Curtailment of Mail Dispatches and Receipts Explained to Chamber of Commerce Directorate

From Thursday's Daily—Raymond Larson represented Postmaster Frank L. Cummins as guest speaker at today's Chamber of Commerce luncheon meeting and brought the directorate requested information on curtailed mail schedules that have resulted from the discontinuance and rerouting of certain trains on the Burlington.

Mr. Larson outlined first the time of mail dispatches from the local office, beginning at 8:10 in the morning, which is "tie-out" time for first class mail to east bound Burlington train No. 6. This being a through train, only first class mail, not including registers or anything breakable is put into the catcher pouch.

On Mondays, Wednesdays and Fridays, mail to Cedar Creek and Louisville is dispatched at the same hour, 8:10 a. m., over the Schuyler train. On Tuesdays, Thursdays and Saturdays the Cedar Creek and Louisville Schuyler dispatch is made at 12:45 p. m.

The second important mail dispatch each day goes to points south, via Missouri Pacific train 106, leaving the post office at 8:55. This is also catcher pouch service and first class mail only. Included therein are air mail letters for the west coast, which leave Kansas City on a plane at 2 p. m. and arrive late the same night. Special delivery air mail letters via this routing will reach their destination that same day, Mr. Larson stated.

One of the heaviest and most important mail dispatches of the day is that at 12:25 p. m. to north bound Missouri Pacific train 109. Connections are made at Omaha to good advantage for points in most any direction. It is the last dispatch of the day (except Cedar Creek and Louisville on Tuesdays, Thursdays and Saturdays at 12:45) until the evening dispatch.

This latter dispatch at 6:00 p. m. (5 on Sundays and holidays) is another of the heavy all-direction mail dispatches of the day, and the last until the following morning at 8:10. The mail is taken to Orespolis via star route and sent to Omaha for distribution in all directions, even points south on the Missouri Pacific, served by the midnight train 112.

Time Mail Received Here
First mail received here in the morning is at 6 a. m., brought in by the Missouri Pacific midnight train, southbound, No. 112 and includes mail of all classes (except registers) and coming from all directions, north, east and west.

Mail from the south arrives at the post office at 6:20 a. m. from Missouri Pacific north bound train 119. All classes, including registers. Due to pouches being left in the depot, the midnight Mo. Pacific train south carries Plattsmouth registers by and gives them to 119 to reach here at 6:20 a. m.

On Mondays, Wednesdays and Fridays the Schuyler brings mail at 8:25 and on Tuesdays, Thursdays and Saturdays at 1:20 p. m. All classes, including parcel post. This train provides lock pouch service, and does not include registers.

This is the last parcel post delivery into Plattsmouth under present existing schedules until the following morning.

First class mail and registers from the west arrive at the post office at 8:20 from Burlington train 6.

Similar mail from the north and east arrives at the post office at 9:20 from Missouri Pacific train 106, and from the south at 1:05 p. m. from Missouri Pacific train 109.

The 1:05 receipt of mail (except at 1:20 from the Schuyler on Tuesdays, Thursdays and Saturdays) is the last for the day.

National Air Mail Week
Mr. Larson in closing touched on National Air Mail Week, May 15 to 21 and the fact that pick-up service here on the 19th at 12:26 p. m. has been arranged. He pointed out that letters mailed from here any time of the day up to that closing dispatch hour (5 on Sundays and holidays) make good connections in Omaha for both the east and west coast

BRING ON THE VEGETABLES

—but let them be seasoned to the queen's taste and served in a dozen different ways

By Dorothy Greig

IN our time we have heard women mention their husbands in all sorts of ways, kindly and otherwise. But the other day a friend referred to her's as a "meat and potato" husband. It seems he balks at vegetables and salads.

We sometimes suspect that "meat and potato" individuals are that way because their mothers drowned vegetables instead of cooking them for flavor and serving with more flavor.

The trick with most vegetables is to be stingy with water. Cooking with steam is even better. In that way all the fresh garden flavor is preserved. Then be lavish with butter in the serving of them. Now, mister, won't you change your mind about vegetables!

Savory sauces also do wonders to lend zest and new interest to our every day vegetables. The sauces are the easiest thing in the world to make, too. If you just remember the **cauliflower soups** on your shelf. There you have the makings of an infinite variety of delicious sauces. For instance, try these:

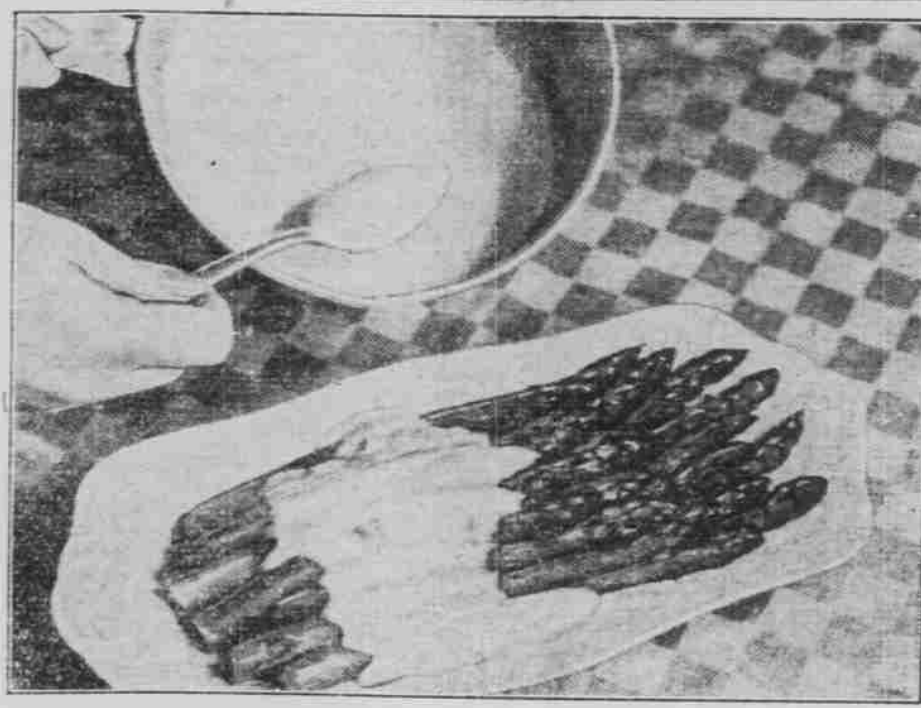

Cauliflower with Celery-Cheese Sauce
1 (2 lbs.) head cauliflower
Remove leaves and stalk from cauliflower. Soak for about 20 minutes, head down in cold salt water (1 teaspoon to 1 quart water). Cook, uncovered, in large amount of boiling salted water 8-20 minutes, or until just tender. Break off the flowerets of cauliflower and serve mixed with the sauce or serve the sauce over the entire

cooked head of cauliflower and sprinkle with chopped parsley.

Celery-Cheese Sauce
1 can condensed celery soup
6 tablespoons milk
2 ozs. pimiento cheese
Combine the milk with condensed celery soup and add the pimiento cheese. Heat until the cheese is melted. Serve over the flowerets of cauliflower or over the entire head. Serves 6.

Fresh Asparagus with Mushroom-Pimiento Sauce
1 bunch fresh asparagus
Cut off the tough white ends of asparagus. Scrub with a brush, wash, and remove scales, if desired. Sometimes sand collects under the scales. To cook whole, tie loosely in a bunch, put into rapidly boiling salted water and cook, uncovered, 10-20 minutes or until tender. Lift bunch from kettle, drain, serve hot stalks arranged parallel with mushroom sauce poured over them.

Mushroom-Pimiento Sauce
1 can condensed cream of mushroom soup
1/2 cup milk
2 ounces pimiento cheese
Stir the milk into the condensed cream of mushroom soup and then

Mushroom-Pimiento Sauce enhances the delicate flavor of fresh garden asparagus.

add the pimiento cheese. Heat in a double boiler until the cheese melts and then pour over the asparagus. Serves 6.

Grilled Tomato with Mushroom Sauce, Broiled Bacon
5-6 whole tomatoes
1 teaspoon salt
1/2 teaspoon white pepper
1 tablespoon butter, melted
Wash medium-sized tomatoes and cut in halves crosswise; brush the cut side with melted butter and sprinkle with salt and pepper. Broil in broiler under moderate heat for about 2 minutes or until lightly browned. Serve with mushroom sauce.

Mushroom Sauce
1 can condensed cream of mushroom soup
6 tablespoons milk
Combine the condensed cream of mushroom soup with the milk and heat.

To serve:—Place grilled tomato on toast and over it pour 1-2 tablespoons of mushroom sauce. Serve 2 slices crisp brown bacon on top of the sauce and garnish with parsley. Serves 6.

This next is, strictly speaking, not a sauce. It is, however, a most delicious and savory way to prepare rice.

Spanish Rice
3/4 cup sliced onion
2 tbs. minced green pepper
1 tbs. fat
1 can condensed tomato soup
1/2 cup water
2 whole cloves
1 small bay leaf
3 cups salted cooked rice
Cook onions and green pepper in the hot melted fat until tender. Then add 1 can condensed tomato soup, 1/2 cup water, 2 cloves and 1 bay leaf and simmer for 15 minutes. Remove the cloves and bay leaf. Then add the salted cooked rice and mix thoroughly. Serves 6.

ALVO

Mrs. H. L. Bornemeier was a guest of her mother, Mrs. Ostertag, of Elmwood, at the Mother and Daughter banquet held in Elmwood Thursday evening.

Mr. and Mrs. Harvey Gaihart were Lincoln visitors Thursday. While in the city Mrs. Gaihart called on Mrs. Buehler and Mrs. Elton Keller at the Bryan Memorial hospital. Mrs. Gaihart presented Mrs. Buehler with a potted plant in behalf of the Mothers' and Daughters' Council.

Mr. and Mrs. S. C. Hardnock went to Lincoln Thursday to visit Mrs. Hardnock's sister, Mrs. Lovett, who is recovering from an operation and Mrs. John Woods of Elmwood, who took ill while attending church in Lincoln Sunday and found it necessary to remain a few days until improved.

Mr. and Mrs. Ben Muenchau were in Lincoln Thursday. Mrs. Muenchau's sister accompanied them, but remained in Lincoln for a couple of days' visit with relatives. Mr. and Mrs. Muenchau called on Mrs. Buehler at the hospital. Mrs. Muenchau reported that Mrs. Buehler and baby are getting along fine.

Goes to Lincoln
Marilyn Collins, who has been taking post graduate work at the Alvo school and assisting in the office, recently went to Lincoln to work for Laura Wood of that city. In addition to her regular work Marilyn is taking a night course in shorthand as she hopes to soon be able to get into office work, as she has had considerable typing.

Seniors Give Play
The Seniors gave their class play, "Tempest and Sunshine" Friday and Saturday evenings, May 6 and 7, at the high school auditorium. The production was well dramatized.

Those taking part were Gerald Peterson, Margaret Jean Stroemer, Anna Lee Lancaster, Ruth Ann Ranz, Ruby Muenchau, James Gang, Grace Muenchau, Kenneth Keller, Iona Weichel, Doretta Rueter, Robert James and Doyle Skinner.

Miss Liddell very ably directed the play. Much credit is due all who participated.

Visit in Kansas
Rev. and Mrs. Ben Wallace and children drove to Kansas Monday morning, where they visited Rev. Wallace's parents and other relatives and friends until Thursday noon. They returned home late Thursday evening.

Several Ill with Pneumonia
A great many persons in the community are ill with gland trouble and flu which has developed into an epidemic, particularly among school children. Several cases of this malady have developed into pneumonia. Those having it at present are Dale McCartney, Beverly Elliott and the little Hermance boy. A number of others have narrowly escaped pneumonia.

It is sincerely hoped that the many people ill will soon be restored to normal health.

Parents of Daughter
Mr. and Mrs. Elton Keller are the proud parents of a fine daughter, Jaunice Edith, born Saturday evening, April 29, at the Bryan Memorial hospital. Mother and daughter are fine.

Happy Parents of Son
Supt. and Mrs. Buehler are the proud parents of a fine son weighing over eight pounds that was born to them at the Bryan Memorial hospital in Lincoln Friday, April 29. This fine little fellow has been named Maurice Lee. The parents have the hearty congratulations of their many friends.

Has Beautiful Yard
Speaking of beautiful yards, Mrs. Carl Rosenow has one of the most beautiful yards in town at this particular season. Mrs. Rosenow has about 200 tulips in bloom, bordering her artistically built rock garden. Perennial verbenas in rose color beautifully decorate her rock garden, and with the spirea in full bloom and a velvet green carpet of blue grass and white clover on the lawn, a striking and gorgeous picture is presented. Which causes us to remark how nice it would be if everyone would take the same painstaking care of their lawns and home surroundings.

Dr. Formanack Guest Speaker
Dr. J. C. Formanack, the Murdock physician and surgeon, was a guest speaker at the meeting of the Mothers' and Daughters' Council held on Friday afternoon, May 6, at the home of Mrs. Ben Wallace.

Dr. Formanack gave a very interesting talk on "Cancer." After the talk the doctor answered many questions asked by the ladies. The ladies appreciated very much that Dr. Formanack should give his

valuable time in order that club members might improve their knowledge of cancer, which is causing so much concern throughout the entire nation.

The hostess served delicious refreshments at the close of the afternoon's program.

Several ladies were unable to attend this meeting due to sickness or having sickness in the home.

Holds Public Sale
J. B. Elliott, Jr., local hardware and implement dealer, held another large public sale at Alvo. As usual, a large crowd was present and the bidding quite spirited.

Has Been Ill During Past Week
Mrs. Rouse has been confined to her home during the past week because of bronchial trouble. It has been necessary for the doctor to call every day. Mrs. Rouse is somewhat improved at this writing and friends hope that she will soon be completely recovered.

Club Program Interesting
At the club meeting of the Mothers' and Daughters' Council on April 29, Mrs. Ben Wallace sponsored a most interesting miscellaneous program which devoted time and emphasis to several special weeks or days. The first was a paper pertaining to Arbor Day, on "National Forestry."

Kindness to Animal week brought a special number stressing the importance of that admonition and there were other high spots in her program. Humor and spice were added with humorous articles on Flower Gardening and one of the Lazy Farmers numbers.

An election of officers was held, which resulted in the selection of the following: Mrs. Ellis Mickle, president; Mrs. S. C. Hardnock, vice president; Mrs. Glenn Dimmitt, secretary; Mrs. Mart Nickel, treasurer; Mrs. Earl Bennett, song leader and Mrs. Orville Buehler, reporter.

The retiring officers are: Mrs. Glenn Dimmitt, president; Mrs. Walt Vincent, vice president; Mrs. W. C. Timblin, secretary, and Mrs. Harvey Gaihart, treasurer.

The hostess, Mrs. W. C. Timblin, served very delicious refreshments. Mrs. Timblin was very kind in having this meeting, as it was impossible for the club member scheduled to entertain, to have the meeting.

DIES IN KANSAS
From Saturday's Daily—The announcement was received here this afternoon of the death of Mrs. August Anderson which occurred at Wichita, Kansas, where she has made her home in recent years. The Anderson family while residents here lived in the home on Rock street between Eighth and Ninth streets. Mr. Anderson died some years ago and since that time Mrs. Anderson has made her home with the daughter.

Masonic Head Has a Very Busy Week

W. A. Robertson Called Upon as Grand Master to Officiate at Cornerstone Layings.

William A. Robertson, grand master of the Nebraska Masons, with other of the grand lodge officers, had a very strenuous time the last week in officiating at several cornerstone layings and Masonic meetings.

On Tuesday Mr. Robertson was at Chadron, Nebraska, where the grand lodge had charge of laying the cornerstone of the men's dormitory at the State Teachers college, a very impressive ceremony.

Mr. Robertson and the other officers on Thursday, April 28th, were at Wayne where they officiated at the laying of the cornerstone of the men's dormitory at the Wayne State Teacher's college. Mr. Robertson also introduced Governor R. L. Cochran for a short talk.

While at Wayne Mr. Robertson was joined by Mrs. Robertson and their son, Billy, they going on Friday to Sioux Falls, South Dakota, where Mr. Robertson was a guest of the Sioux Falls Masonic lodge and where the grand master of the South Dakota grand lodge was also present to take part in the meeting. The two grand masters were honored at a banquet as well as the meeting.

The family then spent the week-end with Mr. Enos Jones and other old friends.

FRENCH SAILORS STRIKE
PARIS, France, May 6 (UP)—The strike of sailors manning French vessels reached serious proportions today and the ministry of manufacture contemplated swift action. One walkout of stewards and others of the crew of the SS Champlain, who objected to the type of uniforms they were forced to wear spread to the crews of three other vessels. The strikers asserted that their uniforms and work clothes were not replaced frequently enough.

The Champlain, with 585 passengers was to have sailed for New York yesterday. Thirty of her passengers left for the United States aboard the American liner Manhattan and 50 others were aboard the German liner Deutschland.

SPRING PIG CROP LARGER
LINCOLN, May 5 (UP)—Nebraska's spring pig crop probably will be slightly larger than a year ago because of a more favorable feed rate and unusually good weather conditions at farrowing time, Arthur George, extension economist of the College of Agriculture said today.

Swine numbers in Nebraska he said, are only approximately one-third of normal while in the eastern part of the corn belt numbers have been increasing due to an abundant supply of feed produced last year.

George said there probably will be no great increase in the Nebraska hog supply until a normal corn crop is produced.

'Surprise' Post Inspection at Legion Meeting

County Commander Here to "Rate" Activities and Manner in which Meeting Conducted.

From Friday's Daily—Sterling Amick, county commander, and Ben Olive, a past county commander, came over from Weeping Water last evening to attend the meeting of Hugh Kearns post, American Legion. The purpose of their visit was a surprise post inspection. There was the usual good turnout of members present and the post rated a "high-medium" average on the inspection.

Considerable time was spent in discussion of Memorial day plans. The committee headed by Raymond Larson will have charge of arrangements for the observance of that day, which will be joined in by other patriotic organizations of the city.

An invitation was received from Rev. J. C. Lawson, pastor of the Methodist church, to attend a special Memorial Sunday service at that church, at 10:40 May 29th. The post will attend in a body, it was decided.

Chairman Herbster of the Junior Baseball committee reported the boys practicing whenever the weather is favorable and that registrations for the team would be sent in before the deadline date of May 31.

After that schedules will be arranged in the different districts, to culminate in August with the state tournament.

Scoutmaster Larson reported that seven Tenderfoot Scouts had been received in the Legion troop this week, bringing the enrollment to a high figure. Plans to organize one or more other troops with different sponsoring organizations are working out satisfactory.

C. A. Marshall and H. L. Gayer of the Drum and Bugle Corps committee reported the drums would be overhauled and repainted this coming week. Some additional larger sized uniforms will be needed to take care of increased membership this year and it is hoped to be able to purchase these at once, as the corps has a tentative playing date for the Peony show at Hamburg, Iowa, on May 28, and several other prospective dates later in the season.

The matter of arranging for roof repair was referred to the trustees. This will involve considerable expense. Current interest payment on building indebtedness has also been met during the past week.

WILL DEFY THREATS
WASHINGTON, May 3 (UP)—Representative John T. Bernard, farmer-laborite, Minn., said today the threat of a greeting by war veterans armed with lengths of rubber hose will not deter him from going to Jersey City tomorrow night to speak on constitutional rights.

"On the contrary—and I think I speak for Mr. O'Connell too—threats like those naturally make me more determined to go there," he said. He referred to Representative Jerry J. O'Connell, D. Mont., who is to accompany him to the stronghold of Mayor Frank Hague.

"Although they seem to have lost sight of all the democratic principles on which our country was founded, Jersey City is still legally a part of the United States."
