Death of John H. Hallstrom, Old Resident

Long a Prominent Resident of Community and Veteran of Burlington in Shop Service.

John Hallstrom, 72, who has long been identified with the life of this community, died late Saturday night after an illness of some duration and had in the last few days been gradually sinking until death came suddenly to him.
John Herman Hallstrom, son of Magnus and Josepha Johansen, was born on a farm five miles south of Jonckhep, Sweden, October 22, 1865. When he was two years of age his mother passed away and he was cared for by the other members of the family until reaching youth. His father lived until a few years ago when he died at the ripe age of ninety-six years.

Mr. Hallstrom came to the United States in the year 1886, residing for a short time at Alta, Iowa, coming to Plattsmouth in the year 1889, and except for a few years at Havelock has made his home in this community. On October 22, 1890, he was married to Hilda Johnson at Council Bluffs, Iowa.

To Mr. and Mrs. Hallstrom three children were born, Oscar, who died in 1911, Elmer Hallstrom of Avoca, a member of the board of county commissioners and Mrs. Alpha Mauzy of this city.
When the Burlington opened their shops at Havelock Mr. Hallstrom was sent there as car foreman, remaining there for a few years and in 1896 was returned to the Plattsmouth shops as foreman of the car shops. He continued in the service of the Burlington until his retirement from service at the conclusion of a long and faithful service in 1932.

Mr. Hallstrom was a man universally respected by all who had the pleasure of his acquaintance and took a keen interest in the affairs of his city and community. He served as councilman from the third ward for several terms and was a splendid official in caring for the best interests of the city. He also served as a director of the Plattsmouth Loan & Building association for a number of years and occupied several high offices in the Ancient Order of United Workmen of this city.

Mr. Hallstrom was a member of the Swedish Mission church here until its dissolution and since that time has affiliated with the First Methodist church and was a very devout and faithful member of the Young Men's Bible class of which E. H. Wescott was the teacher.

Surviving are the widow, Mrs. Hilda Hallstrom, one son, Elmer, and one daughter, Mrs. James G. Mauzy, five grandchildren, and two sisters and a brother residing in Sweden.

The funeral of this splendid citizen will be held on Tuesday afternoon at 2:30 from the Sattler funeral home at Fourth and Vine streets. Rev. V. C. Wright of Ashland, former Methodist pastor here, will conduct the services assisted by Rev. J. C. Lowson. The interment will be at Oak Hill cemetery.

The following from West Hollywood, California, gives the particulars of the death of James E. Brown, former Plattsmouth man, who was killed some three weeks ago in California:
"The death of James E. Brown who resided with his family at 8919 Harratt street, West Hollywood, Calif., occurred April 13, 1938 near Puente, Calif. Mr. Brown was foreman for the Smither Tree Co., for whom he was working at the time of his death. He had taken his crew of men to work near Puente that morning. Mr. Brown was engaged in driving a tractor at the time. There had been a slight rain that afternoon and as he was taking the tractor down a steep incline it skidded on the wet grass and turned over three times, killing him instantly.

"Mr. Brown leaves to mourn his untimely passing his wife Frances, an infant daughter of three weeks and two step daughters, Martha Melsing of the home address, Mrs. Grace Forbes of Santa Monica. Also his mother of Waltham, Kan., and a sister, Mrs. Elmer Roundy.

The showing has been very pleasing to the treasurer.

MYNARD CLUB MEETS

The Mynard Community club held a very interesting meeting Friday night at their community building and with a large and much interested audience in attendance. The committee from the west side had charge and had arranged an excellent program that was thoroughly enjoyed with a number of musical selections to mark the opening of the evening.

Betty Ann Albert gave two delightful piano numbers and Rev. Paul Dick, of the United Brethren church, sang two very pleasing numbers. Mrs. Elbert Wiles and Mrs. Roy O. Cole, two of the accomplished musicians of the community were presented in two piano duets.
The larger part of the program was devoted to a sound travelogue of the Bradley expedition into the heart of Africa, a picture that gave the audience a fine understanding of the nature of the country in the interior portion of Africa as well as the wildlife and the natives that make their tribal homes in that part of the world. It was an educational treat that all appreciated to the utmost and was presented through the courtesy of Joe Weichel of Omaha, representative of the Chrysler corporation.
