..SO IS **ISO-VIS** MOTOR OIL that's why it's so long-lasting!

A man's muscles have to be lean and hard to stand the grind of athletic contests. It's like that with motor oil, too. Get rid of the short-lived portions of a motor oil and the remaining oil is bound to have greater staying-power. Wax and unstable, carbon-forming elements are literally worked out of Iso-Vis. That's why it LASTS. Try Iso-Vis and see for yourself!
