawaii (Song of the Islands) more than 10,000 times.

She recently gave her farewell concert with the band to which she had been attached 23 years.

She has had words of appreciation from President Roosevelt, the duke of Windsor (when he was the prince of Wales), the crown prince of Sweden, the crown prince of Japan and hundreds of operatic stars and other celebrities on the occasion of their visits to the islands.

She is convinced the two songs will never die, as they express the spirit of the islands more than anything else.

SEES THE WORLD BY WHEEL

Charles Gregory, who claims Brideport, Connecticut, as his home, was in the city Monday on another of his bicycle tours of the United States and is still going strong. He has just returned from a trip to the west coast and is now on his way to the south.

He carries with him books of clippings of his tours and of the newspaper comments that are made of his journeys over the country.

After a short stay here Gregory pedaled the old wheel to Nebraska City and from there he will continue on to the southland and warmer weather.

OWL UPSETS DECORUM OF CITY NIGHT COURTS

MIAMI, Fla. (UP)—A hoot owl threatened to break up a night session of city court.

Judge Norman N. Blakley, after several minutes of dignified ducking, called a 15-minute recess.

Spectators threw hats and coats into the air in attempts to capture the intruder. The owl was snared in mid-air with a well-aimed hat.

FINED FOR RECKLESS DRIVING

Charles Husted, giving his home as Falls City, drew a fine of \$25 and costs Saturday afternoon in the county court on a charge of reckless driving. Husted is the man, who drove his car into the Burlington railroad yard and had it stranded among the tracks of the upper yard. He first claimed that a soldier had driven the car there but later two men who had slept in one of the box cars along the tracks, came forward with the story that Husted himself had driven the car there and no one was with him.
