## Transactions of Commissioners in December

Related Report Due to Other Work  
Complete List of Claims Allowed on Various Funds.

The Journal apologizes in bringing to its readers this belated report of business transacted at December meetings of the county commissioners. The copy reached us about the first of January since which time the rush of other work has prevented setting the long list of claims allowed and other business transacted.

Sealed bids for burial of pauper dead during 1938 were received from Sattler Funeral Home, Streight & Streight and Horton Funeral Home, of Plattsmouth, all being rejected and the Clerk instructed to call for new bids to be filed on or before noon, Tuesday, January 4th.

Sealed bid of the Elmwood Leader-Ex for county printing for the year 1938 was likewise rejected and the Clerk directed to call for new bids to be filed on or before noon of Tuesday, January 4th.

Orders of County Judge renewing Mothers' Pensions of Catherine Falk and Maggie Holcomb and granting Mothers' Pension to Mrs. May Hunter as well as increasing the Mother's Pension of Gretchen Simons \$5 per month for December and January, were approved.

Balance of time was spent in the consideration and allowance of claim bills as follows:
